VALIDITY

- 3.27 Tender submitted by tenderer shall remain valid for acceptance for a period 120 days, from the date of opening of the tender (Part I of the offer). An offer with a validity period of less than 120days is liable to be rejected. The tenderer on its own shall not during the said period of 120days or in extended period cancel and/or withdraw his tender nor shall he make any variation therein. In case of tenderer revoking, cancelling, modifying and/or withdrawing his bid during the validity of bid, the earnest money deposited by him along with tender shall stand forfeited, and tender will not be considered further evaluation.

In exceptional circumstances, prior to expiry of the original time limit, the Company may request the tenderer to extend period of validity for a specified additional period. The request and the tenderer's responses shall be made in writing. A tenderer if agreeing to the request will not be required or permitted to modify his bid.

EVALUTATION OF BIDS AND DETERMINATION OF RESPONSIVENESS

- 3.28 Prior to the detailed evaluation of Bids, the Company will determine whether each Bid:

Meets the eligibility criteria.
Has been properly signed;
Is accompanied by the required securities; and
Is substantially responsive to the requirements of the Bidding documents.

- 3.29 A substantially responsive Bid is one, which confirms to all the terms, conditions, and specification of the Biding documents without material deviation or reservations. A material deviation or reservation is one:
- i. Which affects in any substantial way the scope, quality, or performance of the work; and/or
 - ii. Which limits in any substantial way, inconsistent with the Bidding documents, the Company's right or the Bidder's obligation under the contract; and/or
 - iii. Whose rectification/acceptance would affect unfairly the competitive position of the other Bidders presenting substantially responsive Bids.

EVALUATION OF TECHNO-COMMERCIAL BID

- 3.30 The techno-commercial bids of substantially responsive tenderer's will be evaluated from all aspects The RSMML reserves the right to assess the capability and competency of the tenderer based upon the information provided by the tenderer in the techno-commercial bid and the information that may other wise be available to and/or gathered by the RSMML. The decision of the RSMML as to which tenderer is capable & competent to carry out the work shall be final. The tenderer should, therefore, see that he has required level of technical, financial & managerial competence & experience before submitting the tender.
- 3.31 If a Bid is not substantially responsive, the Company at its sole discretion may reject it.
- 3.32 The tenderer shall be prepared to furnish clarification/information and attend meetings/discussion/ as required by the company from time to time.
- 3.33 Price Bid (part II) only of techno-commercially acceptable tenders shall only be opened.

EVALUATION OF PRICE BID & CRITERIA FOR DECIDING L-1

- 3.34 The price bids of the techno-commercially acceptable tenderers will be evaluated to ascertain the relative status with respect to overall contract values for the total tendered quantity. Overall amount (contract value) payable for total tendered quantity will be calculated on the basis of the tendered quantity & the quoted rates in the "BOQ/Form 4". The tenderer whose quoted rate is resulting into the lowest financial outgo for the company will be considered as L1 bidder.

NEGOTIATIONS

- 3.35 Negotiations will be conducted with the lowest tenderer only. In case of non-satisfactory achievement of rates from lowest tenderer, RSMML may choose to make a written counter offer to the lowest tenderer and if this is not accepted, RSMML may decide to reject and re-invite fresh tenders or to make the same counter-offer first to the second lowest tenderer, then to the third lowest tenderer and so on in the order of initial bidding, and work order be awarded to the tenderer who accepts the counter offer.
- 3.36 In the case, when the quotations given by the tenderer during negotiations is higher than the original quotation of the tenderer then the tenderer will be bound by the lower rate originally quoted by the tenderer.

- 3.37 In case of negotiations, representative of the tenderer attending negotiations must possess written authority from the tenderer to the effect that he is competent to modify/amend the submitted tender deviations and rates offered by them

CORRECTION OF ERRORS

- 3.38 Price Bid (Part – II) of substantially responsive will be checked by the Company for any arithmetical errors. Errors will be corrected by the Company as follows:

Where there is discrepancy between the amounts in figures and in words, the lower of the two would be taken ; and

Where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern; and

Discrepancy in totalling or carry forward in the amount quoted by the contractor shall be corrected. The tendered sum so corrected and altered shall be substituted for the sum originally tendered and considered for acceptance instead of original sum quoted by the tenderer.

- 3.39 The amount stated in the Bid will be adjusted by the Company in accordance with the above procedure for the correction of errors and, shall be considered as binding upon the Bidder.

4.15 USE OF COMPLETED PORTIONS:

Whatever, in the opinion of the Company the work or any part thereof is in a condition suitable for use and in the best interest of the Company requires use, the company may take possession thereof, or use the work of such part thereof. Prior to the date of final acceptance of work all necessary repairs and renewals etc. in the work or part thereof shall be at the expenses of the Contractor.

All necessary repairs and renewals in the work or part thereof, shall be at the expenses of the Contractor. The use by the Company of the work or part thereof as contemplated in this clause shall in no case be construed upon constituting acceptance of the work or any part thereof. Such use shall neither relieve the Contractor of any of his responsibilities under the contract, nor act as a waiver by the Company of the conditions thereof. However, if in the opinion of the Company the use of the work or part thereof delays the completion of the remainder of the work, the Company may grant such extension of time as it may consider reasonable if so requested by the Contractor. The decision of the Company in the matter shall be final and binding on the Contractor. The Contractor shall not be entitled to claim any damages, compensation on account of such use by the Company.

All the works shall be executed in strict conformity with the provisions of the contract documents and with such explanatory detailed drawings, maps, specifications and instructions as may be issued from time to time to the contractor by the Engineer-in-Charge whether specifically mentioned in the contract or not. The contractor shall be responsible for ensuring that works throughout are executed in most substantial, proper and workmanship like manner with the quality of material and workmanship in strict conformity with the specifications, drawings, time schedule, sequence of operation etc. and to the entire satisfaction of the Engineer-in-Charge. The work in the mining areas shall be done strictly in accordance with the provisions of Mines Act 1952, Metalliferous Mines Regulations 1961 and directives issued from time to time by the Directorate General of Mines Safety and/or other statutory authority.

4.16 COORDINATION AND INSPECTION OF WORK:

The co-ordination and inspection of the day to day work under the contract shall be the responsibility of the Engineer-in-Charge. The instructions regarding any particular job will normally be issued by the Engineer-in-Charge or his authorised representative.

In order to provide for the complete and proper co-ordination of all phases of work the Contractor shall co-operate to the full extent with the other contractors, working in the area and the departmental work of the Company being executed in other areas of the mine. The Contractor shall confer with Engineer-in-Charge regarding details, pertinent to phases of work which may affect the work to be performed under the contract and shall so schedule and carry out his work in such a manner as to avoid interference with the facilities and the work of other contractor/s and departmental work of the Company.

4.17 WORK IN MONSOON*:

The scrapping of solids from nallahs & transportation of scrapped solids to designated dump(s) work may entail working in the monsoon also. No extra rate will be considered for such work in monsoon. During monsoon and other period, it shall be the responsibility of the Contractor to keep the work site free from water at his own cost. The contractor should plan the execution of work in monsoon season, well in advance. ***SPECIAL TERMS**

4.18 WORK ON WEEKLY DAY OF REST AND HOLIDAYS:

Subject to the compliance of legal provisions, and conditions of service of workmen for carrying out work on the weekly day of rest and holidays, the Contractor will approach the Engineer-in-Charge or his representative and obtain prior permission. No extra payment will be considered for working on weekly day of rest and other holidays.

4.19 OTHER CONDITIONS, EXTRA HOURS ETC:

The working time at the site of work is 48 hours per week. Extra hours work may be permitted in case of need with the prior approval of Engineer-in-Charge and company will not compensate the same. The provisions of Contract (R&A) Act 1970 and Minimum Wages Act 1948, payment of Wages Act 1936 & rules made there under etc. should be kept in view, while detailing matters like wages, working hours, extra hours etc. The Compliance of the provisions of these and other applicable acts and rules made thereof has to be ensured by the Contractor at his own cost.

4.20 MATERIALS TO BE SUPPLIED BY CONTRACTOR

The Contractor shall procure and provide from his own source and at its own cost of the materials, tools, tackles, equipment, stores materials etc. required for the execution and completion of the works.

If, however, in the opinion of the Engineer-in-Charge the execution of the work is likely to be affected/delayed due to the Contractor's inability to make arrangements for supply of materials the Company shall have the right, at his own discretion, to arrange such materials from the market or elsewhere and the Contractor will be bound to pay for such materials to the Company at work site on issue rates plus ten(10) percent as storage, supervision charges thereon or at such market rates as may be decided by the Company which ever is higher. This, however, does not in any way absolve, the Contractor from his/its responsibility of making of his own independent arrangements for the supply of such materials in part or in full. This shall in no way affect the time schedule or cause delay in the execution of the works. The Contractor shall provide all necessary materials, equipment and labour etc for the execution and maintenance of the works until final completion thereof.

4.21 DISCREPANCIES BETWEEN INSTRUCTIONS:

Should any discrepancy occur between the various instructions furnished to the Contractor, his agents or staff or any doubt arising as to the meaning of any instructions or should there be any misunderstanding between the Contractor's staff, the Contractor shall refer the matter immediately in writing to the Engineer-in-Charge whose decision thereon shall be final and conclusive and no claim for losses alleged to have been caused by such discrepancies shall in any case be admissible.

4.22 INSPECTION OF WORKS:

The Engineer-in-Charge or his authorised representative will have full powers and authority to inspect the works in progress at any time and the Contractor shall afford or procure for the Engineer-in-Charge/Engineer every facility and assistance, to carry out such inspections. The Contractor shall, at all time during the usual working hours and at all other times of which reasonable notice of the intention of the Engineer-in-Charge or his representative to visit the works shall have been given to the Contractor, whether himself be present to receive orders and instructions or have a responsible agent duly accredited in writing present for the purpose. Orders given to the Contractor's agent shall be considered to have the same force as if they had been given to the Contractor himself/itself.

4.23 CONTRACTOR'S SUBORDINATE STAFF AND THEIR CONDUCT:

The contractor shall have the sole and exclusive responsibility for supervision of the work by experienced persons. The work shall be executed by the Contractor with his/their best skill, attention and supervision. The Contractor shall also employ and

engage to the satisfaction of the Engineer-in-Charge sufficient staff to execute and supervise the execution of the works, in such manner as will ensure work of the best quality and expeditious working. Whenever in the opinion of the Engineer-in-Charge additional and sufficiently staff is considered necessary, they shall be employed by the Contractor without additional charge on account thereof.

Whenever any of the Contractor's employees shall in the opinion of the Engineer-in-Charge be found to be guilty of any misconduct or be incompetent or negligent in the performance of their duties or that in the opinion of the Company and/or the Engineer-in-Charge, it is undesirable for administrative or any other reason for such person or persons to be employed on the works, the Contractor, if so directed by the Engineer-in-Charge, shall at once remove such person or persons from employment thereon. Any person or persons so removed from the works shall be immediately replaced at the expenses of the Contractor by a competent substitute. Should the Contractor be requested to repatriate any person removed from the work, he shall do so and shall bear all costs/compensation in connection therewith.

The Contractor shall be responsible for the proper conduct and behaviour of all the workmen and others and shall exercise a proper degree of control over them and in particular and without prejudice to the aforesaid, generally the Contractor shall be bound to prohibit and prevent any employees from trespassing or acting any way detrimental or prejudicial to the interest of the community or of the properties or occupiers of lands and properties in the neighbourhood and in the event of such employee so trespassing, the Contractor shall be responsible thereof and relive the Company of all consequent claims or actions for damages or injury or any other grounds, whatsoever.

4.24 DAMAGE TO PROPERTY:

The Contractor including his sub-contractor/s, if any, shall be responsible for making good at his cost to the satisfaction of the Company any loss or any damage to buildings, structures, equipment, installations, properties etc, belonging to the Company or being executed or procured or being procured by the Company or of other agencies within the premises of the Company, if such losses or damages is due to fault and/or negligence or wilful acts, omission, and/or any other reason whatsoever of the Contractor and/or his sub-contractor/s, their employees, agents, representative etc.

4.25 RIGHTS OF VARIOUS INTERESTS:

The Contractor shall co-operate and afford other contractors reasonable opportunity of access to the works for the carriage and storage of materials and execution of their works.

Whenever the work being done by any department of the Company or by other Contractors employed by the Company is contingent upon work covered by this contract, the respective rights of the various interest involved shall be determined by the Engineer-in-Charge to secure the completion of the various portions of the work in general harmony. The Contractor shall be bound by such determination by the Engineer-in-Charge without any claim for any additional payment, damages etc, whatsoever.

4.26 POWER OF ENTRY

During execution of Contract, if in the opinion of Engineer In-charge, it is found that:

- i) Contractor has failed to execute the Contract in conformity with contract document or

- ii) Contractor has substantially suspended work or the works for a continuous period of 3 days without permission from the engineer In-charge , or

5.12.1 The period of the contract shall be four (04) months from the date of issuance of the Letter of Acceptance (LOA). The work(s) shall be executed strictly as per time schedule by deploying adequate personnel, equipment etc.

5.12.2 The Contractor shall commence the work within a period of 7 days from the issuance of LOA.

5.12.3 However, the company reserves the right of termination of contract at any time without assigning any reason by giving a clear notice of fifteen days. Such termination shall not entitle the contractor for any claim whatsoever.

5.13 FAILURE & COMPENSATION

5.13.1 Time is essence of this contract. In case of failure to commence the work within the stipulated period, the company shall have absolute discretion to levy predetermined compensation @ 1% of the total contract value on weekly basis, if delay is on the account of contractor. In the event the compensation exceeds 2% of contract value, then other provisions including termination of contract, forfeiture of EMD/SD, withdrawal of DLOA shall apply at sole discretion of Company

5.13.2 Further if the contractor fails to excavate & transport cumulative total quantities as per the scheduled targets, as intimated to them from time to time, for the entire contract period, the Contractor shall be liable to pay compensation to the company at the rate of 01% (One percent) of the total value of the contract in addition to the compensation on shortfall as above. For determining the Penalty, the total value of contract shall be ascertained based on the RATES as offered and finally accepted multiplied by the TOTAL QUANTITIES for the entire contract.

5.13.3 The compensation/penalty as above is a genuine pre-estimate of the loss/damage which shall be suffered on account of delay/breach on the part of the Contractor and

the said amount will be payable on demand without demur or protest and without there being any proof of the actual loss or damage caused by such delay/breach. The Compensation/Penalty, if levied, shall be recovered immediately from the bills and/or Security Deposit and/or any amount due and payable to the contractor under this contract or any other contract.

- 5.13.4 The compensation/penalty so paid/and/or adjusted by the company shall not relieve the contractor from his/its obligations to complete the work under the contract or from any other obligations and liabilities under the contract.
- 5.13.5 Besides, failure of the contractor to work as per scheduled targets will also entitle the Company to get the work done by making alternative arrangements at the cost and expense of the contractor and to recover from it the full difference of cost in making restoration of working up to the quantity of work allotted to the another agency. In such event, the company shall be entitled to forfeit the whole or such portion of the security deposit as it may consider fit.
- 5.13.6 The contractor shall be liable to pay to the RSMML all costs, damage, charges, losses, etc., suffered or incurred or occasioned or sustained by the RSMML or by any other third party due to the negligent act or omission or un-workmen like performance of the contractor or its workmen or due to the breach of any of the terms of the contract or failure to carry out the work in accordance with contract by the contractor or its workmen. The decision of the RSMML in this respect shall be final and binding on the contractor. The recovery for any amount under this clause may be effected by the RSMML either from the running bills or from the security deposit or set off against any other dues of the contractor at the discretion of the RSMML.
- 5.13.7 The contractor shall make such satisfaction and pay compensation as may be assessed by a lawful authority in accordance with the law enforced on the subject for all damages, injury or disturbances which may be done by the contractor and shall indemnify and keep indemnified fully and completely, the RSMML against all claims which may be made by any person or persons in respect of any such damages, injury or disturbances and all cost and expenses in connection therewith.
- 5.13.8 Any amount due and payable to the contractor, including security deposit refundable to them under the contract, may be appropriated and set off by the RSMML against any claim or dues of the RSMML arisen or arising out of this contract or any other contract against the contractor.

5.14 **RIGHT TO REVIEW PERFORMANCE**

- 5.14.1 The company reserves the right to review and assess the performance of the work at any time during the contract period. In case of poor or unsatisfactory performance and/or breach of any terms and conditions of the contract, the company in its absolute rights and discretion may take appropriate action including termination of the contract.
- 5.14.2 The company shall have absolute right to determine and ascertain the damages or losses suffered by it due to poor performance or breach of the terms and recover the costs thereof from the contractor from the security deposit or any sum due to the contractor from the company.

5.15 RISK & COST

- 5.15.1 In the event of failure on the part of the contractor to execute the work as per time schedule and for such quantities as prescribed by the Company from time to time, the Company shall be entitled to engage other agency at the RISK & COST of the contractor.
- 5.15.2 Further, RSMML may require the contractor to improve the performance of work within seven days of the receipt of a notice by the RSMML and if the contractor fails to improve its performance on pro-rata basis within this period of seven days, then the RSMML may get the work done by other agency at the cost & risk of the contractor without any further notice. The Company shall also have absolute right to get the work done from any other agency at the risk and cost of the Contractor, in case, the contractor fails to perform the work continuously for more than 7 days.
- 5.15.3 The amount of such expense for engaging other agency at the RISK & COST of the contractor and/or damages shall be adjusted by the Company from the monthly bills of the contractor and any other amount payable to the contractor under this contract. The Company shall have full right to forfeit the whole security deposit and payment of other pending bills payable to the contractor for non fulfillment of the contractual obligations.

Chapter 3 - SCC

Only variation on account of change in the market price of diesel (HSD) will be considered for ascertaining escalation/ de-escalation on the price quoted & finally agreed. The price variation on account of change in diesel price for the work will be computed based on notional consumption of diesel (HSD) per MT of deposited solid scrapped, loaded, transported & unloaded as given below-

Solids from nallahs to designated dump(s) = 0.247 Liter/MT

5.21.2 The prevailing price of diesel (HSD) of IOCL ex-Udaipur i.e. **Rs 86.30 per Liter** (Date 09/02/2021) shall be taken and considered as base price for the purpose of computation of escalation/ de-escalation on the price quoted & finally agreed.

5.21.3 Admissible escalation/de-escalation shall be calculated as per formula given below -

$$ES/DES = Q \times N \times (P_1 - P_0)$$

Where –

- “ES/DES” means admissible escalation/de-escalation in rupees
- “Q” means quantity loaded & transported during specified period in MT
- “N” means notional consumption i.e. 0.247 Liter/ MT .
- “P₁” means prevailing price of diesel in Rs. Per liter on date 15th of every month

- “P₀” means base price of diesel in Rs. Per liter

5.21.4 Since as per the instruction of Govt. of India, the sale price of diesel varies on daily basis, the sale price applicable on 15th of every month at IOCL Udaipur will be considered as prevailing price of diesel. for the purpose of calculation of escalation.

5.21.5 No other escalation on any other ground shall be payable to the contactor except as mentioned in the tender document.

5.22 TERMS OF PAYMENT

A.) For obtaining running account payment the contractor will submit a bill in approved proforma in triplicate to the Engineer-In-Charge of the work/s giving abstract and detailed volume of solids removed as calculated by above formula are being scrapped, loaded & transported to designated dump(s) and any other items executed during a month (calendar) before the expiry of the first week of the succeeding calendar month along-with following details.

- i.) Abstract and detailed measurements (if required) for the various items executed during a month.

 - d) Indemnification Bond on Rs. 100/- Non Judicial stamp paper.
- ii.) The Engineer-In-Charge shall formally issue completion certificate within 60 days on receiving application from the Contractor, after verifying from the completion documents including measurement record etc and satisfying himself that the work has been completed in accordance with all the provisions of this contract and instructions issued to the Contractor by the Company.
- iii.) The contractor, after obtaining the completion certificate, is eligible to present the final bill for the works executed by him/it under the contract. The final bill shall be submitted by the Contractor within 15 days from the date of issue of completion certificate, otherwise the Engineer-In-Charge's certificate of the measurement and of total amount payable for the work accordingly shall be final and binding on the contractor.

5.27 FINAL CERTIFICATE:

Upon expiry of the period of liability and subject to the Engineer-in-charge being satisfied with the work or works having been duly performed by the Contractor and the Contractor having fulfilled all his obligations under the contract, the Group General Manager (SBU Head) shall give a certificate hereinafter referred to as the 'Final Certificate' and the contractor shall not be considered to have fulfilled all of his/its obligations under the contract until Final Certificate shall have been given by the Group General Manager.

5.28 FINAL PAYMENT AND RELEASE:

- 5.28.1 On completion of the work and issuance of completion certificate, the Contractor shall submit his/its final bill indicating the gross and net amount payable. On receipt of this, the Company shall verify the same, determining the total value of the work done of the contract and after deducing all the sums already paid to him/it and/due to the company on any account and such further sums as the Company on any account and such further sums as the Company is already authorized or required to reserve or retain on the terms of the contract or otherwise, make over to the contract as his final payment subject to the Contractor furnishing a certificate to the effect that he has no further claim of whatsoever nature or description on the Company.
- 5.28.2 All prior certificate quantities, claims etc, upon which running account payments may have been made, shall be subject to adjustment in the Final Certificate.
- 5.28.3 No claim shall be made or be filed by the Contractor and the Company shall not be liable to pay any money to the Contractor, except as specifically provided for in the contract. Acceptance by the Contractor of the final payment as aforesaid shall operate as estoppel and shall be, a release to the Company from all claims and liability to the Contractor in respect of anything done or furnished by the contractor for or in relation to the work, or in respect of any act or omission of the company or the Engineer-in-Charge or any other person relating to or effecting the work.

Additional Conditions of Contract**1. Correction of arithmetical errors**

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- i. if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.
- ii. if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity’s Right to Vary Quantities

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 25% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.
