Manager (Civil)
Jhamarkotra Mines, RSMML

LIMITED ENQUIRY TENDER DOCUMENT

GENERAL, SCOPE OF WORK, TERMS AND CONDITIONS

General:-

Jhamri Dam is located at a distance of about 40 kilometres from Udaipur besides a way from Udaipur to Jagat. Jhamri dam is a secured property of RSMML.

At present, very dense wild vegetation has grown up all over the area in side Jhamri Dam. Also, heaps of shredded leaves and cow dung is scattered all over the area causing smell and unpleasant environment. The external road leading to Jhamri dam has also shrunk due to wild vegetation grown over the berm, which needs to be removed

Objective of this work is to get the area cleaned and cutting of wild vegetation all over the area including edges of inside roads and walkable approach to dam body from over the hill. Also, moving of lawns is essentially required so as to create an acceptable environment for visitors of Jhamri Dam.

Scope of work:-

1. Cutting of unwanted bushes all along both side of the approach road to Jhamri Dam (from approx. 1 km before Jhamri Dam gate) and from Jhamri dam gate to the Dam body.
2. Bushes along road should be cleaned to such extent so as to provide clear vision to the motor vehicle driver. Preferably and to the extent possible these unwanted bushes should be uprooted.
3. Mowing of grass lawns. Grass lawns near Jhamri Dam guest house as well as the gardens at/near fish gardens are to be mowed with grass mower.
4. Branches of all the planted plants are to be pruned off evenly.
5. All the walkable portion such as lawns, walking pathways etc, should be cleaned off of the organic waste such as heaps of shredded leaves, wild fruits, cow dung, animal/bird's excreta etc.
6. All the deposited dust/waste should be removed from all paved area such as interlocking blocks, stone paved walkways & steps, wall copings, roads etc. so as to provide drainage to the flowing water in case of rain,
7. Cleaning of fish fountain.

8. Bush cutting along the pathway over the hill up to the Jhamri Dam body from fish garden.
9. Arrangement of all labour.
10. Arrangement of all tools-tackles for cleaning, handling and disposal of rubbish, cutting/trimming/pruning etc. of bushes and plants.
11. Arrangement of lawn mower and any other power equipment required for work.
12. Contractor has to deploy a JCB whenever and wherever, it is required to do so to get faster results in this limited time.

Time Schedule:

- 1 Contractor has to complete the work within 7 days from the date of issuance of work order.

Terms & Conditions:

- 2 Rate must be quoted for complete work as mentioned in scope of work on lump-sum basis and inclusive of all taxes, levies etc. except GST.
- 3 Security Deposit @ of 10% of gross value of work shall be deducted from running/final bills, which shall be released after 6 months from successful completion of work with satisfactory performance. No interest shall be payable on S.D.
- 4 This work is to be carried out at gated premises of Jhamri Dam. Therefore, entry of all the material and persons or the labour engaged should be recorded in the register kept at entrance with security guard.
- 5 Contractor shall be sole responsible for the safety of their staff.
- 6 Contractor has to take care for safety of his working staff and contractor has to submit an undertaking to RSMML regarding his sole responsibility in case of any accident during this work (if occurred). RSMML shall not be responsible for safety of working staff of contractor.
- 7 After completion of work, contractor has to submit bill/GST Invoice duly verified by EIC.
- 8 All statutory deductions including taxes shall be made from payment of bills.
