NOTE:-

- Kindly confirm availability of services at our front office to avoid inconvenience.
- Please check with Front Office - Customer Care Dept., Billing Section for any service that may be added from time to time.

INSURANCE PATIENTS

- We have an in-house insurance patient desk to assist patients in processing their mediclaim and ensure smooth processing of approvals/bills from the respective insurers.
- It is advised that patients consult the TPA Helpdesk at least 3 days prior to date of admission, as the approval process can take anywhere between 24 to 48 hours. Otherwise regular deposit will be collected and refunded at the time of discharge after adjusting the difference in the amount of bill and approval received from insurance company. A declaration will also be obtained from the patient that patient is willing to pay in future if insurance company further deduct amount from the approved amount while releasing the payment.
- Please ensure patients have the following documents when patient come for the mediclaim procedure:
 - Policy papers or TPA I-Card
 - Photo ID proof
 - Previous medical reports
 - Positive investigation report supporting the procedure
- For any further assistance call insurance patient desk.
- Patient should be asked to make a deposit in case prior approval from TPA is not obtained.
- In case of non-approval from TPA, patient shall deposit / payment amount equal to the outstanding bill.
- In order for the TPA to approve the procedure amount, minimum 24 hrs hospitalization is required (this may however depend on the policy of the patient)

CORPORATE PATIENTS

- We have an In-house Corporate Patient Desk to assist patient during their visit to hospital.

BILLING

OUTPATIENT SERVICES:

- We have Customer Care Desk with multi- tasking functions like Registration, Consultation & Service billing and payment collection, to assist patients at every stage of their visit to the hospital.

INPATIENT SERVICES:

- Billing assistance is given to the patients at every stage of their stay in the hospital. A billing counselling is done immediately after the admission is suggested.
- Two types of bills are generated in hospital viz:
 1. INTERIM BILLS
 2. FINAL BILLS
- **INTERIM BILLS:** Interim bills are generated on daily basis. The interim bills will give patients an idea on the hospital expenditure as on that day and the amount outstanding in patient's account, if any. In case of outstanding, patients will be required to settle the same within one day. Patients can contact the billing department if patients require any clarification on the bill details.
- **FINAL BILLS:** at the time of discharge the final bill will be generated. This will consider all the interim and reservation deposit paid. Please note that the advance deposit can be adjusted only against the final bill and not against the interim bills.
- **MODE OF PAYMENT**
Deposits/ Payments will be accepted in CASH/CREDIT CARDS at all the customer care desks. CHEQUES WILL NOT BE ACCEPTED.

REFUND

- The refunds are made in the form of CASH/NEFT by Customer Care Desk/ Billing/TPA department after receiving an approval from Deputy General Manager. We ensure that refund process is expedited at all points to ensure minimal waiting time for patient.
