Corrigendum No.2

Subject- Tender For Long term Sale of High-Quality Limestone Fines (5mm - 30mm) from backfilled dump at Sanu, District- Jaisalmer (Raj)."

**Ref: - E-Tender No. RSMM/CO/MKT/2024-25/97 Dated: 22-07-2024
Corrigendum 1 RSMM/CO/MKT/2024-25/131 dtd 21/08/2024**

With reference to the above referred tender, kindly note the following amendments to the tender document.

| S. N. | Section and Clause No. | Amended Clause |
|-------|----------------------------|---|
| 1 | Section-I & Clause 1.2 | Online tender is invited in electronic form through https://eproc.rajasthan.gov.in , for following work. The company has envisaged to suitably sale a part of the available reserves of the high-quality limestone fines (05-30 mm) from Sanu mines at District Jaisalmer, Rajasthan for captive consumption by Manufacturers of Cement, Power and Steel after re-handling of sub grade material {high quality fines (5-30 mm size)} dumped by backfilling and stored in mined out pit after the recovery of low silica high grade (+30MM) SMS grade Limestone by suitable means. Accordingly, RSMML invites offers from interested manufacturers for the aforesaid purpose on the basis of highest facilitation fee quoted by them. Sale or trading of Limestone procured from the company will not be allowed in any circumstances. |
| 2 | Section-I & 1.9(i) | The successful bidder shall carry out re-handling of back filled dump for recovery and separate stacking of plus (+) 30 MM and (-) 30 MM Limestone after excavation and screening from offered area and arrange transportation and loading of Limestone by deploying man with machine at its own cost. RSMM shall have exclusive right over +30MM limestone/material recovered and stacked separately during the process |
| 3 | Section-I & Clause 1.9 (v) | The bidder shall submit the sieve analysis report on daily basis for the limestone re-handled and the sieve analysis should clearly mention the daily ROM handled, generated sub-grade (+5 to -30 MM), generated main grade (+30 MM) and (-) 5 MM grade. In case bidder desire to lift the (-) 5 MM grade, bidder shall take permission from RSMM and provide a tentative lifting plan to lift the (-) 5 MM limestone mineral reject. The (-) 5 MM limestone shall be sold on same prevailing facilitation fees & terms as mentioned for +5 MM to 30 MM. |
