- 3.26** The tenderer must pay Bid Security/ Earnest Money as per DNIT (having validity of three month) in the form of crossed demand draft in favour of “RSMML” and drawn on any bank at Udaipur and the same shall be submitted as detailed above in original, failing which the bid is liable to be rejected. No interest shall be paid by the company on the earnest money so deposited by the tenderer. The earnest money of the tenders whose bid is not found to be acceptable on the basis of pre-qualifying criteria and/or on evaluation of their techno-commercial bids will be refunded at the earliest. The earnest money of the tenderer who are technically successful but not awarded the work shall be refunded after issuance of LOA to successful tenderer. The earnest money deposited by the successful tenderer will be refunded after submission of SD, but shall stand forfeited if the tenderer fails to furnish security deposit and/or fails to commence the work within stipulated period.
- 3.27** The earnest money of a tenderer shall be forfeited in the following cases:-
- i If the tenderer withdraws or modifies the offer after submission of the tender.
 - ii If the successful tenderer does not submit the prescribed Bank Guarantee as security deposit within one month of the date of work order/LOA issued in favour of tenderer.
 - iii If the successful tenderer does not execute the agreement, in the prescribed form within one month of the date of work order/LOA issued in favour of tenderer.

- iv If it is established that the tenderer has submitted any wrong information/ forged documents alongwith the tender or thereafter.
- v If the work is not commenced within the prescribed time period

VALIDITY

- 3.28** Tender submitted by tenderer shall remain valid for acceptance for a period 120 days, from the date of opening of the tender (Part I of the offer). An offer with a validity period of less than 120days is liable to be rejected. The tenderer on its own shall not during the said period of 120days or in extended period cancel and/or withdraw his tender nor shall he make any variation therein. In case of tenderer revoking, cancelling, modifying and/or withdrawing his bid during the validity of bid, the earnest money deposited by him along with tender shall stand forfeited, and tender will not be considered further evaluation.

In exceptional circumstances, prior to expiry of the original time limit, the Company may request the tenderer to extend period of validity for a specified additional period. The request and the tenderer's responses shall be made in writing. A tenderer if agreeing to the request will not be required or permitted to modify his bid.

EVALUTATION OF BIDS AND DETERMINATION OF RESPONSIVENESS

- 3.29** Prior to the detailed evaluation of Bids, the Company will determine whether each Bid:
- i) Meets the eligibility criteria.
 - ii) Has been properly signed;
 - iii) Is accompanied by the required securities; and
 - iv) Is substantially responsive to the requirements of the Bidding documents.

- 3.30** A substantially responsive Bid is one, which confirms to all the terms, conditions, and specification of the Biding documents without material deviation or reservations. A material deviation or reservation is one:

- i) Which affects in any substantial way the scope, quality, or performance of the work; and/or
- ii) Which limits in any substantial way, inconsistent with the Bidding documents, the Company's right or the Bidder's obligation under the contract; and/or
- iii) Whose rectification/acceptance would affect unfairly the competitive position of the other Bidders presenting substantially responsive Bids.

EVALUATION OF TECHNO-COMMERCIAL BID

- 3.31** The techno-commercial bids of substantially responsive tenderer's will be evaluated from all aspects The RSMML reserves the right to assess the capability and competency of the tenderer based upon the information provided by the tenderer in the techno-commercial bid and the information that may other wise be available to and/or gathered by the RSMML. The decision of the RSMML as to which tenderer is capable & competent to carry out the work shall be final. The tenderer should, therefore, see that he has required level of technical, financial & managerial competence & experience before submitting the tender.
- 3.32** If a Bid is not substantially responsive, the Company at its sole discretion may reject it.
- 3.33** The tenderer shall be prepared to furnish clarification/information and attend meetings/discussion/ as required by the company from time to time.
- 3.34** Price Bid (part II) only of techno-commercially acceptable tenders shall only be opened.

EVALUATION OF PRICE BID & CRITERIA FOR DECIDING L-1

- 3.35** The price bids of the techno-commercially acceptable tenderers will be evaluated to ascertain the relative status with respect to overall contract values for the total tendered work. The eligible bidder who has quoted the lowest rate (Rupees /MT) in price offer, shall be considered as L-1 bidder.

NEGOTIATIONS

- 3.36** Negotiations will be conducted with the lowest tenderer only. In case of non-satisfactory achievement of rates from lowest tenderer, RSMML may choose to make a written counter offer to the lowest tenderer and if this is not accepted, RSMML may decide to reject and re-invite fresh tenders or to make the same counter-offer first to the second lowest tenderer, then to the third lowest tenderer and so on in the order of initial bidding, and work order be awarded to the tenderer who accepts the counter offer.
- 3.37** In the case, when the quotations given by the tenderer during negotiations is higher than the original quotation of the tenderer then the tenderer will be bound by the lower rate originally quoted by the tenderer.
- 3.38** In case of negotiations, representative of the tenderer attending negotiations must possess written authority from the tenderer to the effect that he is competent to modify/amend the submitted tender deviations and rates offered by them

CORRECTION OF ERRORS

- 3.39** Price Bid (Part – II) of substantially responsive will be checked by the Company for any arithmetical errors. Errors will be corrected by the Company as follows:
- a) Where there is discrepancy between the amounts in figures and in words, the lower of the two would be taken ; and
 - b) Where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern; and
 - c) Discrepancy in totalling or carry forward in the amount quoted by the contractor shall be corrected. The tendered sum so corrected and altered shall be substituted for the sum originally tendered and considered for acceptance instead of original sum quoted by the tenderer.
- 3.40** The amount stated in the Bid will be adjusted by the Company in accordance with the above procedure for the correction of errors and, shall be considered as binding upon the Bidder.

3.41 Interference with procurement process

In case the bidder

- i) Withdraws from the procurement process after opening of financial bids;

No extra payment will be considered for working on weekly day of rest and other holidays. The contractor will make payment to the labour for the paid holidays declared by the Company from time to time.

4.22 MATERIALS TO BE SUPPLIED BY CONTRACTOR

The Contractor shall procure and provide from his own source and at its own cost the materials, tools, tackles, equipment, stores materials etc. required for the execution and completion of the works.

If, however, in the opinion of the Engineer-in-Charge the execution of the work is likely to be affected/delayed due to the Contractor's inability to make arrangements for supply of materials the Company shall have the right, at his own discretion, to arrange such materials from the market or elsewhere and the Contractor will be bound to pay for such materials to the Company on issue rates plus ten(10) percent as storage, supervision charges thereon or at such market rates as may be decided by the Company whichever is higher. This, however, does not in any way absolve, the Contractor from his/its responsibility of making of his own independent arrangements for the supply of such materials in part or in full. This shall in no way affect the time schedule or cause delay in the execution of the works and company's right under the contract. The Contractor shall provide all necessary materials, equipment and labour etc for the execution and maintenance of the works until final completion thereof.

4.23 DISCREPANCIES BETWEEN INSTRUCTIONS:

Should any discrepancy occur between the various instructions furnished to the Contractor, his agents or staff or any doubt arising as to the meaning of any instructions or should there be any misunderstanding between the Contractor's staff, the Contractor shall refer the matter immediately in writing to the Engineer-in-Charge whose decision thereon shall be final and conclusive and no claim for losses alleged to have been caused by such discrepancies shall in any case be admissible.

4.24 INSPECTION OF WORKS:

The Engineer-in-Charge or his authorised representative will have full powers and authority to inspect the works in progress at any time and the Contractor shall afford or procure for the Engineer-in-Charge/Engineer every facility and assistance, to carry out such inspections. The Contractor shall, at all time during the usual working hours and at all other times of which reasonable notice of the intention of the Engineer-in-Charge or his representative to visit the works shall have been given to the Contractor, whether himself be present to receive orders and instructions or have a responsible agent duly accredited in writing present for the purpose. Orders given to the Contractor's agent shall be considered to have the same force as if they had been given to the Contractor himself/itself.

4.25 CONTRACTOR'S OFFICE AT SITE:

- i. The company shall at its own discretion and convenience and duration of the execution of the work shall make available land for temporary construction of contractor's field office, maintenance workshop etc. The contractor shall at his/its own cost construct all such temporary structures or buildings with suitable water supply, electricity and sanitary provisions etc. in the place/s and as per the plan/s approved by the Engineer in charge.
- ii. On completion of the entire contract work undertaken by the contractor such temporary structure/s etc. shall be removed by the contractor at his/its cost and site cleared as per the directions of the Engineer in charge. If the contractor fail to comply with such directions, the Engineer in charge may at the expense/s of the contractor, will get removed all such works and dispose off the same in such manner as he deems fit and get the site cleared. In such event the contractor shall have no claim whatsoever in respect thereof.
- iii. The company reserves the right to ask the contractor at any time during the tenure of the contract to vacate the land, site, temporary buildings etc. by giving seven days notice on security reasons or on material interest by providing alternative site. The company reserves the right to take over the said temporary structures/buildings in lieu of reasonable compensation.

4.26 SAFETY, SANITARY & MEDICAL FACILITIES:

The Contractor and/or his sub-contractor and their employees, at Contractor's cost, shall fully comply with the safety rules, regulations or statutory directions and provide sanitary and medical facilities, prescribed by law or as may from time to time be prescribed by the Engineer-in-Charge with the object of securing the safety and health of the employees and the local community. In case of violation or non-observance of any of the aforesaid provisions by the Contractor the same shall be enforced by the Engineer-in-Charge at the Contractor's expenses.

The Contractor shall be responsible for the safety and discipline of his employees in all faces of the work and shall provide at his cost and enforce the use of safety boots, guards, helmets, goggles and other safety devices etc that may be required by the Acts & Rules and regulations for the time being in force, or will come in force during the currency of contract.

The Contractor shall promptly and immediately report serious accidents to any of his employees to the Engineer-in-charge / Plant Manager and shall make at his cost immediate arrangements to render all possible medical and other assistance to such affected employees/persons.

First aid facilities and supplies as required by the rules for the time being in force or will come in force in near future shall be kept on the work site by the Contractor at his cost. Medical check-ups of employees/persons working with the contractor, as required under the rules, shall be undertaken by the Contractor at his cost.

4.27 CONTRACTOR'S SUBORDINATE STAFF AND THEIR CONDUCT:

The contractor shall have the sole and exclusive responsibility for supervision of the work by experienced persons. The work shall be executed by the Contractor with his/their best skill, attention and supervision. The Contractor shall also employ and engage to the satisfaction of the Engineer-in-Charge sufficient and qualified staff to execute and supervise the execution of the works, in such manner as will ensure work of the best quality and expeditious working. Whenever in the opinion of the Engineer-in-Charge additional and sufficiently qualified supervisory staff is considered necessary, they shall be employed by the Contractor without additional charge on account thereof.

Whenever any of the Contractor's employees shall in the opinion of the Engineer-in-Charge be found to be guilty of any misconduct or be incompetent or insufficiently qualified or negligent in the performance of their duties or that in the opinion of the Company and/or the Engineer-in-Charge, it is undesirable for administrative or any other reason for such person or persons to be employed on the works, the Contractor, if so directed by the Engineer-in-Charge, shall at once remove such person or persons from employment thereon. Any person or persons so removed from the works shall be immediately replaced at the expenses of the Contractor by a qualified and competent substitute. Should the Contractor be requested to repatriate any person removed from the work, he shall do so and shall bear all costs/compensation in connection therewith.

The Contractor shall be responsible for the proper conduct and behaviour of all the workmen and others and shall exercise a proper degree of control over them and in particular and without prejudice to the aforesaid, generally the Contractor shall be bound to prohibit and prevent any employees from trespassing or acting any way detrimental or prejudicial to the interest of the community or of the properties or occupiers of lands and properties in the neighbourhood and in the event of such employee so trespassing, the Contractor shall be responsible thereof and relive the Company of all consequent claims or actions for damages or injury or any other grounds, whatsoever.

4.28 DAMAGE TO PROPERTY:

The Contractor including his sub-contractor/s, if any, shall be responsible for making good at his cost to the satisfaction of the Company any loss or any damage to buildings, structures, equipment, installations, properties etc, belonging to the Company or being executed or procured or being procured by the Company or of other agencies within the premises of the Company, if such losses or damages is due to fault and/or negligence or

wilful acts, omission, and/or any other reason whatsoever of the Contractor and/or his sub-contractor/s, their employees, agents, representative etc.

- e) While feeding of ore to crusher hopper, contractor has to ensure that no oversize boulders (any dimension > 50 cm) are fed to crushing plants.

- f) The contractor shall ensure that no extraneous material including metallic piece is loaded in trucks/ vehicles and fed to the crushing plant hopper. Any such metallic pieces shall be sorted out and tackled away.
- g) The Contractor while loading and/or unloading ore shall ensure that overburden & other extraneous material are not mixed with ore during the course of loading and /or unloading. The material contaminated with waste shall not be paid for and is liable to be rejected at the cost of the contractor and the contractor shall be required to remove all such material and no payment shall be made for such rejected ore/waste and also for its removal. In case of non recovery of such contaminated ore and loss of grade of such ore the cost for such losses will be recovered from the contractor at the selling price of ore prevailing at that time.
- h) The contractor shall have to take effective measures at its own cost & expenses for proper water sprinkling & suppression of dust generated during the process of loading, unloading, transportation etc., in & around the working areas so that the dust concentration in such places do not exceed the limits prescribed under the MMR, 1961 and as per the requirements of Environment & Pollution Control Board. In case the dust concentration is found to be more than the limits referred to above then the RSMML may make arrangements for water sprinkling & dust suppression at the cost & expenses of the contractor.
- i) Supervision: Adequate supervision by way of deputing at least one Supervisor at each crushing Plant in each shift has to be ensured by the Contractor.

5.2.3 **INCIDENTAL & CONTINGENT WORKS**

The contractor will have to make its own arrangements for all incidentals or contingent works related to the contracted work at its own cost & expenses and the same would not qualify for any extra payment.

5.2.4 **Deployment of Equipment:**

- i. Successful bidder has to deploy at least 1 no. Loaders and 2 no. Tippers within 30 days from the date of issue of LOA/ DLOA.
- ii. One Loader & two Tippers are to be deployed at New Crushing Plant. Contractor shall not shift these equipments without prior written permission of Engineer In charge. The vehicle/ equipment deployed by the contractor should not be older than five years from the date of DLOA. The contractor shall also make available the backup equipment in case of breakdown.
- iii. Actual requirement of number of equipment may vary from time to time. Contractor has to deploy the required number of machines depending upon actual requirement.
- iv. The period allowed for deployment of equipment as detailed above in exceptional cases can be extended by the GGM (SBU & PC) Rock Phosphate for maximum period of another 15 days in case it is found that the reasons for non deployment of desired equipment are beyond the control of the contractor. The contractor shall have to make a written request to GGM (SBU & PC) Rock Phosphate for this purpose

5.2.5 **PERIOD OF CONTRACT**

- i. The period of contract for the work envisaged under this tender shall be two years from the date of issue of LOA / DLOA, inclusive of 30 days period allowed for mobilization of equipments & commencement of the work. The Company at its sole

discretion may extend the period of contract for a further period of six month on same term and conditions.

- ii. The above period of two years of contract includes 30 days period allowed for mobilization reckoned from the date of issue of detailed letter of Acceptance (DLOA). However, the Contractor shall use this mobilization period for doing necessary preparatory works. The Contractor shall commence the work at full scale with in mobilization period from the date of issue of DLOA. The work shall be executed strictly as per time schedule by deploying adequate skilled personnel, equipment, tools, tackles etc.

5.2.6 QUANTITY

- i. The approximate quantity for the work of feeding of ore to HGO Crushers from various stacks located in and around HGO Crusher is 4,00,000 MT per annum with a quarterly quantity of 1,00,000 MT. However this quantity is only indicative and may change depending upon the requirement of the company. No guarantee regarding overall, monthly, weekly or daily quantum of work can be given. The Contractor shall neither be entitled nor be eligible to raise any claim on account of their vehicles/equipments /manpower being idle on any day or for any period during the contractual completion period. However, the contractor shall make necessary arrangements for feeding such quantities of ore as may be intimated and/or advised to them, from time to time, by the Engineer-in-Charge.
- ii. In the event, quantum of work is required to be varied beyond the above mentioned quantity, then the company will notify the same at least with 15 days notice to settle the matter mutually.

5.2.7 ARRANGEMENT FOR DIESEL

The Contractor has to make its own arrangements for Diesel procurement and storage for use exclusively for the purpose of the contract.

5.2.8 PRICE & PRICE VARIATION

- i. The price quoted and finally accepted by the company shall be deemed to include and cover all costs, expenses, taxes, duties, levies and liabilities of every description and all risk of every kind to be taken in execution. No increase in rates on these accounts shall be permitted except as specifically provided. The company shall be deducting applicable taxes as prevailing, from the bills of the contractor. RSMML shall not be responsible for any such liability on the contractor in respect of this contract and exclusion of any applicable taxes at prescribed rates due to ignorance or otherwise shall not form a reason for claiming anything extra at a later date.
- ii. The quoted price should remain firm & fix for the period of this contract. Only variation on account of change in the market price of diesel (HSD) will be considered for ascertaining escalation/ de-escalation on the price quoted & finally agreed. The price variation on account of change in diesel price for the work will be computed based on notional consumption of 0.15 liter diesel (HSD) per tonne of ore fed to HGO Crushers.
- iii. The prevailing price of diesel (HSD) Rs57.85 Per liter at IOCL Udaipur shall be taken and considered as base price for the purpose of computation of escalation/ de-escalation on the contract rate quoted & finally agreed.
- iv. The contractor shall furnish rate certificate of diesel from IOCL, Udaipur with every monthly bill. The company shall reimburse/recover(as the case may be) applicable

service tax on diesel escalation/de-escalation on submission of documentary evidence.

5.2.9

TERMS OF PAYMENT

- i. The quantity of crushed material dispatched from HGO Crushers through Weigh Bridge shall be taken as quantity of ore fed by the contractor through loader and tipper for the purpose of billing.
- ii. In addition to above, for initial, final and intermittent reconciliation of the quantity fed/crushed and available at dispatch platform, joint volumetric survey measurement shall be made. The volume so measured shall be converted into quantity (MT) taking into account the actual Bulk Density of the crushed material.
- iii. For payment purposes the contractor shall raise the bill on monthly basis to receive its remuneration from the RSMML and the bills shall be duly verified by the In-Charge of weighbridge & Engineer In-Charge. Weight of material as recorded at the specified weigh bridge of the RSMML and/or other notified weighbridge shall be taken & treated as final for the purpose of this contract. The rates as accepted by the Company shall only be considered for billing purpose.
- iv. At the end of contract period and after reconciliation of the crushed quantity at the dispatch platform if found more than the initial quantity, then the payment of the excess quantity at the dispatch platform will be payable. However, in case the quantity is found to be less, the contractor shall be liable to pay the quantity found in less. The payment to the left out material at dispatch platform will be made as per provisions.
- v. The Contractor, on submitting the bill duly verified by the Engineer In-Charge for the work done, is entitled to receive a monthly payment within a period of fifteen (15) days after submission of the bill. This payment will be made after making necessary deductions as stipulated elsewhere in the contract. The Company shall deduct Income Tax at source at prevailing rate from the bills of the contractor. Other statutory taxes shall also be deducted from the bills as applicable from time to time.
- vi. The Company shall make payment due to the Contractor by crossed Account Payee Cheque. In no case the Company will be responsible if the Cheque is misplaced or misappropriated by unauthorized person/s.

5.2.10

RESOURCES, MANPOWER, FACILITIES ETC.

- i. The contractor will have to bring and deploy machinery, labours, tools, tackles, equipment, etc., required to execute the contract at its own cost and to the entire satisfaction of the RSMML.
- ii. The contractor shall make its own arrangements at its own cost for materials & facilities like fuel, lubricants, compressed air and diesel etc., required for satisfactory execution of the contract.
- iii. The contractor shall not take out their deployed equipments from the site except in case of major repair of deployed equipments and longer shut down of crushing plant that to which with prior permission of Engineer in-charge.

- iv. RSMML shall provide following facilities free of cost to the contractor only for execution of work at site:
 - a) Power for site office & minor repair work.
 - b) Water
 - c) Land for site office & minor repair work.

5.2.11

COMPENSATION

- i. In case the Contractor fails to mobilise and commence the work within the stipulated / extended period, the company shall recover a pre determined and agreed compensation @ 0.5% of the annual contract value on fortnightly basis from the contractor. Mobilisation shall mean deployment of equipment & manpower. Delay in deployment of standby equipment shall however, not be considered for imposing compensation, provided the contractor shall deploy standby equipment within stipulated / extended period from date of issue of LOA/DLOA. In the event the compensation exceeds 2% of annual contract value, then other provisions of tender such as termination of contract, forfeit of EMD/SD shall be applicable.
- ii. In case the Contractor fails to feed minimum quantity of mineral as per quarterly schedule given by the Engineer incharge he shall be liable to pay to the company agreed and predetermined compensation.

Failure to adhere to the quarterly schedule without reasons to the satisfaction of Company the contractor shall be liable to pay predetermined & agreed compensation @ 10% of the prevailing contract rate for the actual quarterly shortfall in quantity subject to the provision here in below, but it will not absolve the contractor to fulfill his contractual liabilities.

The shortfall of first quarter is to be made up in the Second quarter. In case if the shortfall is not made up in the Second quarter, then compensation shall be levied on the remaining shortfall in the schedule quantities of first quarter. Similarly the shortfall quantities of second quarter are to be made up accordingly in the subsequent quarter. In addition any quantity executed in excess of the quarterly target may also be adjusted in the shortfall of subsequent quarter

However, the Company may at its discretion revise the quarterly targets at the end of the year and refund the compensation so recovered to the contractor, if it is justified that the reasons of such shortfall are on account of the constraints in sale & storage of finished products at the Company's Crushing plants and any other reason/s attributable to the Company.
- iii. If the contractor fails to feed minimum quantity of mineral as per the annual schedule of 4.00 lac MT to HGO crushing plant , except that the reasons of such shortfall like constraints in sale & storage of finished products and any other reasons/s being attributable to the Company and approved by the Competent Authority, the contractor shall be liable to pay compensation @ 10% of remuneration payable for unexecuted annual quantity.

In case of any annual shortfall due to the reasons attributable to the contractor, the same shall be made up by the contractor during the contractual period of two years, the contractor shall be liable to pay compensation to the Company @0.25% of the total value of the contract in addition to the compensation on quarterly & annual

shortfall as mentioned above. This is a genuine pre-estimate of the loss/damage which may be suffered on account of delay/breach on the part of the Contractor and the said amount will be payable on demand without demur or protest and without there being any proof of the actual loss or damage caused by such delay/breach. The Company at its discretion can adjust the same against the Security Deposit and/or Running Account Bill/s.

- iv. Besides, failure of the contractor to work as per scheduled targets will also entitle the Company to get the work done by making alternative arrangements at the cost and expense of the contractor and to recover from it the full difference of cost in making restoration of working up to the quantity of work allotted to the another agency.
- v. The company may at its discretion consider to revise quarterly, annual & total contract schedules and compensation for various shortfalls as mentioned above may be reduced or waived off, if it is justified that the reasons of shortfall in executed quantities are beyond the control of the contractor and pertain to constraints in sale & storage of finished products at Company's crushing plants, or any other reason/s attributable to the Company.
- vi. The compensation, if levied, shall be recovered immediately from the bills of the contractor.
- vii. Notwithstanding anything contained in clauses herein above, the RSMML may require the contractor to improve the performance of work within seven days of the receipt of a notice by the RSMML and if the contractor fails to improve its performance on pro-rata basis within this period of seven days, then the RSMML may get the work done by other agency at the cost & risk of the contractor without any further notice.
- viii. The contractor shall be liable to pay to the RSMML all costs, damage, charges, losses, etc., suffered or incurred or occasioned or sustained by the RSMML or by any other third party due to the negligent act or omission or un-workmen like performance of the contractor or its workmen or due to the breach of any of the terms of the contract or failure to carry out the work in accordance with contract by the contractor or its workmen. The decision of the RSMML in this respect shall be final and binding on the contractor. The recovery for any amount under this clause may be effected by the RSMML either from the running bills or from the security deposit or set off against any other dues of the contractor, at the discretion of the RSMML.
- ix. The contractor shall make such satisfaction and pay compensation as may be assessed by a lawful authority in accordance with the law enforced on the subject for all damages, injury or disturbances which may be done by the contractor and shall indemnify and keep indemnified fully and completely, the RSMML against all claims which may be made by any person or persons in respect of any such damages, injury or disturbances and all cost and expenses in connection therewith.
- x. Any amount due and payable to the contractor, including security deposit refundable to them under the contract, may be appropriated and set off by the

RSMML against any claim or dues of the RSMML arisen or arising out of this contract or any other contract against the contractor.

5.2.12 WITHHOLDING PAYMENTS TO CONTRACTOR AND COMPANY'S LIEN ON MONEYS DUE TO THE CONTRACTOR.

- i. Progressive payments at any time may be withheld or reduced if, in the opinion of the Company the Contractor is not diligently and efficiently endeavoring to comply with the terms of the contract or if the Contractor fails to pay his labour, for material and other bills as they become due. The Company shall in no way be responsible for such withholding of payments.
- ii. Additional Conditions of Contract**1. Correction of arithmetical errors**

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- i. if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.
- ii. if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 25% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.
