Any damage caused by the spreading of such fire, whether in or beyond the limits of the Company's property shall be made good by the contractor within a period specified by the Engineer-in-charge or on default the amount of the damage may be made good by the Engineer-in-charge the expense being recovered from the contractor as damages in the manner prescribed in clause I, or deducted by the Engineer-in-charge from any sums that may be due or become due from the Company to the contractor under this contract or otherwise.

The contractor shall bear the expenses of defending any action law proceedings that may be brought by any person for injury sustained owing to neglect or precautions to prevent spread of fire and shall pay any damages and cost that may be awarded in consequences.

#### **4.23 Recovery of claim against the contractor**

Whenever any claim against the contractor for the payment of a sum of money arises out of or under the contractor the company shall be entitled to recover such sum by appropriating, in part or whole, the security deposit of the contractor. In the event of the

security being insufficient or if no security has been taken from the contractor, then the balance or the total sum/recoverable, as the case may be, shall be deducted from any sum then due or which at any time thereafter may become due from the contractor under this or any other contract with the company. Should this sum be not sufficient to cover the full amount recoverable, the contractor shall pay to Company, on demand the balance remaining.

#### **4.24 Technical Examination & Audit**

The Company shall have right to close an audit and technical examination of the works and the final bills of the contractor including all supporting vouchers, abstract etc. to be made after payment to the final bill and if as a result of such Audit and technical examination any sum is found to have been over paid in respect of any work done by the contractor under the contract or any work claimed by him to have been done by him under the contract and found not to have been executed, the contractor shall be liable to refund the amount of over payment and it shall law full for the company to recover the same from him in the manner prescribed elsewhere in the tender or in any other manner legally permissible and if it is found that the contractor was paid less then that was due to him under the contract in respect of any work executed by him under it the amount of such under-payment shall be duly paid by the Company to the Contractor.

#### **4.25 Force Majeure**

Neither the contractor nor RSMML shall be considered to be in default in the performance of their respective obligations under this contract, if such performance is prevented or delayed because of the conditions constituting force majeure which shall include but not limited to notices from the, Statutory Authorities, Civil Commotion, Fire Accidents, Epidemics, War, Flood, Acts of Gods or because of any law, order, proclamation or ordinance of any Government or any authority thereof or for any other cause beyond reasonable control of the party affected, provided notice of such cause is given in writing by the party affected within 14 days of the happening of the event. In case it is not possible to serve the said notice within the said period of 14 days then within the shortest possible period. Power cuts/ Partial power failure/ interruption shall not be construed as force majeure for this purpose and the same shall not affect in any way the performance of the contract. As soon as the cause of force majeure has been removed, the party whose ability to perform its obligation has been affected shall notify the other of such cessation. Should one or both parties be prevented from fulfilling their contractual obligations by state of Force Majeure lasting for a continuous period of three months, both the parties will consult each other and decide about the future course of action regarding the contract.

### **Additional conditions of Contract**

#### **1. Correction of arithmetical errors**

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of financial Bids on the following basis:

- i. if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.
- ii. if there is an error in total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. if there is a discrepancy between words and figures, the amount in words shall prevail unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

#### **2. Procuring Entity's Right to Vary Quantities**

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed fifty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 50% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.
