The contractor shall arrange to protect at his own cost in an adequate manner all stone work and other work requiring protection and to maintain such protection as long as work on the building is in progress. He shall remove and replace this protection as required by the Engineer-in-charge from time to time. Any damage to the work so protected, no matter how it may be caused shall be made good by the contractor free of cost.

All templates, forms, moulds, centering, false work and models which in the opinion of the Engineer-in-charge are necessary for the proper and workman like execution of the work shall be provided by the contractor free of cost.

3.14 Subletting of Contract

The contract shall not be assigned or sublet without the written approval of the Engineer-in-charge and if the contractor shall assign or sublet his contract or attempt to do so or becomes insolvent or commences any insolvency proceedings or make any composition with the creditors or attempts to do so or any bribe, gratuity, gift, loan requisite reward or advantage, pecuniary or otherwise shall either directly indirectly be given, promised or offered by the contractor or any of his servants or agents to any employee of the Company in any way relating to his office or employment, or it any such officer or person shall become in any way directly or indirectly interested in the contract, the Engineer-in-Charge may thereupon by notice in writing rescind the contract, and the security deposit of the contractor shall thereupon stand forfeited and be absolutely at the disposal of the company and the same consequences shall endure as if the contract had been rescinded under the relevant clause and in addition the contractor shall not be entitled to recover or being paid for any work therefore actually performed under the contract.

3.15 Lump sum Work.

When the contract includes lump sum in respect of the parts of the work, the contractor shall be entitled to payment in respect of the items of work involved or the part of the work in question at the same rates as are payable under the contract for such items or it the part of the work in question is not in the opinion of the Engineer-in-charge capable of measurement the

Engineer-in-charge may in his discretion pay the lump sum amount entered in the contract and the certificates in writing of the Engineer-in-charge shall be final and conclusive against the contract with regard to any sum or sums payable to him under the provisions of the clause.

3.16 Works for which specification not mentioned

In the case of any class of work for which there is no such specification is mentioned in tender, such work shall be carried out in accordance with the detailed specifications and in the event of there being no specifications work will be carried out in all respects and also in accordance with the instructions and requirements of the Engineer-in-charge.

3.17 Reduced Rates

In cases where the items of work are not accepted as so complete, the Engineer-in-charge may make payment on account of such items at such reduced rates as he may consider reasonable in the preparation of final or on account bills.

3.18 Progress to accommodate working of other contractors

If the progress of the work has fallen as much in arrears as to prevent other contractors on the work from carrying out their part of the work within the stipulated time, he will be liable for the settlement of any claim put in by any of these contractors for the expenses of keeping their labour unemployed to the extent considered reasonable by the Engineer-in-charge.

3.19 Employees of the contractor

The Engineer-in-charge may require the removal within twenty four hours by the contractor of any, agent, Engineer, Overseer, Foreman, Workman or other person employed by him on the work contracted for and in the event of the contractor refusing or neglecting to comply with such requisition no further payment will be made on account of the work until the said removal is carried out and the Company shall not be liable for any compensation whatsoever.

3.20 Dismantling & Disposal thereof

Contractor in course of the work should understand that all materials e.g. stone and other materials, obtainable in the work of dismantling etc. will be disposed off as directed by the Company.

3.21 Recovery of claim against the contractor

Whenever any claim against the contractor for the payment of a sum of money arises out of or under the contract the company shall be entitled to recover such sum by appropriating, in part or whole, the security deposit of the contractor. In the event of the security being insufficient or if no security has been taken from the contractor, then the balance or the total sum/recoverable, as the case may be, shall be deducted from any sum then

due or which at any time thereafter may become due from the contractor under this or any other contract with the company. Should this sum be not sufficient to cover the full amount recoverable, the contractor shall pay to Company, on demand the balance remaining.

3.22 Technical Examination & Audit

The Company shall have right to close an audit and technical examination of the works and the final bills of the contractor including all supporting vouchers, abstract etc. to be made after payment to the final bill and if as a result of such Audit and technical examination any sum is found to have been over paid in respect of any work done by the contractor under the contract or any work claimed by him to have been done by him under the contract and found not to have been executed, the contractor shall be liable to refund the amount of over payment and it shall law full for the company to recover the same from him in the manner prescribed elsewhere in the tender or in any other manner legally permissible and if it is found that the contractor was paid less than that was due to him under the contract in respect of any work executed by him under it the amount of such under-payment shall be duly paid by the Company to the Contractor.

3.23 Force Majeure

Neither the contractor nor RSMML shall be considered to be in default in the performance of their respective obligations under this contract, if such performance is prevented or delayed because of the conditions constituting force majeure which shall include but not limited to notices from the, Statutory Authorities, Civil Commotion, Fire Accidents, Epidemics, War, Flood, Acts of Gods or because of any law, order, proclamation or ordinance of any Government or any authority thereof or for any other cause beyond reasonable control of the party affected, provided notice of such cause is given in writing by the party affected within 14 days of the happening of the event. In case it is not possible to serve the said notice within the said period of 14 days then within the shortest possible period. Power cuts/ Partial power failure/ interruption shall not be consumed as force majeure for this purpose and the same shall not affect in any way the performance of the contract. As soon as the cause of force majeure has been removed, the party whose ability to perform its obligation has been affected shall notify the other of such cessation. Should one or both parties be prevented from fulfilling their contractual obligations by state of Force Majeure lasting for a continuous period of three months, both the parties will consult each other and decide about the future course of action regarding the contract.

ANNEXURE-D

The Rajasthan Transparency in Public Procurement Act, 2012 &

The Rajasthan Transparency in Public Procurement Rules, 2013

Annexure: a- Compliance with the Code of integrity and No Conflict of Interest

Any person participating in a procurement process shall:

- (a) not offer any bribe, reward or gift or any material benefit either directly or indirectly in exchange for an unfair advantage in procurement process or to otherwise influence the procurement process.
- (b) not misrepresent or omit that misleads or attempts to mislead so as to obtain a financial or other benefit or avoid an obligation.
- (c) not indulge in any collusion, Bid rigging or anti-competitive behavior to impair the transparency, fairness and progress of the procurement process;
- (d) not misuse any information shared between the procuring Entity and the Bidders with an intent to gain unfair advantage in the procurement process;
- (e) not indulge in any coercion including impairing or harming or threatening to do the same, directly or indirectly, to any party or to its property to influence the procurement process.
- (f) not obstruct any investigation or audit of a procurement process.
- (g) disclose conflict of interest, if any; and
- (h) disclose any previous transgressions with any Entity in India or any other country during the last three years or any debarment by any other procuring entity.

Conflict of Interest:

The Bidder participating in a bidding process must not have a Conflict of Interest.

A Conflict of Interest is considered to be a situation in which a party has interests that could improperly influence that party's performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws and regulations.

A Bidder may be considered to be in Conflict of Interest with one or more parties in a bidding process if, including but not limited to:

- a. have controlling partners/shareholders in common; or
- b. receive or have received any direct or indirect subsidy from any of them; or
- c. have the same legal representative for purposes of the Bid; or
- d. have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the Bid of another bidder, or influence the decisions of the Procuring Entity regarding the bidding process; or

- e. the Bidder participates in more than one Bid in a bidding process. Participation by a Bidder in more than one Bid will result in the disqualification of all Bids in which the Bidder is involved. However, this does not limit the inclusion of the same subcontractor, not otherwise participating as a Bidder, in more than one Bid; or
- f. the Bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the Goods. Works or Services that are the subject of the Bid; or
- g. Bidder or any of its affiliates has been hired (or is proposed to be hired) by the Procuring Entity as engineer-in-charge/consultant for the contract.

Annexure b: Declaration by the Bidder regarding Qualifications

In relation to my/our Bid submitted to _____ For procurement of _____ in response to their Notice Inviting Bids No. _____ Dated _____ I/We hereby declare under Section 7 of Rajasthan Transparency in Public Procurement Act, 2012, that:

1. I/we possess the necessary professional, technical, financial and managerial resources and competence required by the Bidding Document issued by the Procuring Entity.

Annexure-d: Additional Conditions of Contract

1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- (i) if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.
- (ii) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- (iii) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.
- (iv) If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 50% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.
