Delay in rectifying breakdowns/defects during Warranty/ Guarantee Period-** In case of break down or major defects, if the smart class setup is not attended to and rectified within a period of 3 (three) working days from the date of receipt of intimation by the firm, liquidated damages @ Rs. 1000/- per day for the number of days for which the smart class setup remains out of operation beyond the period of 3 working days will be levied on the firm. This will be subject to be a maximum of 10% of the value of the contract.
- C. Delay in rectifying breakdowns/defects during AMC Period-** Any breakdown call shall be attended by the supplier within a period of three working days of reporting of problem otherwise compensation @1% (One percent) per day of AMC value, subject to a maximum of 50% of the AMC value, shall be recovered from the AMC payments.

The compensation will be made within 15 days by the contractor failing which this amount will be adjusted from the amount due/ security deposit under terms of payment.

- 15. MANUFACTURER:** In case the tenderer is Dealers/Distributors/Sole Agents, the name of the manufacturers for the Stores will be indicated. The manufacturer's valid Authorization Certificate to participate in the tender should be enclosed.
- 16. TECHNICAL DATA:** Stores shall confirm the technical specifications as per **Annexure-I (a) & (b)**. In case tenderers are on the Rate/Running contract with the DGS&D, a copy of Rate/Running Contract price of DGS&D will also be produced by the tenderer.
- 17. PRICE VARIATION:** The quoted price should remain firm and fixed till the completion of supplies. Only variation on account of changes in Taxes & Duties by the Government will be considered. No escalation/ variation on any other grounds whatsoever shall be considered or be admissible:
- a. Escalation on Government Taxes & Duties: The tenderer will indicate in his offer the applicable Taxes & Royalty at the time of opening of Part-I offer. In the event of any increase/decrease in the Taxes & royalty by the Government, the difference of the same shall be passed on to the Contractor/RSMML as the case may be. The subsequent increase/decrease shall be payable only on the production of authentic documentary proof by the Contractor.
 - b. Save and except as aforesaid, the contractor shall not be entitled to raise any claim and/or demand and/or any dispute on account of escalation or raise or increase in the prices of any other item or element whether in respect of electrical charges, high speed diesel, oil, lubricants, tyres, tubes, spares, wages or minimum wages of workmen either statutory or contractual under any settlement or award or otherwise or on any other ground/or reason whatsoever.
 - c. Suitable price variation clause may be added on case to case basis where price escalation/de-escalation is to be passed on depending upon price variation of any input material
- 18. ASSIGNMENT:** The contractor shall not sublet, transfer or assign this contract or any part thereof (or any benefit or interest therein and there under) without written consent of the company. But such consent of the company, if given shall not relieve the contractor from any liability or obligation under this contract and the contractor shall be responsible for all acts, defaults and neglects of the sub-contractor, his agents and employees fully as if those are the Contractor's own acts.
- 19. INDEMNIFICATION:** Except where arising from the negligence of RSMML or RSMML's employees, the supplier shall indemnify RSMML in respect of any costs or damages, whatsoever arising out of or related to breach of statutes, laws, acts, rules and regulations, damage, accident or loss etc. by the supplier or suppliers personnel or by claims made against RSMML by third parties in respect thereof.
- 20. QUALITY OF SPARES & STANDARD APPLICABLE WARRANTY:**
- a. The tenderer shall warrant that the spares under the contract/order will be new, unused and shall be free from all defects & faults in material & workmanship.

- b. The spares will be consistent with the established, recognized or stipulated standards for materials of the type ordered and in full conformity with the specification, drawing or samples, if any.
- c. The supplier shall guarantee/warranty for the satisfactory performance of the spares for a minimum period of **five years** from the date of fitment of successful commissioning and installation of smart class setup complete.
- d. In the event of any defect in material, design and workmanship during the aforesaid period is found due to faulty material, design or poor workmanship, the defective part will be repaired/replaced by the supplier at site free of cost within 60 days from the date of issue of letter (by registered/speed post) of warranty claims. The tenderer will be required to stock spare parts to take care of warranty failures. The guarantee/composite warranty shall be submitted along with the bill. Tenderer will also replace the defective parts, if any, during the warranty period free of cost. The responsibility to collect the defective/ rejected material will lie with the supplier and the cost for such collection will have to be borne by the supplier.
- e. In case, supplier fails to repair/replace the failed parts within the stipulated period as above, RSMML shall be entitled to recover from the supplier as agreed pre determined compensation @ 1/2% (Half percent) per week of the total value of undelivered stores for each week or part thereof the delivery has been delayed, subject to a maximum of 10% of the total value of the undelivered stores.

21. PRICE FALL CLAUSE: In the event of supplier accepting lower prices for supplies covered under the contract to any other companies during the pendency of the contract, the lower price and charges will also be applicable to this contract. The supplier must intimate RSMML as soon as they accept lower prices from any other company including PSU and Government Organization.

22. TERMINATION:

- a. In case of failure to perform the job as required under this tender or in case of failure to rectify/address such a failure/breach may result in termination of the Purchase Order and forfeiture of Security Deposit without any prejudice to the Company's rights to claim damages/cost/ loss etc. caused by such default/breach. Such termination shall not absolve the supplier of the liabilities accruing till the date of such termination.
- b. b) The contract may also be terminated in the event the supplier being adjudged insolvent or going into Liquidation or Winding up of their business, or making arrangement with their creditors.

Notwithstanding anything contained herein above, the Company in its absolute discretion may at any time terminate the order without assigning any reason thereof by giving fifteen days' notice to the supplier at their last notified address. In such an event the supplier shall not be entitled to raise any claim or demand for compensation, loss of profit and/or damages and/or losses or costs by reason of such earlier termination on any ground whatsoever

23. FORCE MAJEURE: At any time, during the continuance of the contract, the performance in whole or in part by either party (sub-vendors excluded) and/or obligations under this contract shall be prevented or delayed by reason of any war, hostility acts of public enemy, civil commotion, sabotage, fires, floods, explosion, epidemics, quarantine restrictions, non-performance due to labour strikes, lock-outs and Acts of God or Acts of Government/statutory bodies (hereinafter referred as "Event") then provided a notice of the happening of any such event is given within **seven days** from the date of occurrence thereof neither party shall by reason of such event be entitled to terminate this contract nor shall either party have any claim for damage against the other in respect of

such non-performance or delay in performance and the deliveries and/or performance of the work under the contract shall be resumed as soon as practicable after such event has come to an end or ceased to exist and decision of Company as to whether the deliveries and/or performance of the work have been so resumed or not shall be final and conclusive. Provided further that if the performance in whole or in part is delayed by reasons of any such events for a period exceeding **thirty days** either party may at its option terminate the contract.

24. JURISDICTION: The contract is subject to the jurisdiction of courts of Udaipur in the state of Rajasthan

Other General Terms and Conditions:

1. Scope of Supply – Complete Turnkey Package: The bidder shall quote a single consolidated/turnkey price for the complete Smart Class Room Retrofit Setup as per the technical specifications. The quoted price shall include supply, transportation, unloading, installation, mounting, cabling, connectors, accessories, configuration, integration, testing, commissioning, user training and all other items/services required for satisfactory operation of the complete system. No additional payment shall be admissible for any item/accessory/service necessary for successful installation and commissioning, even if not specifically mentioned in the price bid but required for making the system fully operational.
2. Packaged Price- The price shall be quoted for the complete package, comprising all the items specified in the technical specification. The bidder shall not quote separately for individual components for commercial evaluation.
3. 5-Year Comprehensive On-Site Warranty-The complete Smart Class setup shall be covered by 5 years comprehensive on-site warranty from the date of successful installation, commissioning and acceptance. The warranty shall cover:
 - a. All supplied equipment and components.
 - b. Hardware failures and manufacturing defects.
 - c. Labour and service charges.
 - d. Replacement of defective parts/components.
 - e. Software/firmware support wherever applicable.
 - f. All associated accessories supplied as part of the system.

No additional charges shall be payable by RSMML during the warranty period for attending warranty-related complaints.

4. OEM Warranty-The bidder shall provide OEM-backed warranty for the respective equipment wherever applicable. The bidder shall submit OEM warranty/support confirmation along with the offer or at the time of supply.
5. Installation & Commissioning-Installation shall be carried out at RSMML's designated site at Jhamarkotra Mines, Udaipur, including all required mounting arrangements, cable management, configuration, integration and testing. The system shall be considered supplied only after successful installation, commissioning, demonstration and acceptance by RSMML.
6. Site Visit-Bidders are advised to inspect the site and assess the actual requirements relating to installation, mounting, cable routing, power/network connectivity and other site conditions before quoting. No extra claim on account of non-familiarity with site conditions shall ordinarily be entertained after placement of order.
7. Accessories & Ancillary Items-All accessories, cables, connectors, adapters, brackets, mounting hardware, power supplies, converters and other ancillary items required for complete and satisfactory functioning of the system shall be included in the quoted price, whether specifically mentioned or not.

8. Training-The supplier shall provide hands-on operational training to the designated users after commissioning of the system. No separate charges shall be payable for such training.
9. Service Response-During the warranty period, the supplier shall attend reported complaints on receipt of complaint and shall endeavour to restore the system within reasonable/defined service timelines. For critical equipment, prolonged downtime shall be avoided and the supplier shall arrange suitable replacement/temporary solution wherever required.
10. Replacement of Defective Equipment-If any component/equipment repeatedly fails or cannot be repaired within a reasonable period, the supplier shall replace the same with an equivalent or better specification equipment without any additional cost to RSMML, subject to the warranty terms.
11. Preventive Maintenance-The supplier shall carry out necessary preventive maintenance during the 5-year warranty period as recommended by the respective OEMs, wherever applicable, without additional cost.
12. Comprehensive Nature of Warranty-The warranty shall be comprehensive and on-site. RSMML shall not be liable for transportation, service visit, labour, repair or replacement charges for warranty-covered defects.
13. Warranty Start Date-The warranty period shall commence from the date of successful installation, commissioning and acceptance of the complete Smart Class setup, and not merely from the date of supply/invoice.
14. Delivery & Completion- The complete package shall be supplied, installed, commissioned and made operational within the stipulated delivery/completion period specified in the Purchase Order/Work Order.
15. No Partial Commissioning-Since the items constitute an integrated Smart Class system, the supplier shall ensure that the complete setup is commissioned as an integrated system. Partial supply shall not constitute completion of the order.
16. Documentation : The supplier shall provide:
 - a. OEM warranty certificates;
 - b. Product manuals/user manuals;
 - c. Serial number/asset details;
 - d. Installation and commissioning report;
 - e. Warranty contact details;
 - f. Configuration details wherever applicable;
 - g. Training/hand-over certificate.

Additional Conditions of Contract

(To be submitted - part – I of the offer)

- 1. Correction of arithmetical errors :** Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:
 - i) if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
 - ii) If there is an error in a total corresponding to the addition or subtraction of sub totals, the subtotals shall prevail and the total shall be corrected; and
 - iii) If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated bid does not accept the correction of errors, its bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.
- 2. Procuring Entity's Right to Vary Quantities**
 - (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit price or other terms and conditions of the bid and the conditions of contract.
 - (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity in the Bidding Document due to change in circumstances, the bidder shall not be entitled for any claim or compensation except otherwise provided in the conditions of contract.
 - (iii) In case of procurement of goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 25% of the value of goods of the original contract and shall be within one month from the date of expiry of last supply. If the supplier fails to do so, Procuring Entity shall be free to arrange for the balance supply by limited bidding or otherwise and the extra cost incurred shall be recovered from the supplier.
- 3. Dividing quantities among more than one bidder at the time of award (In case of procurement of goods):** As a general rule all the quantities of the subject matter of procurement shall be procured from the bidder, whose bid is accepted. However, when it is considered that the quantity of the subject matter of procurement to be procured is very large and it may not be in the capacity of the bidder, whose bid is accepted, to deliver the entire quantity or when it is considered that the subject matter of procurement to be procured is of critical and vital nature, in such cases, the quantity may be divided between the bidder, whose bid is accepted and the second lowest bidder or even more bidders in that order, in a fair, transparent and equitable manner at the rates of the bidder, whose bid is accepted.
