All templates, forms, moulds, centering, false work and models which in the opinion of the Engineer-in-charge are necessary for the proper and workman like execution of the work shall be provided by the contractor free of cost.

### **3.14 Subletting of Contract**

The contract shall not be assigned or sublet without the written approval of the Engineer- in-charge and if the contractor shall assign or sublet his contract or attempt to do so or becomes insolvent or commences any insolvency proceedings or make any composition with the creditors or attempts to do so or any bribe, gratuity, gift, loan requisite reward or advantage, pecuniary or otherwise shall either directly indirectly be given, promised or offered by the contractor or any of his servants or agents to any employee of the Company in any way relating to his office or employment, or if any such officer or person shall become in any way directly or indirectly interested in the contract, the Engineer-in- Charge may thereupon by notice in writing rescind the contract, and the security deposit of the contractor shall thereupon stand forfeited and be absolutely at the disposal of the company and the same consequences shall endure as if the contract had been rescinded under the relevant clause and in addition the contractor shall not be entitled to recover or being paid for any work therefore actually performed under the contract.

### **3.15 Lump sum Work.**

When the contract includes lump sum in respect of the parts of the work, the contractor shall be entitled to payment in respect of the items of work involved or the part of the work in question at the same rates as are payable under the contract for such items or if the part of the work in question is not in the opinion of the Engineer-in-charge capable of measurement the Engineer-in-charge may in his discretion pay the lump sum amount entered in the contract and the certificates in writing of the Engineer-in-charge shall be final and conclusive against the contract with regard to any sum or sums payable to him under the provisions of the clause.

### **3.16 Works for which specification not mentioned**

In the case of any class of work for which there is no such specification is mentioned in tender, such work shall be carried out in accordance with the detailed specifications and in the event of there being no specifications work will be carried out in all respects and also in accordance with the instructions and requirements of the Engineer-in-charge.

### **3.17 Reduced Rates**

In cases where the items of work are not accepted as so complete, the Engineer-in-charge may make payment on account of such items at such reduced rates as he may consider reasonable in the preparation of final or on account bills.

### **3.18 Progress to accommodate working of other contractors**

If the progress of the work has fallen as much in arrears as to prevent other contractors on the work from carrying out their part of the work within the

stipulated time, he will be liable for the settlement of any claim put in by any of these contractors for the expenses of keeping their labour unemployed to the extent considered reasonable by the Engineer-in-charge.

### **3.19 Employees of the contractor**

The Engineer-in-charge may require the removal within twenty four hours by the contractor of any, agent, Engineer, Overseer, Foreman, Workman or other person employed by him on the work contracted for and in the event of the contractor refusing or neglecting to comply with such requisition no further payment will be made on account of the work until the said removal is carried out and the Company shall not be liable for any compensation whatsoever.

### **3.20 Dismantling & Disposal thereof**

Contractor in course of the work should understand that all materials e.g. stone and other materials, obtainable in the work of dismantling etc. will be disposed off as directed by the Company.

### **3.21 Recovery of claim against the contractor**

Whenever any claim against the contractor for the payment of a sum of money arises out of or under the contract the company shall be entitled to recover such sum by appropriating, in part or whole, the security deposit of the contractor. In the event of the security being insufficient or if no security has been taken from the contractor, then the balance or the total sum/recoverable, as the case may be, shall be deducted from any sum then due or which at any time thereafter may become due from the contractor under this or any other contract with the company. Should this sum be not sufficient to cover the full amount recoverable, the contractor shall pay to Company, on demand the balance remaining.

### **3.22 Technical Examination & Audit**

The Company shall have right to close an audit and technical examination of the works and the final bills of the contractor including all supporting vouchers, abstract etc. to be made after payment to the final bill and if as a result of such Audit and technical examination any sum is found to have been over paid in respect of any work done by the contractor under the contract or any work claimed by him to have been done by him under the contract and found not to have been executed, the contractor shall be liable to refund the amount of over payment and it shall law full for the company to recover the same from him in the manner prescribed elsewhere in the tender or in any other manner legally permissible and if it is found that the contractor was paid less than that was due to him under the contract in respect of any work executed by him under it the amount of such under-payment shall be duly paid by the Company to the Contractor.

### **3.23 Force Majeure**

Neither the contractor nor RSMML shall be considered to be in default in the performance of their respective obligations under this contract, if such performance is prevented or delayed because of the conditions constituting force

majeure which shall include but not limited to notices from the, Statutory Authorities, Civil Commotion, Fire Accidents, Epidemics, War, Flood, Acts of Gods or because of any law, order, proclamation or ordinance of any Government or any authority thereof or for any other cause beyond reasonable control of the party affected, provided notice of such cause is given in writing by the party affected within 14 days of the happening of the event. In case it is not possible to serve the said notice within the said period of 14 days then within the shortest possible period. Power cuts/ Partial power failure/ interruption shall not be construed as force majeure for this purpose and the same shall not affect in any way the performance of the contract. As soon as the cause of force majeure has been removed, the party whose ability to perform its obligation has been affected shall notify the other of such cessation. Should one or both parties be prevented from fulfilling their contractual obligations by state of Force Majeure lasting for a continuous period of three months, both the parties will consult each other and decide about the future course of action regarding the contract.

**Additional conditions of Contract**

**1. Correction of arithmetical errors**

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of financial Bids on the following basis:

- i. if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.
- ii. if there is an error in total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. if there is a discrepancy between words and figures, the amount in words shall prevail unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

**2. Procuring Entity's Right to Vary Quantities**

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed fifty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 50% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.
