## SECTION III

### GENERAL CONDITIONS OF THE CONTRACT

#### **3.1 SECURITY DEPOSIT**

The contractor shall furnish a **Security Deposit @ 3% of the accepted total value** of the contract in the form of Demand Draft/Bank Guarantee, in favour of RSMML, Jhamarkotra/Udaipur within 30 days of the issuance of such communication of acceptance of tender/Letter of Acceptance, for due fulfillment of all or any of the terms & conditions of the contract.

The Bank Guarantee shall be provided only in the approved format of the company from a PSU Bank (except State Bank of India) /ICICI/Axis/HDFC bank having its branch at Udaipur on non-judicial stamp paper of 0.25% of BG value subject to maximum Rs. 25000/- or on appropriate value of stamp paper as per prevailing stamp act on the date of issue of BG. No amendment in this format shall be acceptable to the company. The Bank Guarantee shall be valid for the entire contract and/or extended period, if any, plus a grace period of six months. The Company shall be entitled to encash the same and appropriate the whole of the amount or part thereof against its claims /dues or sums payable as contained herein.

The entire Security Deposit shall be refunded after six months of the expiry of contract, provided always that the Contractor has been first paid all the bills including his final bill subject to deductions as are permissible under these terms and all other dues to the Company arising out of this contract, if any, have been fully met by the Contractor and the Contractor has rendered “No claim and No Due Certificate” to the Company.

The Security Deposit shall be liable to be forfeited wholly or partly at the sole discretion of the Company, should the Contractor either fail to fulfill the contractual obligations or fail to settle in full, his dues to the Company. In case of premature termination of the contract, the Security Deposit will be forfeited and the Company will be at liberty to recover the loss suffered by it from the Contractor.

If the Contractor or their employees cause any damage or destroy the property belonging to the Company or others during the execution of the contract, the same shall be made good by the Contractor at his own expense and in default thereof, the Engineer-In-Charge may cause the same to be made good by other agencies and recover expenses from the contractor (for which the certificate of the Engineer-In-Charge shall be final and binding on the contractor).

The Company may deduct from the Security Deposit any sum due and any other sum that may be fixed up by the Company as being the amount of loss or losses or damages suffered by it due to delay in performance and/or non-performance and/or partial performance of any of the terms of the contract.

All compensation or other sums of money payable by the Contractor to the Company or recoveries to be made under the terms of this contract may be deducted from any sums which may be due to the Contractor from the Company on any account and in the event of the such amount being insufficient the Contractor shall within ten

days of such shortfall make good in cash, failing which the balance amount shall be recovered by way of invoking the bank guarantee furnished as security.

In the event of bank guarantee amount being insufficient, then the balance recoverable amount shall be deducted from any sum, then due or which at anytime thereafter may become due to the contractor. The Contractor shall pay to the company on demand any balance remaining due.

In case the Bank Guarantee is invoked for any reason/s, the contractor is required to furnish a fresh Bank Guarantee in the same format for the same amount and for the same period as the original Bank Guarantee within a period of 30 days from the date of invoking of original Bank Guarantee.

In the event of security amount at any time during the currency of the contract falling short of the specified amount, the Contractor shall forthwith make good the deficit on demand, so that the total amount of Security Deposit will not at any time be less than the amount so specified. The Company may recover the same by way of additional deductions from bills.

No interest is payable on S.D. amount.

In case of enhancement of quantum of work, due to any reason, the contractor shall furnish additional security amount. This security will be progressively recovered from the payment due to the contractor.

### **3.2 TIME PERIOD**

The timely completion of work is essence of contract. The complete work shall be required to be completed within a period of 60 days from the date of receipt of work order. ### **Additional Conditions of Contract**

1. **Correction of arithmetical errors**

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- i. if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected.
- ii. if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. **Procuring Entity’s Right to Vary Quantities**

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 25% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.
