- iv. If it is established that the tenderer has submitted any wrong information/ forged documents along with the tender or thereafter.
- v. If tenderer doesn't form the society before commencement of work.

VALIDITY:

- 3.34 Tender submitted by tenderer shall remain valid for acceptance for a period **120 (One Hundred Twenty) days** from the date of opening of the tender (Part I of the offer). An offer with a validity period of less than 120 (One Hundred Eighty) days is liable to be rejected.

The tenderer on its own shall during the period of 120 (One Hundred Eighty) days or in extended period cancel and/or withdraw his tender nor shall he make any variation therein. In case of tenderer revoking, canceling, modifying and/or withdrawing his bid during the validity of bid, the earnest money deposited by him along with tender shall stand forfeited and tender will not be considered for further evaluation.

In exceptional circumstances, prior to expiry of the original time limit, the Company may request the tenderer to extend period of validity for a specified additional period. The request and the tenderer's responses shall be made in writing. A tenderer if agreeing to the request will not be required or permitted to modify his bid.

EXAMINATION OF BIDS AND DETERMINATION OF RESPONSIVENESS:

- 3.35 Prior to the detailed evaluation of Bids, the Company will determine whether each Bid:
- i) Meets the eligibility criteria
 - ii) Is accompanied by the required securities; and
 - iii) Is substantially responsive to the requirement of the Bidding documents.

- 3.36 A substantially responsive Bid is one, which confirms to all the terms, condition, and specification of the Bidding documents without material deviation or reservations. A material deviation or reservation is one:

- i) Which affects in any substantial way the scope, quality, or performance of the work; and/or
- ii) Which limits in any substantial way, inconsistent with the Bidding documents, the Company's right or the Bidder's obligation under the contract; and/or
- iii) Whose rectification/acceptance would affect unfairly the competitive position of the other Bidders presenting substantially responsive Bids?

EVALUATION OF TECHNO-COMMERCIAL BID:

- 3.37 The techno-commercial bids of substantially responsive tenderer's will be evaluated from all aspects. The RSMML reserves the right to assess the capability and competency of the tenderer based upon the information provided by the tenderer in the techno-commercial bid and the information that may other wise be available to and/or gathered by the RSMML. The decision of the RSMML as to which tenderer is capable & competent to carry out the work shall be final. The tenderer should, therefore, see that he has required level of technical, financial & managerial competence & experience before submitting the tender.

- 3.38 If a Bid is not substantially responsive, it may be rejected by the Company at its sole discretion.

- 3.39 The tenderer shall be prepared to furnish clarification/information and attend meetings/discussion as required by the company from time to time.

CRITERIA FOR EVALUATION OF REASONABILITY/ WORKABILITY OF OFFERED RATE BY THE TENDERER:

- 3.40 The reasonability of the tendered rate as offered by the bidders would be judged through the breakup of cost (as furnished by the tenderer in Form 6 with the price bid) taking into consideration the factors like proposed numbers of vehicles & manpower to be deployed, fuel consumption etc.
- 3.41 During process of price evaluation, if the company finds that the offered rate is not workable rate &/or the contractor would even not be able to achieve breakeven point, then it will be considered as non response bid & shall be liable for rejection.
- 3.42 Further, in case it is found that any bidder has quoted abnormally low rates & attempting to vitiate the tendering process then the company reserves its right to forfeit the EMD & debar such bidder for participating in future tenders of the company at its sole discretion.

CORRECTION OF ERRORS IN PRICE BID:

- 3.43 Price Bid (Part-II) of substantially responsive will be checked by the Company for any arithmetical errors. Errors will be corrected by the Company as follows:
- a) Where there is discrepancy between the amounts in figures and in words, the lower of the two would be taken; and
 - b) Where there is discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern; and
 - c) Discrepancy in totaling or carry forward in the amount quoted by the contractor shall be corrected. The tendered sum so corrected and altered shall be substituted for the sum originally tendered and considered for acceptance instead of original sum quoted by the tenderer.
- 3.44 The amount stated in the Bid will be adjusted by the Company in accordance with the above procedure for the correction of errors and, shall be considered as binding upon the Bidder.
- 3.45 Price Bid (part-II) of techno-commercially acceptable tenders shall only be opened. Only such short listed tenders will be informed about the date and time of opening of the price bids.

PROCESS TO BE CONFIDENTIAL:

- 3.46 Information, relating to the examination, clarification, evaluation and comparison of Bids and recommendations for the award of a contract shall not be disclosed to the Bidders or any other person not officially concerned with such process. Any efforts by a Bidder to influence the Company's processing of Bids or award decision may result in rejection of his bid.
- 3.47 The tenderer may note that indulgence in submitting unsolicited offers or submitting unsolicited correspondence after submission of bid is liable to debar him from participating in RSMML tenders.

NOTIFICATION OF AWARD AND SIGNING OF AGREEMENT:

- 3.48 The tenderer, whose Bid has been accepted, will be notified of the award by the Company, through postal communication or through facsimile confirmed by registered letter/speed post. This letter (hereinafter and in Conditions of Contract called the "Letter of Acceptance" will state the sum unit that the Company will pay to the Contractor in consideration of the execution and completion of the Works by the Contractor as prescribed in the Contract .

- 3.49 The notification of award will constitute the formation of Contract. The execution of agreement as per clauses below would be the formalization of agreement that was commenced with the issuance of LOA.

- 5.3.12 The total compensation so levied as per clause 5.3.7 to 5.3.12 shall be subject to maximum limit of 15% of total contract value on Monthly basis.
- 5.3.13 In event of unsatisfactory work execution and/or non execution of work, over and above the Compensation on failure to commence the work and/or delayed operation, the company may at its sole discretion get the work executed from any other agency at the risk and cost of the contractor. In such event, the company shall be entitled to recover from the contractor the full difference of cost of making such alternative arrangements and/or forfeit the whole or such portion of the security deposit as it may consider fit, besides initiating any other action against the contractor as it may decide.
- 5.3.14 The compensation so paid/and/or adjusted by the company, shall not relieve the contractor from his/its obligations to complete the work under the contract or from any other obligations and liabilities under the contract.

RIGHT TO REVIEW PERFORMANCE

- 5.3.15 The company reserves the right to review and assess the performance of the work at any time during the contract period. In case of poor or unsatisfactory performance and/or breach of any terms and conditions of the contract, the company in its absolute rights and discretion may take appropriate action including termination of the contract.
- 5.3.16 The company shall have absolute right to determine and ascertain the damages or losses suffered by it due to poor performance or breach of the terms and recover the costs thereof from the contractor from the security deposit or any sum due to the contractor from the company. The Company shall also have absolute right to get the work done from any other agency at the risk and cost of the Contractor, in case, the contractor fails to perform the work continuously for more than 3 days.

RISK & COST

- 5.3.17 In the event of failure on the part of the contractor to deploy & operate the vehicles as per time schedule prescribed in this behalf by the Company from time to time on any particular day or on any particular trip, the Company shall be entitled to engage/hire/deploy other outside vehicles at the risk & cost of the contractor. The amount of such expense/damages shall be adjusted by the Company from the monthly bills of the contractor and any other amount payable to the contractor under this contract. The Company shall have full right to forfeit the whole security deposit and payment of other pending bills payable to the contractor for non-fulfillment of the contractual obligations.

CONTRACTOR'S REMUNERATION:

- 5.4.1 The remuneration to be paid by the Company to the Contractor for the whole of the work to be done and for the performance of all the obligations undertaken by the Contractor under the contract documents shall be ascertained by the application of the respective quoted rates and payments to be made accordingly for the work actually executed and approved by the Officer-In-Charge. The sum as ascertained shall constitute the admissible remuneration of the Contractor under the contract and no further or other payment, whatsoever, shall be or become due or payable to the Contractor under the contract.

- 5.4.2 The schedule of rate or contract rate or rate of remuneration shall include an indemnity to the Company which the Contractor hereby gives against all actions, proceedings, claims, damages, costs and expenses arising from the incorporation in or use on the works of any such articles/processes or materials octroi or other municipal or local board charges, fees, cess, as applicable on materials, equipment or machinery to be brought to site for use on work, shall borne by the Contractor.
- 5.4.3 Without in any way limiting the provisions of the preceding sub-clause, the schedule of rates or rate of remuneration shall be deemed to include and cover the cost of all inputs for the works or otherwise, also all rents and other payments for the works, all equipment, temporary works, materials, labour, insurance, fuel, stores and appliances to be supplied/deployed by the Contractor and all other matters in connection with each item of work and the execution of the work or any portion thereof finished complete in every respect and maintained as shown or described in the contract documents.
- 5.4.4 The rate of remuneration shall be deemed to include and cover the risk of all possibilities of delay and interference with the Contractor's conduct of work which occur from any cause including orders of the Company in the exercise of his/its powers and on account of extension of time granted due to various reasons and for all other possible or probable cause of delay/s in execution of this work by the Contractor. The Contractor shall not be entitled to raise any claim and/or dispute on account of any rise in the price of equipment/s, spares, oils, lubricants, tyres, tubes, statutory or otherwise on any other ground or reason or accounts whatsoever.
- 5.4.5 The agreed rates shall be on the 'firm price' basis during pendency of the contract and the contractor shall not be eligible for any escalation except as mentioned in the tender document. The rates are inclusive of salary of staff, insurance, duties, levies, taxes excluding service tax. The tenderer shall quote the rates exclusive of service tax. Service Tax if applicable shall be deposited in case tenderer(other than a company) is availing any abatement, then the entire service tax payable & applicable i.e 40% of value will be deposited by the company. An undertaking of availing service tax abatement shall be submitted by the tenderer with part-I of the tender. In case of non submission of same it will be considered that the tenderer is not availing abatement of the service tax and lowest bidder will be determined considering additional service tax liability on the service provider.
- In case the tenderer(other than a company) is not availing abatement on service tax, then 60% value of service tax will be deposited by the contractor & later reimbursed by the company subject to submission of documentary proof. Remaining 40% of service tax will be deposited directly by the company. The present applicable rate of service tax is @ 12.36%. It is expressly agreed and understood that the contractor shall not be entitled to raise any claim on account of any other ground whatsoever during the currency of this contract. The agreed rates are inclusive of payment of weekly day of rest. **The contractor shall allow the weekly day of rest to their employees for which no extra payment will be made to the contractor.**
- 5.4.6 The contractor shall be entitled to claim remuneration of the vehicle actually deployed and used to transport the executives/employees at the contract rates only.
- 5.4.7 Detention charge: No detention charges are payable.
- 5.4.8 Any fresh imposition/variation in statutory duties, taxes or levies, made by statutory authority after the last date of submission of bids will be reimbursed to contractor or recoverable by the company as the case may be. The reimbursement/ recovery from

contractor will be made against submission of supporting documents for only such taxes/duties/levies that are directly applicable to the contractor and reflected on his running bills.

- 5.4.9 The company shall fully entitle to deduct income tax and/or any other levies at sources as per the rules and instructions as may be applicable for this purpose from time to time.

PRICE VARIATION (ESCALATION/DE-ESCALATION)

- 5.4.10 The rates quoted by the contractor and finally accepted by the company shall remain firm & fix for the period of this contract. Only variation on account of change in the market price of diesel (HSD) as announced by Government or IOCL will be considered for ascertaining escalation/ de-escalation on the price quoted & finally agreed. The price variation on account of change in diesel price for the work will be computed based on notional consumption of diesel (HSD) per kilometers by the vehicles as given below-

***Vehicle - 14 Kms. per litre**

- 5.4.11 The prevailing price of diesel (HSD) of IOCL etc. Bikaner i.e **Rs. 53.62** per liter shall be taken and considered as base price for the purpose of computation of escalation/ de-escalation on the price quoted & finally agreed.
- 5.4.12 The actual kilometer covered will be considered for the calculation of the kilometers for this purpose.
- 5.4.13 Admissible escalation/de-escalation shall be calculated as per formula given below -

$$ES/DES = [D/N] \times (P_1 - P_0)$$

Where –

In words: Rs.....

Note:

- In case the tenderer omits in quoting the rates, then the lowest quoted rates will be treated as the quoted rates for such omitted rates.
- The rates quoted will remain firm & fixed throughout the contract period except variation on account of change in diesel price, taxes & duties.
- Tenderer are required to quote the rates in figures & words clearly.
- The Diesel price of Rs 53.62 per Ltr. is considered as base price for this work.
- All incidental or contingent works required for performance of work shall be done by the tenderer at its cost & expense and it would not qualify for extra payment.
- These rates are inclusive of all expenditure, duties, levies, taxes and exclusive of service tax. Service Tax if applicable shall be deposited in case tenderer is availing any abatement, then the entire service tax payable & applicable i.e. 40% of value will be deposited by the company. An undertaking of availing service tax abatement shall be submitted by the tenderer with part-I of the tender. In case of non submission of same it will be considered that the tenderer is not availing abatement of the service tax and lowest bidder will be determined considering additional service tax liability on the service provider.
- In case the tenderer (other than a company) is not availing abatement on service tax, then 60% value of service tax will be deposited by the contractor & later reimbursed by the company subject to submission of documentary proof. Remaining 40% of service tax will be deposited directly by the company. The present applicable rate of service tax is @ 12.36%.

The lowest bidder will be determined after considering service tax if applicable as prescribed in tender document. The comparative chart generated by the system at the time of opening of price bid is only for the reference use not to be considered for deciding the lowest bidder.

However, it is to be noted that in case of bidders in the capacity of a company, the entire liability of deposition of service tax shall lie with the service provider, and therefore, the same shall be reimbursed by the company subject to submission of documentary proof.

Additional Conditions of Contract

1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- i. if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.
- ii. if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 25% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.
