- ix. PF Account No. in Form 'A' along with the copy of PF Registration with the PF Commissioner or undertaking as per annexure E.
- x. Affidavit as per Annexure-F
- xi. Declaration as per Annexure-B

COVER-C

- i. Price Bid in **.xls format**. (Refer Clause 6.0 of Section II.)

2.1 PRICE OFFER in BoQ form

1. The rates quoted by the tenderer shall be inclusive of all applicable duties but exclusive of GST . The 'Price Bid' shall be submitted online in the prescribed BoQ format only. It is suggested that tenderer should carefully read the instructions mentioned in the Performa of BoQ. The Price Bid Form will be in spreadsheet format.
2. BoQ-1 and BoQ-3 of G- schedule is based on PWD-BSR-2013, Udaipur (Building) for which the contractor shall quote rates as at par / % age above or below on G-schedule which is inclusive of all taxes, duties except GST. BoQ-2 and BoQ-4 of G-schedule are based on item rates.
3. BoQ-1 and BoQ-2 belongs to Capital Nature works whereas BoQ-3 and BoQ-4 belongs to Revenue nature works.
4. It is recommended that party should submit offers for both Capital Nature works and Revenue Nature works i.e. (Combined BoQ-1, BoQ-2, BoQ-3 & BoQ-4). However, the party may submit offers for either Capital Nature works i.e. (Combined BoQ-1 & BoQ-2) or Revenue Nature works i.e. (Combined BoQ-3 & BoQ-4) or both Capital Nature works and Revenue Nature works i.e. (Combined BoQ-1, BoQ-2, BoQ-3 & BoQ-4)
5. Party submitting bids for BoQ-1 should also submit BoQ-2. Offers received against BoQ-1 without BoQ-2 or vice versa shall be rejected.
6. Party submitting bids for BoQ-3 should also submit BoQ-4. Offers received against BoQ-3 without BoQ-4 or vice versa shall be rejected.
7. The original Price Bid Form should be downloaded, filled and signed using the DSC. The Price Bid Form should not be changed or altered or tampered. If the Bid form is tampered and not submitted online in the prescribed format of BOQ the Bids will be summarily rejected. The Prices quoted shall be only in **INDIAN RUPEES (INR) only**. The tender is liable for rejection if Price Bid contains conditional offers.

2.2 SUBMISSION & OPENING OF TENDERS.

The online submission of bids on the e-procurement portal i.e. <http://eproc.rajasthan.gov.in> within the specified date and time will be the sole responsibility of the Tenderers. In

case the date of opening of bids happens to be a holiday, then the bids shall be opened on the next working day.

Tenderers are requested to ensure submitting their tender online on e-procurement portal only and furnishing DDs/BCs towards tender document fee/Bid Security/ Processing Fees offline to the office of SM(F&A), Marketing Department, CO within the specified time & date of submission. Tenders in physical form (offline) will not be acceptable in any case.

Tenderers should note that they will not be able to submit their tenders online after the specified/ scheduled date & time of submission of bid document. Tenderers should also to ensure furnishing DDs/BCs towards tender document fee/Bid Security/Processing Fees, Affidavits in original as per Annexure E & F and other declarations on letterhead etc. to the office of SM(F&A), Marketing Department, CO within the specified time & date of submission, failing which, their online bids will not be opened.

2.3 VALIDITY:

The tenderer shall keep the offer open for acceptance by RSMML for a minimum period of **Four Months** from the date of opening of tender (Part-I), within which period the tenderer shall have no right to withdraw, cancel, amend or modify his offer. In case of withdrawal/cancellation/ amendment/ modification in the offered tender, the Bid Security deposited by the tenderer shall stand forfeited. The validity period may be extended further, if required, by mutual consent from time to time.

In case, tenderer, after issuance of communication of acceptance of offer (LOA/PO) by RSMML, fails to execute the contract as per the conditions therein, such an event will be considered as the tenderer's calculated willful breach of the contract. The cost & consequence in such cases shall be on the sole account of the tenderer. Moreover, RSMML have full right to claim damages thereof in addition to the forfeiture of BID SECURITY.

2.4 BID SECURITY MONEY/ EARNEST MONEY DEPOSIT

1. Earnest Money Deposit as per NIT is to be furnished by Demand Draft / Pay Order / Banker's Cheque in favour of "Rajasthan state mines and minerals ltd." payable at Udaipur. This DD/ Pay Order should be enclosed and submitted with the Techno-Commercial offers. Offers without Earnest Money Deposit are liable to be rejected / ignored.
2. The Earnest Money Deposit shall not bear any interest.
3. The Earnest Money Deposit of the successful tenderer can also be appropriated towards security Deposit, if the contractor so desires. The Earnest Money Deposit of the disqualified tenderers, who have been disqualified in the techno-commercial evaluation, shall be refunded at the earliest. The Earnest Money Deposit of the other tenderers shall be refunded after issuance of LOA/DLOA to the successful tenderer.
4. Offers without Earnest Money Deposit shall be summarily rejected. The Company shall not accept Earnest Money Deposit in any other form like cheque, Bank Guarantee, FDR's etc.

5. The Earnest Money Deposit shall be forfeited in the following cases :
 - i.) If the tenderer withdraws or modifies the offer during the validity period of the offer.
 - ii.) If the tenderer does not deposit the prescribed security deposit in the prescribed time period.
 - iii.) If the tenderer does not execute the agreement in the prescribed format within the specified time.
 - iv.) If the tenderer provides false information/forged documents/false attestation of documents in the offer or thereafter to claim eligibility / qualify for the contract.
 - v.) If the tenderer does not commenced the work within the stipulate period and also not accept the offer made by the company or subsequent to acceptance of his/their offer by the company.

2.5 SECURITY DEPOSIT

1. S.D. @ 10% shall be deducted from running bills.
2. The entire Security Deposit shall be refunded after 1year of the expiry of contract, provided the Contractor has fulfilled all contractual obligations and he has rendered “No claim and No Dues Certificate” to the Company.
3. The Security Deposit shall be liable to be forfeited wholly or partly at the sole discretion of the Company, should the Contractor either fail to fulfil the contractual obligations or fail to settle in full, his dues to the Company.
4. In the event of security amount at any time during the currency of the contract falling short of the specified amount, due to enhancement of quantum of work, or due to any reason, the Contractor shall furnish additional security amount, so that the total amounts of Security Deposit will not be at any time less than the amount so specified. The Company may recover the same by way of additional deductions from the payment due to the contractor.
5. No interest is payable on S.D. amount.

2.6 CRITERIA FOR DECIDING L-1 BIDDER

1. As mentioned further in clause no.1 of Section III of this tender under the head “Brief Description of work”, there are two parts of this contract viz. Part-A governing ‘Capital Nature Works’ consisting of combination of BoQ-1 & BoQ-2 and Part-B for ‘Revenue nature Works’ consisting of combination of BoQ-3 & BoQ-4; the L-1 shall be determined separately for both nature of works i.e. for Part-A and Part-B on the basis of lowest financial outgo for the company.
2. Financial outgo for company for Part-A shall be calculated by adding total of BoQ-1 (total of BSR items including tender premium), BoQ-2 (total of item rates) and applicable GST.

3. Similarly, financial outgo for company for Part-B shall be calculated by adding total of BoQ-3 (total of BSR items including tender premium), BoQ-4 (total of item rates) and applicable GST.
4. 20.4 It may be understood that bidder who have quoted their rates for all four BOQs viz. BoQ-1, BoQ-2, BoQ-3 and BoQ-4 may be determined as L-1 bidder either for (Part-A or Part-B) or in both (Part-A & Part-B) on the bases of above mentioned criteria.

2.7 NEGOTIATIONS:-

1. Negotiations will be conducted with the lowest tenderer/s only. In case of non-satisfactory achievement of rates from lowest tenderer/s, RSMML may choose to make a written counter offer to the lowest tenderer/s and if this is not accepted, RSMML may decide to reject and re-invite fresh tenders or to make the same counter-offer first to the second lowest tenderer, then to the third lowest tenderer and so on in the order of initial bidding, and work order be awarded to the tenderer who accepts the counter offer.
2. In the case, when the quotations given by the tenderer/s during negotiations is higher than the original quotation of the tenderer/s then the tenderer/s will be bound by the lower rate originally quoted by the tenderer/s.
3. In case of negotiations, representative of the tenderer/s attending negotiations must possess written authority from the tenderer/s to the effect that he is competent to modify/amend the submitted tender deviations and rates offered by them.

2.8 AWARD OF THE CONTRACT:

The Company shall communicate to the successful tenderer/s to accept their tender offer and thereafter the successful tenderer/s will have to execute an agreement on the prescribed format, which shall be consist tender document, DLOA /work order at contractor cost and expenses. The Performa shall be provided by the RSMML.

2.9 INTERFERENCE WITH PROCUREMENT PROCESS:

In case the bidder

- i) Withdraws from the procurement process after opening of financial bids;
- ii) Withdraws from the procurement process after being declared the successful bidder;
- iii) Fails to enter procurement contract after being declared the successful bidder;
- iv) Fails to provide performance security or any other document or security required in terms of the bid documents after being declared the successful bidder, without valid ground; shall, in addition to the recourse available in the bidding documents or the contract be punished with fine under RTPP Act which may extend to fifty lac rupees or ten percent of the assessed value of contract, whichever is less.

2.10 RATES & TAX DEDUCTION AT SOURCE:-

1. The rate quoted by the bidder will be exclusive of Goods & Service Tax (GST). However , the rates will be inclusive of any other levis and duties, as applicable on this contract (up to last

date of submission of bid).

2. The rates quoted shall be on firm price basis during the pendency of the contract period and the contractor shall not be eligible for any escalation (except as mentioned in the tender document) in rates on whatsoever ground.
3. Timely deposition of GST and filing of requisite tax returns of relevant tax period would be the sole responsibility of the contractor. The contractor will also ensure that necessary credit on this account is available to RSMML in the next month. In case of any discrepancy where credit is not available to RSMML then company is free to deduct/recover/retain such amount from the bills of contractor or any other amount due to him/ or from Security deposit, as the case may be.
4. In case of reversal of Input Tax Credit (ITC) and imposition of penalty on account of payment of GST and default in filing of returns towards the payment for the work, contractor is liable to pay all such dues to the company, failing which RSMML is free to deduct/recover/ retain such amount from the bills of contractor or any other amount due to him/ or from Security deposit, as the case may be.
5. RSMML will reimburse at actual any tax / duties which are imposed/increased after the date of submission of offer & are directly applicable to this contract and payable by the contractor, and determined on the basis of bills raised by him upon the company, if applicable, subject to the furnishing of documentary proof.
6. The company shall be fully entitled to deduct Income Tax and/or any other taxes levied at source as per the rules and instructions as may be applicable for this purpose from time to time.

2.11 RIGHTS OF COMPANY

The Company reserves the right -

- i. To reject any or all the tenders, in part or in full, without assigning any reason, there to,
- ii. Not to accept the lowest tender or assign reasons for not accepting the lowest tender.
- iii. To increase / decrease the quantity and period of contract, without any additional obligation on it.
- iv. Not to carry out any part of work.
- v. To reject the offer, if it is established that the tenderer has submitted any wrong / misleading information or forged documents along with offer or thereafter.

The company may exercise any of the above right at any time prior to the award of contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for the RSMML's action.

2.12 RIGHT TO REVIEW PERFORMANCE.

1. The company reserves the right to review and assess the performance of the work at any time during the contract period. In case of poor or unsatisfactory performance and/or breach of any terms and conditions of the contract, the company in its absolute rights and discretion may take appropriate action including termination of the contract & forfeiture of security deposit.
2. The company shall have absolute right to determine and ascertain the damages or losses suffered by it due to poor performance or breach of the terms and recover the costs thereof from the contractor from the security deposit or any sum due to the contractor from the company. The Company shall also have absolute right to get the work done from any other agency at the risk and cost of the Contractor, in case, the contractor fails to perform the work continuously for more than 3 days and difference in such rates if any, shall be borne by the contractor.

2.13 TERMINATION OF THE CONTRACT

1. In case of failure to perform the job as required under this tender or observe any of the terms and conditions by the contractor, the company shall give a notice to rectify the default or breach within 07 days. Failure to rectify such default/breach may result in termination of the contract and forfeiture of EMD/security deposit without any prejudice to the company's rights to claim damages/costs/loss etc caused by such default/breach. Such termination shall not absolve the contractor of the liabilities accruing till the date of such termination.
2. The contract may also be terminated in the event the contractor is being adjudged insolvent or going into Liquidation or Winding up of their business, or making arrangement with their creditors.
3. Notwithstanding anything contained herein above, the company in its absolute discretion may at any time terminate the contract without assigning any reason thereof by giving Fifteen days' notice to the contractor at their last notified address. In such an event the contractor shall not be entitled to raise any claim or demand for compensation, loss of profit and/or damages and/or losses or costs by reason of such earlier termination on any ground whatsoever.

2.14 PROVIDENT FUND

1. The contractor shall be wholly responsible for complying with the fulfillment of the provisions of the Employees Provident Fund and Miscellaneous provisions Act, 1952 including subsequent amendments & notifications, in respect of the employees engaged for the work.
2. The Contractor shall have to get himself registered (if not already registered) with the Regional Provident Fund Commissioner (RPFC) under the Employees Provident Fund and Miscellaneous Provisions Act, 1952. Tenderer is required to submit the copy of the PF Registration Number received from RPFC office before starting the work, failing which the contract is liable to be terminated.
3. The tenderer who are not coming under the purview of EPF & MP Act but are required to deposit the PF due to applicability of Contract Labour (R&A) Act may deposit amount of PF deducted from salaries of the labour/employees and employer's contribution with PF Trust of

RSMML alongwith 1.10% administrative charges. An affidavit (as per Annexure-e) for this purpose will be required to be furnished on a stamp paper of appropriate value.

4. However, each running account / Final bill must be submitted alongwith the name of the labour/employee deployed for the work, wages / salaries paid to them, amount of PF deducted from salaries of the labour/employees and employer's contribution, amount deposited in RPFC office/Trust against each employee's name and copy of the challan for the amount deposited in RPFC office/Trust till previous month, failing which no payment will be made for Running Account bill submitted by the contractor to the Engineer-In-Charge.

2.15 LEGAL & STATUTORY OBLIGATIONS:

1. The contractor shall perform the work in accordance with all applicable Acts, statutory rules and regulations now in force or enforced subsequently.
2. The contractor shall have valid Labour License and deduct PF as per rules for all employees/workmen engaged for this work. The proof of deduction & deposition of PF shall be submitted to RSMM.

employment, and shall submit periodical returns to the statutory authorities. Such records will also be made available periodically for perusal and scrutiny of officer-in-charge.

8. In the event of default of the contractor in making such payment/s or contribution for any other reason/s the Company may make such payment/contribution on behalf of the contractor on its sole discretion, by way of deducting the relevant amounts from the running bills of the contractor and the Company shall be entitled to set off all costs and amounts due to the contractor for the payment/contributions made by it on account of contractor's default.
9. The contractor shall have to obtain and produce the license as applicable before starting the work.
10. The contractor shall insure all the workmen & submit the copy of WC policy to RSMM.
11. The contractor shall require registration of workers under the building & other construction workers (Regulation of Employment & Condition of Services) Act, 1996 & extension of benefit to such workers under the Act. Deduction of cess at source will be made as per provision of the said act, in force from time to time.
12. All the provision of Rajasthan Transparency in Public Procurement Act and rules made there under and modification to be issued by the competent authority from time to time will automatically be ipso-facto applicable.

2.16 OTHER RESPONSIBILITIES OF CONTRACTOR

1. The contractor shall be responsible for providing Shelter, Accommodation, Drinking Water, Medical aid etc. to his/their employees.
2. The contractor alone shall be responsible for providing all tools, tackles, implements etc. required for accomplishment of work.
3. The contractor alone shall be responsible and liable for any accident and/or damage to employees or any third party at the siding during or due to negligence in course of performance of the job under this contract and consequent claims.
4. The contractor alone shall be responsible and liable for payment of costs, charges, fee etc. for discharge of all legal and statutory obligation
5. The contractor shall have to arrange for lighting etc. for carrying out the work as required herein.
6. Safety & discipline of the labour/ workers staff employed by him
7. The company shall not in any manner be responsible for any or part of the above litigations of the contractor, If any expenditure incurred by the company on the above items, that will be recovered from the contractors bills/security deposits.

2.17 COMPENSATION

2.17.1 For Delay in commencement:

In case the Contractor fails to commence the work within 30 days from the date of issuance of LOA/DLOA, the company shall recover a pre determined and agreed compensation @ 0.5% of the total contract value on weekly basis from the contractor if the delay is on account of contractor. In the event the compensation exceeds 2% of total contract value, then other provision including termination of contract, forfeiture of EMD, withdrawal of DLOA shall apply at sole discretion of Company.

2.17.2 For Delay in completion:

In case the Contractor fails to complete the total job within stipulated / extended period as given by the Engineer In charge, and is established that the delay is on account of contractors lapses, the company shall recover a pre determined and agreed compensation @ 1% (one percent) of total value of contract on weekly basis from the contractor subject to maximum 10% (Ten percent) of contract value. The compensation levied by company, if any, will also attract GST as per prevailing rate.

2.18 DEFECT LIABILITY PERIOD

The defect liability period for the work will be 1year from the date of actual completion of work; if any defect occur during this period then the contractor shall be liable to carry out required repair/replacement/rectification as per the direction of Engineer-in-charge at his own cost.

2.19 RISK & COST

The Company shall have full right to forfeit the whole security deposit and payment of other pending bills payable to the contractor for non fulfilment of the contractual obligations within the scheduled/specified time period. The work can be completed by engaging third party at the risk and cost of the contractor.

2.20 APPEALS:

Subject to section 40, of Rajasthan Transparency in Public procurement Rules 2013, if any bidder or prospective bidder is aggrieved that any decision, action or omission of the procuring entity is in contravention to the provision of this act or the rules or guidelines issued there under, he may file an appeal to designated First and Second appellate Authority with in a period of ten days from the date of such decision or action, omission as the case may be clearly given the specific ground on which he feel aggrieved on the form no.1 (see rule 83) – Memorandum of Appeal under the Rajasthan Transparency in public procurement Act – 2012 with prescribed fees.

2.21 DISPUTE & JURISDICTION

In case of any dispute, it shall be the endeavour of both the parties to resolve it through mutual discussions. No courts other than the courts located at Udaipur-Rajasthan shall have jurisdiction over any matter concerning any aspect of the work under this tender. The contractor shall not stop or abandon the work due to and during the pendency of such disputes or differences.

2.22 UNDERTAKING:

All communications/correspondences/documents including the bid document should be physically signed, stamped on each page before uploading and also signed digitally by the designated authorized representative of the bidder.

3.4 SPECIAL CONDITIONS OF CONTRACT

3.4.1 Powers to determine the Contract

The Competent authority may without prejudice to his right against the contractor in respect of any delay or inferior workmanship or otherwise or to any claims for damage in respect of any breaches of the contract and without prejudice to any rights or remedies under any of the provisions of this contract or otherwise and whether the date for completion has or has not elapsed, by notice in writing absolutely determine the contract in any of the following cases:-

- (i) If the contractor having been given by the Engineer-in-charge a notice in writing to rectify, reconstruct or replace any defective work or that the work is being performed in any inefficient or otherwise improper or unworkman-like manner, comply with the requirements of such notice a period of seven days thereafter or if the contractor shall delay or suspend the execution of the work so that either in the judgment of the competent authority he will be unable to secure completion of the work by the date for completion or he has already failed to complete the work by that date.
- (ii) If the contractor being a company shall pass a resolution or the court shall make an order that the company shall be wound up or if a receiver or a manager on behalf of a creditor shall be appointed or if circumstances shall arise which entitle the court or creditor to appoint a receiver or a manager or which entitle the court to make winding up order.
- (iii) If the contractor commits breach of any of the terms and conditions of the contract.
- (iv) If the contractor commits any acts mentioned in clause related to subletting and when the contractor has made himself liable for action under any of the cases aforesaid, the competent authority on behalf of the RSMM shall have powers:-
 - (a) To determine and/or rescind the contract as aforesaid (*of which term in attention or rescission notice in writing to the contractor under the hand of the Engineer-in-charge shall be conclusive evidence*). Upon such determination or rescission, the security deposit of the contractor shall be liable to be forfeited and shall be absolutely at the disposal of the company.
 - (b) To employ labour paid by the company and to supply materials to carry out the works or part of the work debiting the contractor with the cost of the labour and the price of the materials (of the amount of which cost and price certified by the Engineer-in-charge shall be final and conclusive against the contractor) and crediting him with the value of the work done in all respects in the same manner and at the same rates as if it has been carried out by the contractor under the terms of his contract. The certificate of the Engineer-in-charge as to the value of the work done shall be final and conclusive against the contractor, provided always that action under the sub-clause shall only be taken after giving notice in writing

to the contractor. Provided also that if the expenses incurred by the company are less than the amount payable to the contractor at his agreement rates, the difference should not be paid to the contractor.

- (c) After giving notice to the contractor to measure up his work and to take such part thereof as shall be un-executed out of his hands and to give it to another contractor to complete, in which case any expenses which may be incurred in excess of sum which would have been paid to the original contractor if the whole work had been executed by him (of the amount of which the excess certificate in writing of the Engineer-in-charge shall be final and conclusive) shall be borne and paid by the original contractor and may be deducted from any money due to him by company under this contract or on any other account whatsoever or from his security deposit or the proceeds of sale thereof a sufficient part thereof as the case may be.

In the event of any one or more of the above course being adopted by the competent authority the contractor shall have no claim to compensation for any loss sustained by him by reason of his having purchased or procured any material or entered into any engagements or made any advances on account of or with a view to the execution of the work or the performance of contract. And in case action is taken under any of the provision aforesaid the contractor shall not be entitled to recover or be paid any sum for any work thereof actually performed under this contract unless payable in respect thereof and he shall only be entitled to be paid the value so certified.

3.4.2 Time Extension

If the contractor shall desire an extension of the time for completion of the work in the grounds of his having been unavoidably hindered in its execution or any other grounds, he shall apply in writing to the Engineer-in-charge in that behalf within 30 days of the date of the hindrance on account of which he desired such extension as aforesaid and the competent authority shall if in his opinion (which shall be final & binding on the contractor) reasonable grounds be shown therefore authorize in writing such extension of time, if any as may in his opinion be necessary or proper. If the period of completion of contract expires before the expiry of the period of one month provided in this clause the application for extension shall be made before the expiry of the period stipulated for completion of the contract.

Failure or delay by the Company to hand over to the Contractor possession of the land necessary for the execution of the works, or to provide the necessary drawings and instructions, or any other delay by the Company due to any other cause, whatsoever shall in no way affect or vitiate the contract or alter the character thereof or entitle the Contractor to damages or compensation thereof, provided, however, that the Company without any financial liability may extend the time for completion of the work by such period as it may consider necessary or proper.

3.4.3 Completion Certificate

Within ten days of the completion of the work, contractor shall give notice of such completion to the Engineer-in-charge and within ten/thirty days on the receipt of such notice the Engineer-in-charge shall inspect the work and if there is no defect in the work shall furnish the contractor with in certificate of completion otherwise a provisional certificate of completion indicating defects (a) to be rectified by the contractor and or (b) for which payment will be made at reduced rates shall be issued, nor shall the work be considered to be completed until the contractor shall have removed from the premises on which the work shall be executed, all scaffolding, surplus materials, rubbish and all huts and sanitary arrangements required for his their work, People on the site in connection with the execution of the works as shall have been erected or constructed by the contractor and cleaned off the dirt from all wood work, doors, windows, walls, floors or other parts of any building, upon or about which the work is to be executed or of which he may have had possession for the purpose of execution thereof and not until the work shall have been measured by the Engineer-in-charge. If the contractor shall fail to comply with the requirements of this clause as to removal or scaffolding surplus materials and rubbish and all huts and sanitary arrangements as aforesaid and cleaning off dirt on or before the date fixed for the completion of the work, The Engineer-in-charge may at the expenses of the contractor remove such scaffolding surplus, materials and rubbish, etc. and dispose off the same as he thinks fit and clean off such dirt as aforesaid. The contractor shall have no claim in respect of any such scaffolding of surplus materials as aforesaid except for any sum actually realized by the sale thereof.

N.B. - Ten days will apply in the case of works at the headquarters of the Engineer-in-charge and thirty days will apply in case of work at a station other than the headquarters of the Engineer-in-charge.

3.4.4 Cleaning of premises included in completion

When the annual repair and maintenance work is carried out, the splashes and droppings from white washing, colour painting, etc. on walls, floors, doors, windows etc. shall be removed and the surface cleaned simultaneously, with the completion of these items of work in the individual rooms, quarters or premises etc. where the work is done without waiting for the actual completion of all other items of work in the contract. In case the contractor fails to comply with the requirements of this clause the Engineer-in-charge shall have the right to get this work done at the cost of the contractor either departmentally or through another agency. Before taking such action, the Engineer-in-charge shall give two days notice in writing to the contractor.

3.4.5 Payment of Bills

No payment shall be made for works estimated to cost less than Rupees One Thousand till after the whole but in the case of works estimates to cost more than Rupees One Thousand the contractor shall on submitting the bill thereof be entitled to receive a monthly payment proportionate to the part thereof then passed by the Engineer-in-charge. RA bill shall be

submitted along with location plan for executed work duly certified by EIC. The contractor shall submit an undertaking with monthly bills bearing GSTIN and HSN/SAC code that “total GST has been deposited and returns have been filed for relevant tax period. All such intermediate payment shall be regards as payments by way of advance against the final payment only and not as payments for work actually done and completed and shall not preclude the requiring of bad, unsound and imperfects or unskillful work to be removed and taken away and reconstructed or re-erected or be considered as an admission of the due performance of the contractor any part thereof in any respect of the accruing of any claim, not shall it conclude, determine, or effect in any way the powers of the Engineer-in-charge under these conditions or any of them as to the final settlement and adjustment of the account or otherwise the Engineer-in-charge’s certificate of the measurements and of the total amount payable for the work accordingly shall be final and binding the contractor in all respect. The payment of final bill shall be made within 3 months of the submission of such bill. If there shall be any dispute about any items of work then the undisputed item or items only shall be paid within the period of 3 months. The contractor shall submit a list of the disputed items within 30 days from the disallowance waived and absolutely extinguished.

A bill shall be submitted by the contractor each month on or before the dated fixed by the Engineer-in-charge for all work executed in the previous month. The charges in the Bill shall always be entered at the rates specified in the tender or in the case of any extra work ordered in pursuance of these conditions and not mentioned or provided for in the tender, as the rates herein after provided for such works. The Engineer-in-charge shall take or cause to be taken the requisite measurements for the purpose of having the same verified and the claim, as for as admissible, adjusted if possible before the expiry of ten days from the presentation of the bill. If the contractor does not submit the bill within the time fixed as aforesaid, the Engineer-in-charge may depute a subordinate to measure up the said work in the presence of the contractor whose counter signature to the measurement list will be sufficient warrant, and the Engineer-in-charge may prepare a bill from such list which shall be binding on the contractor in respect.

Before taking any measurement of any work as referred to in above, the Engineer-in-charge or a subordinate deputed by him shall give reasonable notice to the contractor. If the contractor fails to attend at the time of measurement after such notice or fails to countersign or to record the difference within a week from the date of measurement in the manner required by the Engineer-in-charge then in any such event the measurement taken by the Engineer-in-charge or by the subordinate deputed by him as the case may be shall be final and binding on the contractor and the contractor shall have no right to dispute the same.

3.4.6 Material issued from company’s stores

If the specification of the work provided for the use of any special description of material to be supplied from company’s stores or if it is required that contractor shall use certain stores to be provided by the Engineer-in-charge, specified in the schedule ‘E’ the

contractor shall be bound to procure and shall be supplied such materials and stores as are from time to time required to be used by him for the purpose of the contract only and the value of the full quantity of materials and stores to be supplied at the rates specified in the schedule may be set off or deducted from any sum then due or thereafter become due to the contractor under contract or otherwise or against or from the security deposit. All materials supplied to the contractor either from departmental stores or with the assistance of company shall remain the absolute property of company and shall not any account be removed from the site of work and shall be at all times open to inspection by the Engineer-in-charge. Any such material unused and in perfectly good condition at the time of completion or determination of the contract, shall be returned to the Engineer-in-charge's stores, if by a notice in writing under his hand; he shall so require and if on service of such notice the contractor fails to return the materials so required he shall be liable to pay minimum penalty of 10 percent on the price of goods originally charged and maximum penalty not exceeding the price of goods or originally charged in addition to their price originally charged. The decision of Engineer-in-charge of work shall be final regarding levy of penalty. But the contractor shall not be entitled to return any such materials unless with such consent and shall have no claim for compensation, on account of any such materials so supplied to him as aforesaid being unused by him, or for any wastage in or damage to any such materials. For the stores which may be received back from the contractor he shall be paid for at the price originally charged excluding storage charged in case of materials supplied from departmental stores and actual cost including freight, cartage, taxes etc. paid by the contractor in case of supply received with the assistance of the Company which however, should in no case exceed market rates prevailing at the time the materials are taken back.

The Engineer-in-charge shall have full powers to require the removal from the premises of all materials which, in his opinion are not in accordance with the specification and in case of default the Engineer-in-charge shall be at liberty to employ other persons to remove the same without being answerable or accountable for any loss or damages that may happen or arise to such materials. The Engineer-in-charge shall also have full powers to require other proper materials to be substituted thereof and in case of default the Engineer-in-charge may cause the same to be supplied and all costs which may attend such removal and substitution are to be borne by the contractor.

If the required under the terms of this contract, the contractor shall obtain from the stores of the company, all stores, material, diesel, explosives etc. and articles of foreign manufacture which may be required for the work of any part thereof or in making up articles required thereof connection therewith, unless he has obtained permission in writing from the Engineer-in-charge to obtain such stores and articles from elsewhere. The value of such stores and articles as may be supplied to the contractor by the Engineer-in-charge will be debited to the contractor in his amount at the rates, shown in the schedule attached to the contract and if they are not entered in the schedule they will be debited at cost price which for the purposes of this contract shall include the cost of carriage and all other expenses, whatsoever, which shall have been incurred in obtaining

delivery of the same at the stores aforesaid. In addition, 10% charges shall also be levied towards handling.

3.4.7 Specification of Works

The contractor shall execute the whole and every part of the work in the most substantial and workman like manner, and both as regards materials and otherwise in very respect in strict accordance with the specifications. The contractor shall also confirm exactly, full and faithfully to the designs, drawings and instructions writing relating to the work assigned by the Engineer-in-charge and lodged in his office, and to which the contractor shall be entitled to have access at such office, or on site of the work for the purpose of inspection during office hours and the contractor shall, if he so requires, be entitled at his own expenses to make or cause to be made copies of specification, and of all such designs, drawings and instructions as aforesaid.

3.4.8 Addition, Alteration & Substitution of items

The Engineer-in-charge shall have powers to make alternation in or commissions from or additions to or substitutions for the original specifications, drawings, designs and instructions that may appear to him to be necessary or advisable during to progress of work and the contractor shall be bound to carry out the work in accordance with any instructions which may be given to him in written by the Engineer-in-charge and such alterations, commissions, additions or substitutions shall not invalidate the contract and any altered, additional or substituted work which the contractor may be directed to do in a manner above specified as part of the work shall be carried out by the contractor on the same conditions in all respects on which he had agreed to do the main work, provided that additional quantities of each individual item shall not exceed 25% of the quantities provided against that item in the contract agreement and further provided that the cost of the work as executed by the contractor including cost of all additional, altered or substituted work shall not without mutual agreement exceed the tendered amount of the work by more than 10%.

The time limit for completion of the work shall be extended in the proportion that the additional or substituted work bears to the original contract work and the certificate of the Engineer-in-charge shall be conclusive as to such proportion. The rates of such additional altered or substituted work under this clause shall be worked out in accordance with the following provisions:-

- (i) If the rates for the additional, altered or substituted work are specified in the contract for the work, the contractor is bound to carry out the additional, altered or substituted work at the same rates as are specified in the contract for the work.
- (ii) If the rates for the altered, additional or substituted works cannot be determined in the manner specified in clause above, then the rates for such work shall be worked out on the basis of the schedule of rates of the district specified above mines/pus the percentage which the total tendered amount bears to the estimated cost of the entire work put to tender provided always that if the rate for a particular part or parts of the items is not in the schedule of rates, the rate for such part of parts will

be determined by the Engineer-in-charge on the basis of the prevailing market rates when the work was done.

- (iii) If the rates for the altered, additional or substituted work cannot be determined in the manner specified in clause above, then the contractor shall, within 7 days of the date of receipt of order to carry out the work, inform the Engineer-in-charge of the rate which is his intention to charge for such class of work, supported by analysis of the rate or rates claimed and the Engineer-in-charge shall determine the rate or rates on the basis of prevailing market rates, and pay the contractor accordingly. However, the Engineer-in-charge, by notice in writing, will be at liberty to cancel his order to carry out such class of work and arrange to carry it out in such manner as he may consider advisable. But under no circumstances the contractor shall suspend the work on the plea of non-settlement of rates of items falling under the clause.
- (iv) Provided that the Engineer-in-charge would also be at liberty to ask the contractor to execute such items, the rates of which are not provided in the B.S.R. of that area and also additional quantity over and above the limit of 25% against each item and 10% over the tendered amount of the work specified above, if in the opinion of the Engineer-in-charge the execution of such items through other agency is likely to hamper the progress of other items of work and its completion considerably required the contractor shall be bound to carry out all such extra work also if asked to do so. For all such extra items or additional quantity of work over and above the limit specified in para above, the contractor shall be paid provisionally on the rates of all such additional work and extra items if any shall be decided and settled by arbitration,. Provided always that if the contractor shall commence work or incur any expenditure in regard thereof before getting written instructions from the Engineer-in-charge regarding all such additional works or extra items at his own accord as lastly here herein before mentioned then in such case he shall only be entitled to be paid in respect of the work carried out expenditure incurred by him prior to the date of issue of written instructions if any, as aforesaid according to such rate of rates as shall be fixed by the Engineer-in-charge and shall have no claim for getting rates or such work settled through arbitration.

3.4.9 Curtailment of Scope

If the Engineer-in-charge shall at any time, and for any reason whatsoever think that any portion of the work should not be executed and could be withdrawn from the contractor, he shall give notice in writing of the fact to the contractor who shall have no claim to any payment of compensation whatsoever on account of any profit or advantage which he might have derived from the execution of the work in full, but which he did not derive in consequence of the full amount of the work not having been carried out, neither shall he have any claim for compensation by reason of any alterations having been made in the original specifications, drawings, designs and instructions which shall involve any curtailment of the work as originally contemplated.

Provided that the contractor shall be paid the charges on the cartages only of materials actually and bonafidely brought to the site of the work by the contractor and rendered, surplus as a result of the abandonment or curtailment of the work or any portion thereof and then taken back by the contractor, provided, however, that the Engineer-in-charge shall have in all such case the option of taking over all or any such materials at their purchase price or at local current rates which ever may be less. In the case of such stores having been issued from Company's stores supervision charges and storage charges shall be refunded in addition to the issue rate of materials.

All sums payable by way of compensation under any of these conditions shall be considered as reasonable compensation to be applied to the use by the company without reference to the actual loss or damage sustained and whether or not any damage shall have been sustained.

3.4.10 Rectification of Defect

If it shall appear to the Engineer-in-charge or his subordinate-in-charge of the work, that any work has been executed with unsound imperfect or unskillful workmanship, or with materials of any inferior description or that any materials or articles provided by him for the execution of the work are unsound or of a quality inferior to that contracted for, or otherwise not in accordance with contract, the contractor shall demand in writing which shall be made within six months of the completion of work from the Engineer-in-charge specifying the work, materials or articles complained on paid, for, forthwith rectify or remove and reconstruct the work so specified in whole in para, as the case may require or as the case may be remove that materials or articles so specified and provided other proper and suitable materials or article at his own charges and cost, and in the event of his failing to do so shall continue and in the case of any such failure the Engineer-in-charge may rectify or remove and re-execute the work or remove and replace with other materials or articles complained of as the case may be at the risk and expense in all respect of the contractor.

3.4.11 Inspection & Supervision

All the work under or in course of execution or executed in pursuance of the contract shall at all times be open to the inspection and supervision of the Engineer-in-charge and his subordinates and contractor shall at all times during the usual working hours and at all other times at which reasonable limitations of the intention of the Engineer-in-charge or his subordinate to visit the works shall have been given to the contractor, either himself present to receive order and instructions or have a responsible agent duly accredited in writing present for that purpose. Orders given to the contractor's agent shall be considered to have the same force as if they had been given to the contractor himself.

Inspection and verification of repairs of statutory buildings shall be done by Agent(Mines)/Mines Manager of Jhamarkotra Mines.

3.4.12 Hidden Works

The contractor shall give not less than seven days notice in writing to the Engineer-in-charge or his subordinate-in-charge of work before covering up or otherwise placing beyond the reach of measurement any work in order that the same may be measured, and correct dimensions thereof be taken before the same is so covered up or placed beyond the reach of measurement and shall not cover up or place beyond the reach of measurement any work without the consent in writing of the Engineer-in-charge or his subordinate-in-charge of the work and if any work shall be covered up or placed beyond the reach of measurement without such notice having been given or consent obtained, the same shall be uncovered at the contractor's expenses or in default thereof on payment or allowance shall be made for such work, or the materials with which the same was executed.

3.4.13 Damage to Company's property

If the contractor, or his work people or servant shall break deface, in or destroy any part of a building in which they may be working or any building, road fence, enclosure, irrigation work, pipe line, cable and drain or grass land or cultivated ground continues to the premises on which the work or any part of it, is being executed, or if any damage shall happen to the work while in progress from any cause whatsoever or imperfections become apparent in it before the refund of the security deposit for the work becomes due, the contractor shall make the same good at his own expense, or in default, the Engineer-in-charge may cause the same to be made good by other workmen and deduct the expenses (*of which the certificate of the Engineer-in-charge shall be final*) from any sums that may be then or at any time, thereafter, become due to contractor from his security deposit or the proceeds of sale thereof, or of a sufficient portion thereof.

3.4.14 Safety & Diversion of Traffic

The contractor shall not obstruct and shall be held responsible for the safety of traffic and shall provide all watchmen lights, barriers, signs and fence necessary to prevent any accident or public or private damage or loss, and to regulate traffic during the progress of the work. Unless otherwise provided for by the specifications, he shall provide at his own cost for traffic by its diversion to an alternative route approved by the Engineer-in-charge or by the formation of side tracks along-side the work, or in the case of works within a town or village, or where specially provided for in the specifications, by the construction of one half of the road at a time, leaving the other half available for traffic. He shall not, by his operations obstruct any side road or bench track, nor shall he break down any fences telegraph lines nor obstruct any drain or water course, but when such obstruction or breakage's cannot be entirely avoided, he shall at once remove such obstructions when they occur, and make adequate provisions for traffic, or immediately repair such breakages and in the event of his failing to rectify the above mentioned causes, the Engineer-in-charge reserves to himself the power to do so, after giving the contractor twenty four hours notice in writing of his intention and the while of the cost of such work incurred by the department may be deducted from the money due or payable to the contractor.

The contractor shall exercise the greatest care during the progress of the work to avoid damage to any utility service as water sewer, electric power telephone etc. within the limits of the work and will be held responsible for any such damage caused by him or his agents, directly or indirectly.

3.4.15 Quoted Rates to be all inclusive

The contractor shall supply at his cost all materials (except such special material, if any as may be in accordance with the contract be supplied from, the Engineer-in-charge's stores) plants, tools appliances, implements, ladders, cordage, tackle scaffolding and temporary works requisite or proper for the proper execution of work, whether original, altered or substituted and whether included in the specifications or other documents forming part of the contract or referred to in these conditions or not, or which may be necessary for the purpose of satisfying or complying with the requirements or the Engineer-in-charge as to any matter as to which under these conditions he is entitled to be satisfied or which he is entitled to require together with carriage thereof to and from the work. The contractor shall also supply without charges the requisite number of persons with the means that the materials necessary for the purpose of setting out work and counting, weighing and assisting in the measurement of examination at any time and from time to time for the work or materials. Failing his so doing, the same may be provided by the Engineer-in-charge at the expense of the contractor and the expenses may be deducted from any money due to the contractor under the contract, or from his security deposit, but delay on this account, if any, will not be reckoned by the company. The contractor shall also provide all necessary fencing and lights required to protect the public accident and shall be bound to bear the expenses of defense of every suit action or other proceedings at law that may be brought by any person for injury sustained owing to neglect of the above precautions, and to pay the damages and costs which may be awarded in any such suit action proceeding to any such person or persons or which may with the consent of the contractor be paid to compromise any claim by any such person.

The contract includes clearance, leveling and dressing of site within a distance of 50 m of the building on all sides of all redundant stores, materials etc. brought by the contractor for the work except where the building adjoins another building.

The contractor shall arrange to protect at his own cost in an adequate manner all stone work and other work requiring protection and to maintain such protection as long as work on the building is in progress. He shall remove and replace this protection as required by the Engineer-in-charge from time to time. Any damage to the work so protected, no matter how it may be caused shall be made good by the contractor free of cost.

All templates, forms, moulds, centering, false work and models which in the opinion of the Engineer-in-charge are necessary for the proper and workman like execution of the work shall be provided by the contractor free of cost.

3.4.16 Subletting of Contract

The contract shall not be assigned or sublet without the written approval of the Engineer-in-charge and if the contractor shall assign or sublet his contract or attempt to do so or becomes insolvent or commences any insolvency proceedings or make any composition with the creditors or attempts to do so or any bribe, gratuity, gift, loan requisite reward or advantage, pecuniary or otherwise shall either directly indirectly be given, promised or offered by (he contractor or any of his servants or agents to any employee of the Company in any way relating to his office or employment, or it any such officer or person shall become in any way directly or indirectly interested in the contract, the Engineer-in-Charge may thereupon by notice in writing rescind the contract, and the security deposit of the contractor shall thereupon stand forfeited and be absolutely at the disposal of the company and the same consequences shall endure as if the contract had been rescinded under the relevant clause and in addition the contractor shall not be entitled to recover or being paid for any work therefore actually performed under the contract.

3.4.17 Lump sum Work.

When the contract includes lump sum in respect of the parts of the work, the contractor shall be entitled to payment in respect of the items of work involved or the part of the work in question at the same rates as are payable under the contract for such items or if the part of the work in question is not in the opinion of the Engineer-in-charge capable of measurement the Engineer-in-charge may in his discretion pay the lump sum amount entered in the contract and the certificates in writing of the Engineer-in-charge shall be final and conclusive against the contract with regard to any sum or sums payable to him under the provisions of the clause.

3.4.18 Works for which specification not mentioned

In the case of any class of work for which there is no such specification as is mentioned in G-Schedule, such work shall be carried out in accordance with the detailed specifications and in the event of there being no specifications work will be carried out in all respects

3.4.19 Reduced Rates

In cases where the items of work are not accepted as so complete, the Engineer-in-charge may make payment on account of such items at such reduced rates as he may consider reasonable in the preparation of final or on account bills.

3.4.20 Progress to accommodate working of other contractors

If the progress of the work has fallen as much in arrears as to prevent other contractors on the work from carrying out their part of the work within the stipulated time, he will be liable for the settlement of any claim put in by any of these contractors for the expenses of keeping their labour unemployed to the extent considered reasonable by the Engineer-in-charge.

3.4.21 Employees of the contractor

The Engineer-in-charge may require the removal within twenty four hours by the contractor of any, agent, Engineer, Overseer, Foreman, Workman or other person employed by him on the work contracted for and in the event of the contractor refusing or neglecting to comply with such requisition no further payment will be made on account of the work until the said removal is carried out and the Company shall not be liable for any compensation whatsoever.

3.4.22 Dismantling & Disposal thereof

Contractor in course of the work should understand that all materials e.g. stone and other materials, obtainable in the work of dismantling etc. will be considered as the Company's property and will be disposed off to the best advantage of the Company.

3.4.23 Protection to plantation

The contractor shall not fire to any standing jungle trees, brushwood or grass without a written permit from the Engineer-in-charge.

When such permission is given and also in all cases when destroying, cutting or dug up trees brushwood, grass etc. by fire the contractor shall take necessary measures to prevent such fire spreading to or otherwise damaging surrounding property. Any damage caused by the spreading of such fire, whether in or beyond the limits of the Company's property shall be made good by the contractor within a period specified by the Engineer-in-charge or on default the amount of the damage may be made good by the Engineer-in-charge the expense being recovered from the contractor as damages in the manner prescribed in clause I, or deducted by the Engineer-in-charge from any sums that may be due or become due from the Company to the contractor under this contract or otherwise.

The contractor shall bear the expenses of defending any action law proceedings that may be brought by any person for injury sustained owing to neglect or precautions to prevent spread of fire and shall pay any damages and cost that may be awarded in consequences.

3.4.24 Recovery of claim against the contractor

Whenever any claim against the contractor for the payment of a sum of money arises out of or under the contract the company shall be entitled to recover such sum by appropriating, in part or whole, the security deposit of the contractor. In the event of the security being insufficient or if no security has been taken from the contractor, then the balance or the total sum/recoverable, as the case may be, shall be deducted from any sum then due or which at any time thereafter may become due from the contractor under this or any other contract with the company. Should this sum be not sufficient to cover the full amount recoverable, the contractor shall pay to Company, on demand the balance remaining.

3.4.25 Technical Examination & Audit

The Company shall have right to close an audit and technical examination of the works and the final bills of the contractor including all supporting vouchers, abstract etc. to be made after payment to the final bill and if as a result of such Audit and technical examination any sum is found to have been over paid in respect of any work done by the contractor under the contract or any work claimed by him to have been done by him under the contract and found not to have been executed, the contractor shall be liable to refund the amount of over payment and it shall law full for the company to recover the same from him in the manner prescribed elsewhere in the tender or in any other manner legally permissible and if it is found that the contractor was paid less then that was due to him under the contract in respect of any work executed by him under it the amount of such under-payment shall be duly paid by the Company to the Contractor.

FORM OF 'G' SCHEDULE

Name of Work: : Various Civil Works in different locations at Jhamarkotra Mines 01/2018-19

Time period : 4 Months

S.No.	Particulars of work	Unit	Quantity	Rate	Amount
BOQ-1: Capital nature work; (PWD BSR 2013 Items)					
1	Earth work in excavation in foundation trenches or drains including dressing of sides and ramming of bottoms, lift up to 1.5 Mtr, including taking out the excavated soil and depositing and refilling of jhiri with watering & ramming and disposal of surplus excavated soil as directed within lead of 50 mtr. All kinds of soil.(1.8/B-2)	CUM	28.23	109.00	3,077.07
2	Providing and laying in position cement concrete including curing compaction etc. Complete in specified grade excluding the cost of centering and shuttering. All work up to plinth level using crusher broken aggregate.(3.2/B-13)				
(a)	1:4:8 (1 cement : 4 coarse sand : 8 graded stone aggregate 40 mm nominal size) (3.2.7/B-13)	CUM	6.66	2758.00	18,368.28
(b)	M20 grade Nominal Mix (with graded stone aggregate 20mm nominal size) (3.2.2/B-13)	CUM	0.96	4071.00	3,908.16
3	Providing and laying cement concrete including curing compaction etc. complete in retaining walls, return, walls, walls (any thickness) including attached pilasters, columns, piers, abutments, pillars, posts, struts, buttresses string or lacing courses, parapets coping bed blocks anchor blocks plain windows sills, fillets etc. up to floor three level excluding the cost of centering and shuttering. M15 grade Nominal Mix (with graded stone aggregate 20mm nominal size) (3.3.3/B-13)	CUM	2.20	3700.00	8,140.00

4	Random rubble stone masonry for foundation and plinth in cement sand mortar above 30 cm thick wall in: Cement mortar 1:6 (1 Cement : 6 Sand) (6.1.7/B-30)	CUM	22.52	1884.00	42,427.68
5	Random Rubble stone masonry for superstructure above plinth level one storey height above 30 cm. thick walls in : Cement mortar 1:6 (1 Cement : 6 Sand) (6.2.7/B-31)	CUM	5.94	2103.00	12,491.82
6	Brick masonry in foundation and plinth with bricks of class designation 75 in Cement mortar 1:6 (1 cement : 6 coarse sand) Add extra over item no 5.1 for brick work in super structure up to third storey (5.1.7+5.2/B-26)	CUM	47.72	3360.00	1,60,339.20
7	Brick masonry in foundation and plinth with bricks of class designation 75 in Cement mortar 1:6 (1 cement : 6 coarse sand) Add extra over item no 5.1 for brick work in super structure up to third storey Add Extra over item no 5.1 for brick work in Square or Rectangular PillarsUp to 45cm length and all sides are free (5.1.7+5.2 +5.3.1.1/B-26)	CUM	13.35	3535.00	47,192.25
8	Half brick masonry in foundation & plinth using bricks of designation 75Cement mortar 1:6 (1 cement : 6 coarse sand) Add extra over item no 5.8 for half brick masonry in superstructure up to third storey including cost of nominal hoop reinforcement (2 Nos. 6 mm dia M.S. bar at every forth course) (5.8.4+5.9 /B-27)	SQM	119.10	381.00	45,377.10
9	Plaster on new surface on wall in cement sand mortar 1:6 including raking of joints etc. complete fine finish: 25mm thick(12.9.1 /B-122)	SQM	859.91	122.00	1,04,909.02
10	Finishing wall with water proofing cement paint of approved brand and manufacture and or required shade to give an even shade including all scaffolding				
(a)	New Work (Three or more coats) (12.53.1/B-129)	SQM	820.46	43.80	35,936.15

(b)	Old work (one or more coats) (12.53.2/B-129)	SQM	316.35	37.00	11,704.95
11	Painting with enamel paint of approved brand and manufacture to give an even shade:				
(a)	One or more coats on old work (12.68.2/B-132)	SQM	73.20	47.50	3,477.00
(b)	Two or more coats on new work (12.68.1/B-132)	SQM	56.84	66.30	3,768.49
12	Providing and laying damp-proof course with cement concrete grade M-150 (1:2:4) mortar prepared with 1 % solution of water-proof compound, including two coats of hot blown bitumen (2 Kg. per sqm) complete as per specification with glass strip 3 mm thick at a distance of 1 m interval: Deduct in item no. 15.2 if no glass strips are used. Deduct in item no. 15.1 & 15.2 for not applying 2 coats of hot bitumen complete as per specifications.				
(a)	75 mm thick (15.2+15.2.3-15.7-15.8/B-154)	SQM	40.05	263.00	10,533.15
(b)	50 mm thick (15.2+15.2.2-15.7-15.8/B-154)	SQM	21.60	198.00	4,276.80
13	Providing and fixing steel gate grating and grills made of angles, tees, square bars or flats black pipe with holdfast and fittings complete as per deign and drawing including cutting welding and fabrication with priming coat of red oxide. (9.19/B-85)	KG	841.41	75.00	63,105.75
14	Supplying and fixing stone lintels/bed plates of approved quarry rough dressed in cement mortar 1:4 Up to 15 cm thick (6.17 + 6.17.1 /B-34)	CUM	0.05	4894.00	244.70
15	Providing corrugated asbestos cement 6mm thick sheet roofing and fixing with GI, J or L-hooks, bolts and nuts 8mm dia GI plain and bitumen washers complete Excluding the cost of purlines, rafters and trusses. Upto 60 degree pitch (10.34 + 10.34.1 / B-102)	SQM	462.74	345.00	1,59,645.30

16	Providing and fixing steel glazed doors windows and ventilator shutters of standard rolled steel section joints mitred and welded with steel lugs 13x3mm, 10cm, long embedded in cement concrete block 15x10x10cm of 1:3:6 (1 cement : 3 coarse sand : 6 graded stone aggregate 20mm nominal size) or with wooden plugs and screws or rawl plugs and screws with fixing clips or with bolts and nuts as required including providing and fixing of plain glass panes 4mm thick with coper glazing clips and special metal sash putty of approved make or metal beading with screws complete including priming coat of approval steel primer excluding the cost of metal beading and other fitting except necessary hings of pivots steel handles peg stay etc. as required. Windows side hung (openable) (9.28+9.28.3 /B-88)	SQM	2.16	1938.00	4,186.08
17	Dismantling stone rubble masonry including stacking of serviceable material and disposal of unserviceable material within 50 mtr lead. In cement mortar (14.9 + 14.9.2/B-144)	CUM	5.94	308.00	1,829.52
18	Dismantling roofing including ridges, hips, valleys and rafters etc. and stacking the within 50 mtr lead of : Asbestos Sheet (14.28 + 14.28.2 /B-147)	SQM	454.56	10.00	4,545.60
19	Providing and fixing ridges and hips in asbestos cement sheet roofing One piece plain angular ridges (10.38 + 10.38.1/B-103)	RMT	43.00	150.00	6,450.00
20	L/C for fixing of GI/AC sheet include. Cutting jhiri and repair , cutting of sheet , fixing of sheet with J or L hook and bitumen washer as per direction of EI (13.38/B-141)	SQM	133.12	118.00	15,708.16
21	P & F GI pipes (External works) with GI fittings excluding Union (IS:1239 mark) and MS clamps, including trenching and refilling earth etc. 50mm dia Nominal Bore; 'B' Class	RMT	88.80	470.00	41,736.00

	(2.2 + 2.2.6/S-14)				
	TOTAL				8,13,378.23
22	Miscellaneous Items				35,730.68
	Total BOQ-1 (PWD BSR Items)				8,49,108.91
BOQ-2: Capital nature work; (Non-BSR Items)					
1	Providing and fixing barbed wire fencing over 2.1 m high brick masonry boundary wall using Indian Standard MS Angle section ISA 50x50x5 and GI barbed wire. Overall length of fencing posts should be 1.5 m out of which, bottom most 0.3m portion is to be grouted in concrete 1:2:4 nominal mix of size 15x15x15 inside existing brick masonry pillars at about 3.00m centre to centre distance, middle portion of 0.75m length of the posts to be erected vertical and topmost portion of 0.45m length of posts to be bend at an inclination of 45 degree transverse towards inside of 132kV sub-station. Total 8 horizontal lines of barbed wires are to be fixed with these angle iron posts at centre to centre spacing of 0.15m between each line of barbed wires tied with GI Staples and GI Clips to retain horizontal.	RMT	165.00	450.00	74,250.00
	Total BOQ-2 (Non-BSR Items)				74,250.00
	TOTAL (BOQ -1 +BOQ -2)				9,23,358.91

S.No.	Particulars of work	Unit	Quantity	Rate	Amount
BOQ -3 : Revenue nature work; (PWD BSR Items)					
1	Earth work in excavation in foundation trenches or drains including dressing of sides and ramming of bottoms, lift up to 1.5 Mtr, including taking out the excavated soil and depositing and refilling of jhiri with watering & ramming and disposal of surplus excavated soil as directed within lead of 50 mtr. All kinds of soil. (1.8/B-2)	CUM	167.87	109.00	18,297.83

2	Earth work in excavation in foundation trenches or drains including dressing of sides and ramming of bottoms lift up to 1.5 mtr including tracking out the excavated soil and depositing and refilling of jhiri with watering and ramming and disposals of surplus excavated soil as directed with a lead in a 50 mtr including stacking of useful material if available. Ordinary rock (1.9.1/B-2)	CUM	64.93	249.00	16,167.57
3	Earth work in excavation in foundation trenches or drains including dressing of sides and ramming of bottoms lift up to 1.5 mtr including tracking out the excavated soil and depositing and refilling of jhiri with watering and ramming and disposals of surplus excavated soil as directed with a lead in a 50 mtr including stacking of useful material if available. Hard rock blasting prohibited (1.9.3/B-2)	CUM	16.24	562.00	9,126.88
4	Providing and laying in position cement concrete including curing compaction etc . Complete in specified grade excluding the cost of centering and shuttering. All work up to plinth level using crusher broken aggregate. (3.2/B-13)				
(a)	1:4:8 (1 cement : 4 coarse sand : 8 graded stone aggregate 40 mm nominal size) (3.2.7/B-13)	CUM	6.39	2758.00	17,623.62
(b)	M15 grade Nominal Mix (with graded stone aggregate 20mm nominal size) (3.2.3/B-13)	CUM	7.54	3621.00	27,302.34
(c)	1:5:10 (1 cement : 5 coarse sand : 10 graded stone aggregate 40 mm nominal size) (3.2.8/B-13)	CUM	12.73	2596.00	33,047.08
(d)	M20 grade Nominal Mix (with graded stone aggregate 20mm nominal size) (3.2.2/B-13)	CUM	23.23	4071.00	94,569.33
(e)	M10 grade Nominal Mix (with graded stone aggregate 40mm nominal size)	CUM	18.83	3225.00	60,726.75

	(3.2.6/B-13)				
5	Random rubble stone masonry for foundation and plinth in cement sand mortar above 30 cm thick wall in: Cement mortar 1:6 (1 Cement : 6 Sand) (6.1.7/B-30)	CUM	6.46	1884.00	12,170.64
6	Random Rubble stone masonry for superstructure above plinth level one storey height above 30 cm. thick walls in : Cement mortar 1:6 (1 Cement : 6 Sand) (6.2.7/B-31)	CUM	1.13	2103.00	2,376.39
7	Random rubble stone masonry for foundation and plinth in cement sand mortar above 30 cm thick wall in: Cement Mortar 1:4 (1 cement : 4 Sand) (6.1.5/B-30)	CUM	19.05	2105.00	40,100.25
8	Plaster on new surface on wall in cement sand mortar 1:6 including raking of joints etc. complete fine finish: 25mm thick(12.9.1 /B-122)	SQM	41.55	122.00	5,069.10
9	Finishing with neat cement (punning) (12.15 /B-123)	SQM	28.95	23.00	665.85
10	Plaster on new surface on wall in cement sand mortar 1:4 including raking of joints etc. complete fine finish: 25mm thick(12.8.1 /B-122)	SQM	206.84	145.00	29,991.80
11	Add extra over item for plaster work on exterior wall of height more than 4.5m from plinth level of every additional height of 4.5 mtr. or part thereof. (12.29/B-124)	SQM	132.00	29.00	3,828.00
12	Dismantling old plaster or skirting raking out joints and cleaning the surface for plaster including disposal of rubbish to the dumping ground within 50 mtr lead (14.54 /B-151)	SQM	132.00	7.00	924.00
13	Add extra for all type of dismantling work for each subsequent storey or height more than 4.5m Rate in Sqm(14.62.2 /B-152)	SQM	132.00	2.80	369.60

Compliance with the Code of integrity and No conflict of Interest

Any person participating in a procurement process shall:

- (a) Not offer any bribe, reward or gift or any material benefit either directly or indirectly in exchange for an unfair advantage in procurement process or to otherwise influence the procurement process.
- (b) Not misrepresent or omit that misleads or attempts to mislead so as to obtain a financial or other benefit or avoid an obligation.
- (c) Not indulge in any collusion, Bid rigging or anti competitive behavior to impair the transparency, fairness and progress of the procurement process;
- (d) Not misuse any information shared between the procuring Entity and the Bidders with an intent to gain unfair advantage in the procurement process;
- (e) Not indulge in any coercion including impairing or harming or threatening to do the same, directly or indirectly, to any party or to its property to influence the procurement process.
- (f) Not obstruct any investigation or audit of a procurement process.
- (g) disclose conflict of interest, if any; and
- (h) Disclose any previous transgressions with any Entity in India or any other country during the last three years or any debarment by any other procuring entity.

Conflict of Interest:

The Bidder participating in a bidding process must not have a Conflict of Interest.

A Conflict of Interest is considered to be a situation in which a party has interests that could improperly influence that party's performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws and regulations.

- i. A bidder may be considered to be in Conflict of Interest with one or more parties in bidding process if, including but not limited to:
 - a. have controlling partners/shareholders in common; or
 - b. receive or have received any direct or indirect subsidy from any of them; or
 - c. have the same legal representative for purposes of the Bid; or
 - d. have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the Bid of another bidder, or influence the decisions of the Procuring Entity regarding the bidding process; or
 - f. the Bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the Goods. Works or Services that are the subject of the Bid; or
 - g. Bidder or any of its affiliates has been hired (or is proposed to be hired) by the Procuring Entity as engineer-in-charge/consultant for the contract.

Annexure-B

Declaration by the Bidder regarding Qualifications

Declaration by the Bidder

In relation to my/our Bid submitted to “RSMM Ltd., Udaipur” for procurement of “Various Civil Works in Different Locations at Jhamarkotra Mines, Dist. Udaipur (Rajasthan)” in response to their Notice Inviting Bid no. _____ dated _____ I/We hereby declare under Section 7 of Rajasthan Transparency in Public Procurement Act, 2012, that:

1. I/we possess the necessary professional, technical, financial and managerial resources and competence required by the Bidding Document issued by the Procuring Entity.
2. I/we have fulfilled my/our obligation to pay such of the taxes payable to the Union and the State Government or any local authority as specified in the Bidding Document.
3. I/we are not insolvent, in receivership, bankrupt or being wound up, not have my/our affairs administered by a court or a judicial officer, not have my/our business activities suspended and not the subject of legal proceedings for any of the foregoing reasons.
4. I/we do not have, and our directors and officers not have, been convicted of any criminal offence related to my/our professional conduct or the making of false statements or misrepresentations as to my/our qualifications to enter into a procurement contract within a period of three years preceding of commencement of this procurement process, or not have been otherwise disqualified pursuant to debarment proceedings;
5. I/we do not have conflict of interest as specified in the Act, Rules and the Bidding Document, which materially affects fair competition;

(1) Filing an appeal

If any Bidder or prospective bidder is aggrieved that any decision, action or omission of the Procuring Entity is in contravention to the provisions of the Act or the Rules or the Guidelines issued there under, he may file an appeal to First Appellate Authority, as specified in the Bidding Document within a period of ten days from the date of such decision or action omission, as the case may be, clearly giving the specific ground or grounds on which he feels aggrieved:

Provided that after the declaration of a Bidder as successful the appeal may be filed only by a Bidder who has participated in procurement proceedings:

Provided further that in case a Procuring Entity evaluates the Technical Bids before the opening of the Financial Bids, an appeal related to the matter of Financial Bids may be filed only by a Bidder whose Technical Bid is found to be acceptable.

- (2) The officer to whom an appeal is filed under para (1) shall deal with the appeal as expeditiously as possible and shall endeavor to dispose it of within thirty days from the date of appeal.
- (3) If the officer designated under para (1) fails to dispose of the appeal filed within the period specified in para (2), or if the Bidder or prospective bidder or the Procuring Entity is aggrieved by the order passed by the First Appellate Authority, the Bidder or prospective bidder or the Procuring Entity, as the case may be, may file second appeal to Second Appellate Authority specified in the Bidding Document in this behalf within fifteen days from the expiry of the period specified in para (2) or of the date of receipt of the order passed by the First Appellate Authority, as the case may be.

(4) Appeal not to lie in certain cases

No appeal shall lie against any decision of the Procuring Entity relating to the following matters, namely:-

- (a) determination of need of procumbent;
- (b) provisions limiting participation of Bidders in the bid process;
- (c) the decision of whether or not to enter into negotiations;
- (d) cancellation of a procurement process;
- (e) applicability of the provisions of confidentiality.

(5) Form of Appeal

- (a) An appeal under para (1) or (3) above shall be in the annexed Form along with as many copies as there are respondents in the appeal.
- (b) Every appeal shall be accompanied by an order appealed against, if any, affidavit verifying the facts stated in the appeal and proof of payment of fee.
- (c) Every appeal may be presented to First Appellate Authority or Second appellate authority, as the case may be, in person or through registered post or authorized representative.

(6) Fee for filing appeal

- (a) Fee for first appeal shall be rupees two thousand five hundred and for second appeal shall be rupees ten thousand, which shall be non refundable.
- (b) The fee shall be paid in the form of bank demand draft or banker's cheque of Scheduled Bank in India payable in the name of appellate Authority concerned.

(7) Procedure for disposal of appeal

- (a) The first Appellate Authority or Second Appellate Authority as the case may be, upon filing of appeal, shall issue notice accompanied by copy of appeal, affidavit and document, if any, to the respondents and fix date of hearing.
- (b) On the date fixed for hearing, the First Appellate Authority or Second Appellate Authority, as the case may be, shall:-
 - (i) hear all the parties to appeal present before him; and
 - (ii) peruse or inspect documents, relevant records or copies thereof relating to the matter.
- (c) After hearing the parties, perusal or inspection of documents and relevant records or copies thereof relating to the matter, the Appellate Authority concerned shall pass an order in writing and provide the copy of order to the parties to appeal free of cost.
- (d) The order passed under sub-clause(c) above shall also be placed on the State Public Procurement Portal.

Additional conditions of Contract

1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of financial Bids on the following basis:

- i. if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.
- ii. if there is an error in total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. if there is a discrepancy between words and figures, the amount in words shall prevail unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

Procuring Entity's Right to Vary Quantities

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 50% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.
