 - iii.) If the tenderer does not execute the agreement in the prescribed format within the specified time.
 - iv.) If the tenderer provides false information/forged documents/false attestation of documents in the offer or thereafter to claim eligibility / qualify for the contract.

EVALUATION OF BIDS AND DETERMINATION OF RESPONSIVENESS:

- 2.50 Prior to the detailed evaluation of Bids, the Company will determine whether each Bid;
- i.) Meets the eligibility criteria;
 - ii.) Has been properly signed, dated & sealed;
 - iii.) Is accompanied by the required securities; and
 - iv.) Is substantially responsive to the requirements of the bidding documents.
- 2.51 A substantially responsive bid is one, which confirms to all the terms, conditions, and pacification of the bidding documents without material deviation or reservations. A material deviation or reservation is one;
- i.) Which affects in any substantial way the scope, quality or performance of the work; and /or
 - ii.) Which limits in any substantial way, inconsistent with the bidding documents, the company's right or the bidder's obligation under the contract; and /or

- iii.) Whose rectification/acceptance would affect unfairly the competitive position of the other bidders presenting substantially responsive bids?

EVALUATION OF TECHNO-COMMERCIAL BID:

- 2.52 The techno-commercial bids of substantially responsive tenderer will be evaluated from all aspects. The RSMML reserves the right to assess the capability and competency of the tenderer based upon the information provided by the tenderer in the techno-commercial bid and the information that may otherwise be available to and/or gathered by the RSMML. The decision of the RSMML as to which tenderer is capable & competent to carry out the work shall be final. The tenderer should, therefore, see that he has required level of technical, financial & managerial competence & experience before submitting the tender.
- 2.53 If a bid is not substantially responsive, it may be rejected by the company at its sole discretion.
- 2.54 The tenderer shall be prepared to furnish clarification/information and attend meetings /discussion as required by the company from time to time.
- 2.55 Price bid (Part-II) only of Techno-Commercially accepted tenders shall only be opened.

CRITERIA FOR DECIDING L-1 BIDDER

- 2.56 The tenderer whose quoted rates are resulting into the lowest financial outgo for the company will be considered as L-1 bidder. The total contract value will be arrived by adding G-Schedule amount and tender premium quoted by the bidder. The final figure so achieved will decide the total contract value for the purpose of deciding the L-1 bidder.

NEGOTIATIONS:-

- 2.57 Negotiations will be conducted with the lowest tenderer only. In case of non-satisfactory achievement of rates from lowest tenderer, RSMML may choose to make a written counter offer to the lowest tenderer and if this is not accepted, RSMML may decide to reject and re-invite fresh tenders or to make the same counter-offer first to the second lowest tenderer, then to the third lowest tenderer and so on in the order of initial bidding, and work order be awarded to the tenderer who accepts the counter offer.
- 2.58 In the case, when the quotations given by the tenderer during negotiations is higher than the original quotation of the tenderer then the tenderer will be bound by the lower rate originally quoted by the tenderer.
- 2.59 In case of negotiations, representative of the tenderer attending negotiations must possess written authority from the tenderer to the effect that he is competent to modify/amend the submitted tender deviations and rates offered by them.

CORRECTION OF ERRORS:

- 2.60 Price Bid (Part-II) of substantially responsive will be checked by the Company for any arithmetical errors. Errors will be corrected by the Company as follows;
- i.) Where there is discrepancy between the amounts in figures and in words, the lower of the two would be taken; and

- ii.) Where there is a discrepancy between the unit rate and the line item, total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern; and
- iii.) Discrepancy in totaling or carry forward in the amount quoted by the contractor shall be corrected. The tendered sum so corrected and altered shall be substituted for the sum originally tendered and considered for acceptance instead of original sum quoted by the tenderer.

2.61 The amount stated in the bid will be adjusted by the company in accordance with the above procedure for the correction of errors and, shall be considered as binding upon the bidder.

PROCESS TO BE CONFIDENTIAL:

2.62 Information, relating to the examination, clarification, evaluation and comparison of bids and recommendations for the award of a contract shall not be disclosed to the bidders or any other person not officially concerned with such process. Any effort by a bidder to influence the company's processing of bids or award decision may result in rejection of his bid.

REDUCED RATES

4.5 In cases where the items of work are not accepted as so complete, the Engineer-in-charge may make payment on account of such items at such reduced rates as he may consider reasonable in the preparation of final or on account bills.

ADDITION, ALTERATION & SUBSTITUTION OF ITEMS

4.6 The Engineer-in-charge shall have powers to make alternation in or commissions from or additions to or substitutions for the original specifications, drawings, designs and

instructions that may appear to him to be necessary or advisable during to progress of work and the contractor shall be bound to carry out the work in accordance with any instructions which may be given to him in written by the Engineer-in-charge and such alterations, commissions, additions or substitutions shall not invalidate the contract and any altered, additional or substituted work which the contractor may be directed to do in a manner above specified as part of the work shall be carried out by the contractor on the same conditions in all respects on which he had agreed to do the main work, provided that the cost of the work as executed by the contractor including cost of all additional, altered or substituted work shall not without mutual agreement exceed the tendered amount of the work by more than 20%.

4.7 The time limit for completion of the work shall be extended in the proportion that the additional or substituted work bears to the original contract work and the certificate of the Engineer-in-charge shall be conclusive as to such proportion. The rates of such additional altered or substituted work under this clause shall be worked out in accordance with the following provisions:-

- (i) If the rates for the additional, altered or substituted work are specified in the contract for the work, the contractor is bound to carry out the additional, altered or substituted work at the same rates as are specified in the contract for the work.
- (ii) If the rates for the altered, additional or substituted works cannot be determined in the manner specified in clause above, then the rates for such work shall be worked out on the basis of the schedule of rates of the district specified above mines/pus the percentage which the total tendered amount bears to the estimated cost of the entire work put to tender provided always that if the rate for a particular part or parts of the items is not in the schedule of rates, the rate for such part of parts will be determined by the Engineer-in-charge on the basis of the prevailing market rates when the work was done.
- (iii) If the rates for the altered, additional or substituted work cannot be determined in the manner specified in clause above, then the contract or shall, within 7 days of the date of receipt of order to carry out the work, inform the Engineer-in-charge of the rate which is his intention to charge for such class of work, supported by analysis of the rate or rates claimed and the Engineer-in-charge shall determine the rate or rates on the basis of prevailing market rates, and pay the contractor accordingly. However, the Engineer-in-charge, by notice in writing, will be at liberty to cancel his order to carry out such class of work and arrange to carry it out in such manner as he may consider advisable. But under no circumstances the contractor shall suspend the work on the plea of non-settlement of rates of items falling under the clause.
- (iv) Provided that the Engineer-in-charge would also be at liberty to ask the contractor to execute such items, the rates of which are not provided in the B.S.R. of that area and also additional quantity over and above the limit of 50% against each item and 20% over the tendered amount of the work specified above, if in the opinion of the Engineer-in-charge the execution of such items through other agency is likely to hamper the progress of other items of work and its completion considerably required the contractor shall be bound to carry out all such extra

work also if asked to do so. For all such extra items or additional quantity of work over and above the limit specified in para above, the contractor shall be paid provisionally on the rates of all such additional work and extra items if any shall be decided and settled by arbitration, provided always that if the contractor shall commence work or incur any expenditure in regard thereof before getting written instructions from the Engineer-in-charge regarding all such additional works or extra items at his own accord as lastly here herein before mentioned then in such case he shall only be entitled to be paid in respect of the work carried out expenditure incurred by him prior to the date of issue of written instructions if any, as aforesaid according to such rate of rates as shall be fixed by the Engineer-in-charge and shall have no claim for getting rates or such work settled through arbitration.

CURTAILMENT OF SCOPE

- 4.8 If the Engineer-in-charge shall at any time, and for any reason whatsoever think that any portion of the work should not be executed and could be withdrawn from the contractor, he shall give notice in writing of the fact to the contractor who shall have no claim to any payment of compensation whatsoever on account of any profit or advantage which he might have derived from the execution of the work in full, but which he did not derive in consequence of the full amount of the work not having been carried out, neither shall he have any claim for compensation by reason of any alterations having been made in the original specifications, drawings, designs and instructions which shall involve any curtailment of the work as originally contemplated.
- 4.9 Provided that the contractor shall be paid the charges on the cartages only of materials actually and bonafidely brought to the site of the work by the contractor and rendered, surplus as a result of the abandonment or curtailment of the work or any portion thereof and then taken back by the contractor, provided, however, that the Engineer-in-charge shall have in all such case the option of taking over all or any such materials at their purchase price or at local current rates which ever may be less. In the case of such stores having been issued from Company's stores supervision charges and storage charges shall be refunded in addition to the issue rate of materials.
- 4.10 All sums payable by way of compensation under any of these conditions shall be considered as reasonable compensation to be applied to the use by the company without reference to the actual loss or damage sustained and whether or not any damage shall have been sustained.

PAYMENT OF BILLS

- 4.11 No payment shall be made for works estimated to cost less than Rupees One Thousand till after the whole but in the case of works estimates to cost more than Rupees One Thousand the contractor shall on submitting the bill thereof be entitled to receive a monthly payment proportionate to the part thereof then passed by the Engineer-in-charge. RA bill shall be submitted along with location plan for executed work duly certified by EIC. The contractor shall submit an undertaking with monthly bills bearing GSTIN and HSN/SAC code that "total GST has been deposited and returns have been

filed for relevant tax period. All such intermediate payment shall be regards as payments by way of advance against the final payment only and not as payments for work actually done and completed and shall not preclude the requiring of bad, unsound and imperfects or unskillful work to be removed and taken away and reconstructed or re-erected or be considered as an admission of the due performance of the contractor any part thereof in any respect of the accruing of any claim, not shall it conclude, determine, or effect in any way the powers of the Engineer-in-charge under these conditions or any of them as to the final settlement and adjustment of the account or otherwise the Engineer-in-charge's certificate of the measurements and of the total amount payable for the work accordingly shall be final and binding the contractor in all respect. The payment of final bill shall be made within 3 months of the submission of such bill. If there shall be any dispute about any items of work then the undisputed item or items only shall be paid within the period of 3 months. The contractor shall submit a list of the disputed items within 30 days from the disallowance waived and absolutely extinguished.

4.12 A bill shall be submitted by the contractor each month on or before the dated fixed by the Engineer-in-charge for all work executed in the previous month. The charges in the Bill shall always be entered at the rates specified in the tender or in the case of any extra work ordered in pursuance of these conditions and not mentioned or provided for in the tender, as the rates herein after provided for such works. The Engineer-in-charge shall take or cause to be taken the requisite measurements for the purpose of having the same verified and the claim, as far as admissible, adjusted if possible before the expiry of ten days from the presentation of the bill. If the contractor does not submit the bill within the time fixed as aforesaid, the Engineer-in-charge may depute a subordinate to measure up the said work in the presence of the contractor whose counter signature to the measurement list will be sufficient warrant, and the Engineer-in-charge may prepare a bill from such list which shall be binding on the contractor in respect.

4.13 Before taking any measurement of any work as referred to in above, the Engineer-in-charge or a subordinate deputed by him shall give reasonable notice to the contractor. If the contractor fails to attend at the time of measurement after such notice or fails to countersign or to record the difference within a week from the date of measurement in the manner required by the Engineer-in-charge then in any such event the measurement taken by the Engineer-in-charge or by the subordinate deputed by him as the case may be shall be final and binding on the contractor and the contractor shall have no right to dispute the same.

INSPECTION & SUPERVISION

4.14 All the work under or in course of execution or executed in pursuance of the contract shall at all times be open to the inspection and supervision of the Engineer-in-charge and his subordinates and contractor shall at all times during the usual working hours and at all other times at which reasonable limitations of the intention of the Engineer-in-charge or his subordinate to visit the works shall have been given to the contractor, either himself present to receive order and instructions or have a responsible agent duly accredited in writing present for that purpose. Orders given to the contractor's agent shall be considered to have the same force as if they had been given to the contractor himself.

Additional conditions of Contract

1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of financial Bids on the following basis:

- i. if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.
- ii. if there is an error in total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. if there is a discrepancy between words and figures, the amount in words shall prevail unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 50% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.
