Detailed Notice Inviting Expressions of Interest (DEOI)

Rajasthan State Mines and Minerals Limited (RSMML) is one of the leading and progressive Undertaking of the Government of Rajasthan. It occupies a place of pride in production and marketing of non-metallic minerals of India. RSMML is multi mineral and multi-location enterprise engaged in mining of Rock Phosphate, Lignite, Chemicals/SMS & White cement grade Limestone and Gypsum. RSMML is not only the leader in Mining & Selling of Rock Phosphate, Gypsum across the country, but also global pioneer in technology in open cast mining and mineral beneficiation of Carbonate Rock Phosphate. Besides minerals, RSMML has also forayed into Energy Sector and has set up 106.3 MW installed capacity Wind Power Project at Jaisalmer, Rajasthan.

RSMML is inviting Expressions of Interest (EOI) extending an opportunity to parties interested in entering into a long-term supply agreement with RSMML for the supply of ROM Chalky Limestone from Sanu mine no. 1 & 2 at District Jaisalmer, Rajasthan for captive consumption only after excavation from mined out pit. Sale or trading of Chalky Limestone procured from the company will not be allowed under any circumstances.

1. About lease, Location, and Accessibility:

Sanu mine no. 1 & Sanu mine no. 2 are located near village Sonu in Jaisalmer district of Rajasthan located at a distance of 52 km & 55 km from Jaisalmer. Both mines are well connected with all-season road of Border Road Organization (BRO). SONU village and Jaisalmer are also well connected with the Broad-Gauge line and SONU railway siding is 8-12 km from the Sanu mine no. 1 & 2.

2. Geology of Jaisalmer Limestone:

The area is falling within the famous Khuiyala Limestone belt of Eocene in age. This area is being explored since 1976 by state DMG. The Chalky Limestone of around 12 Mtrs thickness is underlain by SMS Grade Limestone and is the best suitable for manufacturing of Cement.

The present indicative status of reserves of Chalky Limestone in the area is detailed hereunder, which is intended to be considered under this EOI-
