5.3 **LIQUIDATED DAMAGES, PENALTIES & COMPENSATION**

5.3.1 If the contractor fails to accomplish work ordered from time to time, the Contractor shall be liable to pay Liquidated Damages (LD) to the company at the rate of Rs. 200/- per day per job subject to a maximum of 20% of the value of the said job(s). This is a genuine pre-estimate of the loss/damage which shall be suffered on account of delay/breach on the part of the Contractor and the said amount will be payable on demand without demur or protest and without there being any proof of the actual loss or damage caused by such delay/breach. The Company at its discretion can adjust the same against the Security Deposit and/or Running Account Bill/s.

5.3.2 Besides, failure of the contractor to work as per stipulated schedule will also entitle the Company to get the work done by making alternative arrangements at the cost and expense of the contractor and to recover from it the full difference of cost in making restoration of working up to the quantity of work allotted to the another agency.

5.3.3 However, Liquidated Damages/Penalty for defaults if any could be reduced or waived off if adequate justification or grounds exist for such a reduction or waiver based on the written request by the contractor for the same. Further if concerned Engineer In charge clarifies that any such default is due to valid constraints, Liquidated Damages would not be imposed.

5.3.4 The Liquidated Damages/Penalty, if levied, shall be recovered immediately from the bills of the contractor.

5.3.5 In poor performance of the contractor, RSMML may require the contractor to improve the performance of work within seven days of the receipt of a notice by the RSMML and if the contractor fails to improve its performance on pro-rata basis within this period of seven days, then the RSMML may get the work done by other agency at the cost & risk of the contractor without any further notice.

- 5.3.6 The contractor shall be liable to pay to the RSMML all costs, damage, charges, losses, etc., suffered or incurred or occasioned or sustained by the RSMML or by any other third party due to the negligent act or omission or un-workmen like performance of the contractor or its workmen or due to the breach of any of the terms of the contract or failure to carry out the work in accordance with contract by the contractor or its workmen. The decision of the RSMML in this respect shall be final and binding on the contractor. The recovery for any amount under this clause may be affected by the RSMML either from any bill or from the security deposit or set off against any other dues of the contractor, or by reference to an arbitrator, at the discretion of the RSMML.
- 5.3.7 The contractor shall make such satisfaction and pay compensation as may be assessed by a lawful authority in accordance with the law enforced on the subject for all damages, injury or disturbances which may be done by the contractor and shall indemnify and keep indemnified fully and completely, the RSMML against all claims which may be made by any person or persons in respect of any such damages, injury or disturbances and all cost and expenses in connection therewith.
- 5.3.8 Any amount due and payable to the contractor, including security deposit refundable to them under the contract, may be appropriated and set off by the RSMML against any claim or dues of the RSMML arisen or arising out of this contract or any other contract against the contractor.

5.4 **FORCE MAJEURE**

Neither the Contractor nor the Company shall be considered to be in default in the performance of their respective obligations under this contract if such performance is prevented or delayed because of the conditions constituting force majeure which shall include but not be limited to lock-outs, notice/s from the Directorate of Mines Safety Office, Civil Commotion, Fire accidents, epidemics, War, acts of God or because of any law, order, proclamation or ordinance of any Government or any authority thereof or forced stoppage of mining or for any other cause beyond reasonable control of the party affected, provided notice of such cause is given in writing by the party affected within 14 days of the happening of the event and in case it is not possible to serve the said notice within the said period of 14 days then within the shortest possible period, without any delay, partial failure/ interruption shall not be construed force

majeure for this purpose and the same shall not affect in any way the performance of the Contractor under this contract. As soon as the cause of force majeure has been removed, the party whose ability to perform its obligation has been affected shall notify the other of such cessation. Should one or both the parties be prevented from fulfilling their contractual obligations by state of force majeure lasting for a continuous period of three months both the parties shall consult each other and decide about the future course of action regarding the contract.

5.5 **INDEMNITY**

5.5.1 The Contractor shall at all times, indemnify and keep indemnified the Company and the Engineer-in-Charge from any and all liability for damages resulting from or arising out of or in any way connected with the operation covered by the contract and he shall make good all losses and damages arising therefrom. In case the Company shall incur any cost or expenses or suffer any loss on account of any claim demand or course of action brought against them and arising out of the operations covered by the contract. The Company shall have the power (without being bound to do so) to defend, contest or compromise any such claim, demand or cause of action. Any amount that may become payable by the Company and any cost, expense etc that may be incurred by the Company in this behalf, shall also be recoverable from the Contractor.

5.5.2 All sums payable by way of compensation/s under any of these conditions shall be considered as reasonable compensation to be applied to the use of the Company without reference to the actual loss or damage sustained and whether or not any damage shall have been sustained.

5.5.3 Contractor shall also keep indemnified the Company against all claims of its staff under Industrial Disputes Act, Payment of Wages Act, and Mines Act and other Acts/Rules applicable on the awarded work to the contractor.

5.6 **DISPUTE & JURISDICTION**

5.6.1 The place of the contract shall be Udaipur (Rajasthan). In case of any differences, the same shall be resolved by mutual discussions and agreement. However the decision of the Head of the SBU & PC Rock Phosphate of RSMML shall be final and binding.

- 5.6.2 The contract shall in all respects to be and shall be construed as an Indian contract and in conformity with Indian laws, and shall be subject to the jurisdiction of courts at Udaipur in the State of Rajasthan and no other courts outside Udaipur in India shall have jurisdiction to try any suit or proceedings or petitions and or any other matter pertaining to, connected with and/or ancillary to this contract.
- 5.6.3 The contractor shall not stop or abandon the work due to and during the pendency of such disputes or differences.

5.7 APPEALS:

Subject to section 40, of Rajasthan Transparency in Public Procurement rules 2013, if any bidder or prospective bidder is aggrieved that any decision action or omission of procuring entity is in contravention to the provisions of this act or rules or guidelines issued there under, he may file an appeal to designated First and Second Appellate Authority within a period of ten days from the date of such decisions or action, omission as the case may be clearly giving the specific ground on which he feel aggrieved on Form No.1(see rule 83)- Memorandum of appeal under the Rajasthan Transparency in Public Procurement act 2012 with prescribed fees.

ADDITIONAL CONDITIONS OF CONTRACT

1. Correction of arithmetical errors:

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- (i). if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
- (ii). If there is an error in a total corresponding to the addition or subtraction of sub totals, the sub totals shall prevail and the total shall be corrected; and
- (iii). If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) & (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities:

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates & conditions of the original order. However, the additional quantity shall not be more than 25% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and

the extra cost incurred shall be recovered from the supplier.
