 - ii. If the tenderer does not submit the prescribed Bank Guarantee or Demand Draft as security deposit within scheduled period .
 - iii. If the tenderer does not execute the agreement, in the prescribed form within one month of the date of work order/LOA issued in favour of tenderer.
 - iv. If it is established that the tenderer has submitted any wrong information/ forged documents along with the tender or thereafter.
 - v. If tenderer doesn't form the society before commencement of work.
 - vi. If the work is not commenced in accordance with the provision of tender.

VALIDITY:

- 3.34 Tender submitted by tenderer shall remain valid for acceptance for a period **120 (One Hundred Twenty) days** from the date of opening of the tender (Part I of the offer). An offer with a validity period of less than 120 (One Hundred Twenty) days is liable to be rejected.
- The tenderer on its own shall during the period of 120 (One Hundred Twenty) days or in extended period cancel and/or withdraw his tender nor shall he make any variation therein. In case of tenderer revoking, canceling, modifying and/or withdrawing his bid during the validity of bid, the earnest money deposited by him along with tender shall stand forfeited and tender will not be considered for further evaluation.
- In exceptional circumstances, prior to expiry of the original time limit, the Company may request the tenderer to extent period of validity for a specified additional period. The request and the tenderer's responses shall be made in writing. A tenderer if agreeing to the request will not be required or permitted to modify his bid.

EXAMINATION OF BIDS AND DETERMINATION OF RESPONSIVENESS:

- 3.35 Prior to the detailed evaluation of Bids, the Company will determine whether each Bid:
- i) Meets the eligibility criteria
 - ii) Is accompanied by the required securities; and
 - iii) Is substantially responsive to the requirement of the Bidding documents.
- 3.36 A substantially responsive Bid is one, which confirms to all the terms, condition, and specification of the Biding documents without material deviation or reservations. A material deviation or reservation is one:

- i) Which affects in any substantial way the scope, quality, or performance of the work; and/or
- ii) Which limits in any substantial way, inconsistent with the Bidding documents, the Company's right or the Bidder's obligation under the contract; and/or
- iii) Whose rectification/acceptance would affect unfairly the competitive position of the other Bidders presenting substantially responsive Bids?

EVALUATION OF TECHNO-COMMERCIAL BID:

- 3.37 The techno-commercial bids of substantially responsive tenderer's will be evaluated from all aspects. The RSMML reserves the right to assess the capability and competency of the tenderer based upon the information provided by the tenderer in the techno-commercial bid and the information that may otherwise be available to and/or gathered by the RSMML. The decision of the RSMML as to which tenderer is capable & competent to carry out the work shall be final. The tenderer should, therefore, see that he has required level of technical, financial & managerial competence & experience before submitting the tender.
- 3.38 If a Bid is not substantially responsive, it may be rejected by the Company at its sole discretion.
- 3.39 The tenderer shall be prepared to furnish clarification/information and attend meetings/discussion as required by the company from time to time.

CRITERIA FOR EVALUATION OF REASONABILITY/ WORKABILITY OF OFFERED RATE BY THE TENDERER:

- 3.40 The reasonability of the tendered rate as offered by the bidders would be judged through the breakup of cost (as furnished by the tenderer in Form 8 with the price bid) taking into consideration the factors like proposed numbers of equipment, vehicles & manpower to be deployed, fuel consumption etc.
- 3.41 During process of price evaluation, if the company finds that the offered rate is not workable rate &/or the contractor would even not be able to achieve breakeven point, then it will be considered as non response bid & shall be liable for rejection.
- 3.42 Further, in case it is found that any bidder has quoted abnormally low rates & attempting to vitiate the tendering process then the company reserves its right to forfeit the EMD & debar such bidder for participating in future tenders of the company at its sole discretion.

CORRECTION OF ERRORS IN PRICE BID:

- 3.43 Price Bid (Part-II) of substantially responsive will be checked by the Company for any arithmetical errors. Errors will be corrected by the Company as follows:
- a) Where there is discrepancy between the amounts in figures and in words, the lower of the two would be taken; and
 - b) Where there is discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern; and
 - c) Discrepancy in totaling or carry forward in the amount quoted by the contractor shall be corrected. The tendered sum so corrected and altered shall be

substituted for the sum originally tendered and considered for acceptance instead of original sum quoted by the tenderer.

- 3.44 The amount stated in the Bid will be adjusted by the Company in accordance with the above procedure for the correction of errors and, shall be considered as binding upon the Bidder.
- 3.45 Price Bid (part-II) of techno-commercially acceptable tenders shall only be opened. Only such short listed tenders will be informed about the date and time of opening of the price bids.

PROCESS TO BE CONFIDENTIAL:

- 3.46 Information, relating to the examination, clarification, evaluation and comparison of Bids and recommendations for the award of a contract shall not be disclosed to the Bidders or any other person not officially concerned with such process. Any efforts by a Bidder to influence the Company's processing of Bids or award decision may result in rejection of his bid.
- 3.47 The tenderer may note that indulgence in submitting unsolicited offers or submitting unsolicited correspondence after submission of bid is liable to debar him from participating in RSMML tenders.

NOTIFICATION OF AWARD AND SIGNING OF AGREEMENT:

- 3.48 The tenderer, whose Bid has been accepted, will be notified of the award by the Company, through postal communication or through facsimile confirmed by registered letter/speed post. This letter (hereinafter and in Conditions of Contract called the "Letter of Acceptance" will state the sum unit that the Company will pay to the Contractor in consideration of the execution and completion of the Works by the Contractor as prescribed in the Contract .
- 3.49 The notification of award will constitute the formation of Contract. The execution of agreement as per clauses below would be the formalization of agreement that was commenced with the issuance of LOA.

3.50 Interference with procurement process

5.01 INTRODUCTION:

The Company is involved in the mining, beneficiation, processing and marketing of various minerals like Phosphate, Limestone, Gypsum, Selenite and Lignite etc.

5.02 LOCATION OF SITE AND OTHER FEATURES:

Office of Lunkaransar Salenite Mines is situated on Bikaner-Suratgarh National highway No.15 & at a distance of about 72 Kms from District Headquarter Bikaner. The nearest railway station (BG) is at Lunkaransar. The most of the selenite bearing areas falls in Government land & having selenite to OB thickness ratio upto 1:4. Average thickness of ROM Selenite around 1.50 feet .The selenite is available in crystalline form, which are embedded in clayed matrix (very sticky nature) in ROM selenite. The size of selenite crystals varies from one millimeter to four-five centimeter. The selenite is water bearing strata. The experiment data shows that one cubic meter volume of ROM Selenite is around 1.50 MT & produce around 0.50 MT washed & dried selenite.

5.03 PREQUALIFICATION CRITERIA:

The tenderer shall be pre-qualified on the basis of the following criteria:

- i) The tenderer should have minimum turnover of **Rs. 10.00 Lacs** in any one of the immediate three preceding financial years 2020-21,2021-22 and 2022-23.

- 5.28.11 In case of lesser demand and sale requirement the company at its sole discretion , may also consider making advance payment up to 70% of the stock

5.29 **ESCALATION/DE-ESCALATION:**

The diesel consumption of 1.50 Liter per MT of dispatched washed & dried Selenite i. e. finished product for entire work including removal of overburden, interburden, waste material, raising of Selenite bed, internal transportation, unloading ,loading of finished product as specified in the tendered scope of work shall be taken as norm to work out the effect of change in diesel rate. The price of diesel (HSD) of IOCL at Bikaner @ ----- liter shall be considered as based price for this purpose. Since the price of diesel changes on daily basis the diesel rate prevailing on the 15th of every month shall be considered for computation of escalation/de-escalation. In case of any variation in the base rate of diesel, then as per above consumption norms, the revised contract rate will be computed.

5.30 GOODS AND SERVICE TAX:

- I. The rate quoted by the bidder will be exclusive of Goods & Service Tax (GST). However, the rates will be inclusive of any other levies and duties, as applicable on this contract (up to last date of submission of bid).
- II. The rates quoted shall be on firm price basis during the pendency of the contract period and the contractor shall not be eligible for any escalation (except as mentioned in the tender document) in rates on whatsoever ground.
- III. Timely deposition of GST and filing of requisite tax returns of relevant tax period would be the sole responsibility of the contractor. The contractor will also ensure that necessary credit on this account is available to RSMML in the next month. In case of any discrepancy where credit is not available to RSMML then company is free to deduct/recover/retain such amount from the bills of contractor or any other amount due to him/ or from Security deposit, as the case may be.
- IV. In case of reversal of Input Tax Credit (ITC) and imposition of penalty on account of payment of GST and default in filing of returns towards the payment for the work, contractor is liable to pay all such dues to the company, failing which RSMML is free to deduct/recover/ retain such amount from the bills of contractor or any other amount due to him/ or from Security deposit, as the case may be.

VARIATION IN STATUTORY TAXES, DUTIES & LEVIES:

- 5.31 All duties/ levies as are applicable should be taken into consideration while making the offer. Ignorance in it shall not qualify for any additional payment. Any variation in the statutory Taxes, Duties & levies or imposition of fresh levies or withdrawal of any existing levy directly applicable on the work, as imposed/ withdrawal by the respective Governments, after the date of submission of tender as reflected in the bills raised by the contractor on to the Company shall be to the account / payable to the Company. The Contractor/Company will claim reimbursement of such liability, supported by documentary evidence.

5.32 OTHER ESCALATION:

Apart from above & variation in statutory taxes, duties & levies as mentioned above in the tender no other escalation shall be payable to the contractor during the currency of the contract.

5.33 RUNNING ACCOUNT PAYMENTS TO BE REGARDED AS AN ADVANCE:

- 5.33.1 All running account payment (progressive payment) shall be regarded as payments by way of advance against the final payment only and not as payments for work/s actually done and completed.
- 5.33.2 The final bill shall be submitted by the contractor within 75 (Seventy Five) days from the date of his request for the completion certificate of the work, otherwise the Engineer-in-Charge's certificate of the measurement and of total amount payable for the work accordingly shall be final and binding on the Contractor.

PAYMENT OF CONTRACTOR'S BILL:

5.34 Unless otherwise specifically provided, running account payment (progressive payment) will be made to the contractor by the company keeping in view the quantum of work done and measured, approved and certified as aforesaid. Company shall be entitled to deduct Income Tax & such other taxes at source from the bills of the contractor as may be required by any department of State/ central Govt. or any other statutory body including advances paid to the Contractor. The Contractor, on submitting the bill for the work done, is entitled to receive a monthly payment subject to approval and passing of the same by the GGM (Gypsum). The Company shall make payment due to the Contractor by crossed Account Payee Cheques/ Pay advice. In no case will the Company be responsible if the cheque is misplaced or misappropriated by un-authorized person/s. In all cases, the Contractor shall present his bill duly pre-receipted on proper revenue stamp.

5.35 RECEIPT OF PAYMENT:

Receipt of payment made must be signed by a person authorized holding power of attorney in this respect on behalf of the contractor.

5.36 WITHHOLDING PAYMENT TO CONTRACTOR AND COMPANY'S LIEN ON MONEY DUE TO THE CONTRACTOR:

5.36.1 Progressive payment at any time may be withheld or reduced if, in the opinion of the company the Contractor is not diligently and efficiently endeavoring to comply with the terms of the contract or if the Contractor fails to pay his labour, for material and other bills as they become due. The company shall in no way be responsible for such withholding of payments.

5.36.2 The company shall have lien on all amounts that may become due and payable to the Contractor under this or any other contract or transaction of any nature whatsoever between the Company and the Contractor and the security deposit, bank guarantee etc. furnished by him under the contract for or in respect of any debit or sum that may become due and payable to the Company by the contractor either alone or jointly with any other or others either under this or any other contract or transaction of any nature whatsoever between the Company and the Contractor, unless the contractor pays and clears the claim in full immediately on demand to the company.

5.37 CLOSING OF THE CONTRACT:

Within 70 (Seventy) days of the completion of the work in all respects, as defined in the contract document, the Contractor shall be required to obtain completion certificates from the Engineer-In-Charge.

5.38 APPLICATION FOR COMPLETION CERTIFICATE:

When the Contractor fulfils all his / its obligations under the contract to the satisfaction of Engineer-In-Charge and subject to terms & conditions of the contract he/it shall be eligible to apply for completion certificate. The application

along with following documents and any other document/ information etc. as required by the Engineer-In-Charge for his satisfaction, are required to be submitted to the Engineer-In-Charge.

- (i) Handover all mineral crude Selenite / finished products of screened & dried Selenite lying stockyard or other places in Mines premises.
- (ii) Obtain No Dues certificate from concerned Mines Manager.
- (iii) Contractor shall submit the No claim in favour of company that No claim has been due towards the company and he will not claim any dues after the closure of the contract.
- (iv) Indemnification Bond on appropriate value of Non-Judicial stamp paper.
- (v) A certificate to the effect that no outstanding claims/ payments are due to the persons employed by the contractor or his sub-contractor.
- (vi) Details of PF deposited by the Contractor.
- (vii) Two sets of Statement of reconciliation of payment of progressive bills & recovery if any.
- (viii) Certificate of satisfactory execution of the contract from the Engineer-In-Charge

5.39 The Engineer-In-Charge shall formally issue completion certificate within 60 (Sixty) days on receiving application from the Contractor, after verifying from the completion documents including measurement record etc and satisfying himself that the work has been completed in accordance with all the provisions of this contract and as set out in the drawings/ specifications etc and instructions issued to the Contractor by the Company and the DGMS or other statutory authority from time to time.

5.40 The contractor, after obtaining the completion certificate, is eligible to present the final bill for the work executed by him/it under the contract. The final bill shall be submitted by the contractor within 15 days from the date of issue of completion certificate, otherwise the Engineer-In-Charge's certificate of the measurement and of total amount payable for the work accordingly shall be final and binding on the contractor.

5.41 FINAL CERTIFICATE:

Upon expiry of the period of liability and subject to the Engineer-In-Charge being satisfied with the work or works having been duly performed by the Contractor and the Contractor having fulfilled all his obligations under the contract, the Group General Manager of SBU&PC-Gypsum, Bikaner shall give a certificate hereinafter referred to as the 'Final Certificate' and the contractor shall not be considered to have fulfilled all of his/its obligations under the contract until Final Certificate shall have been given by the Group General Manager.

5.42 FINAL PAYMENT AND RELEASE:

5.42.1 On completion of the work and issuance of completion certificate, the contractor shall submit his / its final bill indicating the gross and net amount payable. On receipt of this, the Company shall verify the same, determining the total value of the work done of the contract and after deducting all the sums already paid to him/it and/due to the company on any account and such further sums as the company on any account and such further sums as the company is already authorized or required to reserve or retain on the terms of the contract or otherwise, make over to the contract as his final payment subject to the Contractor furnishing a certificate to the effect that he has no further claim of whatsoever nature or description on the Company.

- 5.42.2 All prior certificate quantities, claims etc. upon which running account payments may have been made, shall be subject to adjustment in Final bill.
- 5.42.3 No claim shall be made or be filled by the contractor and the company shall not be liable to pay any money to the contractor, except as specially provided for in the contract. Acceptance by the contractor of the final payment as aforesaid shall operate as estoppels and shall be, a release to the Company from all claims and liability to the contractor in respect of anything done or furnished by the contractor for or in relation to the work, or in respect of any act or omission of the company or the Engineer-in-charge or any other person relating to or effecting the work.
- 5.42.4 Final payment including the security deposit will be released to the contractor only on furnishing the Final Certificate by him/ it within one month.

Additional Conditions of Contract

1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- i. if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.
- ii. if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 25% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.
