Table of Contents

Chapter I. The particulars of its organisation, functions and duties;.....	3
Chapter II The powers and duties of its officers and employees;.....	14
Chapter III The procedure followed in the decision making process, including channels of supervision and accountability;.....	15
Chapter IV The norms set by RSMML for the discharge of its functions;.....	15
Chapter V The rules, regulations, instructions, manuals and records, held by it or under its control or used by its employees for discharging its functions;	16
Chapter VI A statement of the categories of documents that are held by it or under its control;	16
Chapter VII The particulars of any arrangement that exists for consultation with, or representation by, the members of the public in relation to the formulation of its policy or implementation thereof;	17
Chapter VIII A statement of the boards, councils, committees and other bodies consisting of two or more persons constituted as its part or for the purpose of its advice, and as to whether meetings of those boards, councils, committees and other bodies are open to the public, or the minutes of such meetings are accessible for public;.....	17
Chapter IX A directory of its officers and employees;.....	17
Chapter X The monthly remuneration received by each of its officers and employees including the system of compensation as provided in its regulations;	18
Chapter XI ... The budget allocated to each of its agency, indicating the particulars of all 30plans, proposed expenditures and reports on disbursements made;	19
Chapter XII The manner of execution of subsidy programmes, including the amounts allocated and the details of beneficiaries of such programmes;	19
Chapter XIII Particulars of recipients of concessions, permits or authorisations granted by it;	19
Chapter XIV Details in respect of the information, available to or held by it, reduced in an electronic form;.....	19
Chapter XV The particulars of facilities available to citizens for obtaining information including the working hours of a library or reading room, if maintained for public use;	20

Chapter XVI The names, designations and other particulars of the Public	
Information Officers;.....	20
Chapter XVII Such other information as may be prescribed and thereafter update these publications every year;.....	22
Name and designation of appellate authority	22
Annexure-I.....	23

Preface

Rajasthan State Mines & Minerals Ltd. is a (A Govt. of Rajasthan Enterprise). With its Corporate office at Udaipur and its registered office at Jaipur engaged in Mining and related business of various minerals mainly, Rock Phosphate, Lignite, Limestone, Gypsum, etc. Information has been documented and published under section 4(1) (b) of the Right to Information Act, 2005.

Chapter-I

The particulars of organisation, functions and duties:

1.1 Rajasthan State Mines and Minerals limited (in short RSMML) is one of the leading and progressive enterprises of the Government of Rajasthan. It occupies a place of pride in production and marketing of non metallic minerals in India. RSMML is multi mineral and multi location enterprise engaged in mining of Rock Phosphate, Lignite, SMS grade Limestone and Gypsum. RSMML is the leader not only in Mining & Selling of Rock Phosphate, Gypsum across the country, but also global pioneer in technology in open cast mining and mineral beneficiation of Carbonate Rock Phosphate. Besides minerals, RSMML has also forayed into Energy Sector and has setup 106.30 MW installed capacity Wind Power Project at Jaisalmer, Rajasthan.

1.2 PROFILE

THE BEGINNING & BEYOND

In 1942 M/s. Natural Science (India) Private Limited (NSIPL), a Calcutta based Company was granted a 5 years lease to mine Gypsum by the Ruler of the erstwhile Kingdom of Bikaner. In 1947 a long-term lease was granted to a newly formed Company called M/s. Bikaner Gypsum Limited (BGL). BGL was registered on May 7, 1947. The State and the public of Bikaner held 30% and 20% of its shares. The promoters of BGL held the rest. BGL appointed NSIPL as its managing agent for 20 years.

BGL was initially awarded a contract to provide 100,000 MT of Gypsum to the fertilizer plant producing Ammonium Sulphate. Later, the Company started selling Gypsum to cement plants all over the Country.

After the independence of India and subsequent merger of Bikaner State into the State of Rajasthan, the operations of BGL continued to flourish. Following the discovery of the Jhamarkotra Rock Phosphate deposit in Udaipur District of Rajasthan, BGL was appointed as the contractor for raising rock phosphate on behalf of the State in May 1970.

The magnitude of operations at Jhamarkotra and the need to develop the Rock Phosphate deposit rapidly on scientific lines led to the takeover of BGL by the Government of Rajasthan on 06.12.1974. The name of the Company was changed to the Rajasthan State Mines & Minerals Limited (RSMML). From 1974 to 1988, RSMML continued to work as contractors to Government for raising rock phosphate and also mined Gypsum as it had done previously. During this period, RSMML produced and marketed 6 million tones of rock phosphate and contributed more than Rs. 3000 million to the State Exchequer.

In April 1988, the Government decided to grant a lease for Rock Phosphate mining to the Company and RSMML became a full-fledged mining Company in its own right. It has not looked back since.

AMALGAMATION OF RSMDC WITH RSMML

On 20th February, 2003, the other Public Sector Undertaking in mining sector, Rajasthan State Minerals Development Corporation was merged with RSMML. The merger made the new entity a formidable force in the mining sector of India. Lignite, Gypsum and Limestone sectors received tremendous boost in terms of huge deposits and established production processes. The Company quickly resolved the issues emerged during the merger and started consolidating the mines spread in 8 districts of Rajasthan.

POST MERGER SCENARIO

Rock Phosphate continued its prime position in the business profile of the Company and catered to almost 94% of the indigenous demand during 2003-04 and 2004-05. The capacity of industrial beneficiation plant was increased from 1500 TPD and the production got streamlined

in 2004-05. The production of Lignite was streamlined at Giral and the Company is gearing up fast for providing one million tones of Lignite for the Lignite based Thermal Power plant coming up at Giral under State owned Company, Rajasthan Vidyut Utpadan Nigam Ltd. Being pioneer in the Lignite field, RSMML has ensured its strong presence in the Lignite based power sector in Rajasthan

The profit before tax for 2018-19 stood at Rs. 217.04 crore as against previous year figures of Rs. 230.51 crore. The Company started a number of R&D activities to further strengthen its R&D activities. Generous contributions were made for creation of life saving medical infrastructure in 8 project districts. The company has declared dividend of Rs. 38, 77, 57,500/- during the year 2018-19.

BUSINESS & PRODUCT PROFILE

(1) SBU & PC – ROCK PHOSPHATE – BACKGROUND

- The SBU & PC – Rock Phosphate of RSMML is presently engaged in mining of Rock Phosphate from different mines situated around Udaipur.
- Only about 7% to 10% of requirement of raw material for Phosphate fertilizer production is being met through indigenous sources and the rest is met through import.
- SBU & PC – Rock Phosphate of has played an important role by contributing 90% of Rock Phosphate production of India.

INDUSTRIAL BENEFICIATION PLANT.

The plant produces Beneficiated Rock Phosphate Concentrate (Avg. **34.0% P₂O₅A** for SSP & DAP Manufacturing Units),

- Original Capacity : 1500 TPD
- Expanded Capacity : 3000 TPD
- Capital Investment : Rs. 357.70 millions

Beneficiation Process Development

- Initial lab & bench scale studies through IBM, Nagpur and other foreign laboratories.
- IBM's double stage froth floatation process selected which is most economically viable beneficiation process.

- Based on the above, established a 200 tpd pilot plant at Jhamarkotra.
- Developed an industrial beneficiation plant of 1500 tpd capacity.
- Plant capacity expanded to 3000 tones /day using energy efficient roller press technology in 2003-04.

At Jhamarkotra, Udaipur, used in manufacturing of SSP and DAP, Main products – high grade chips, concentrate and low grade direct application fertilizer (Rajphos).

Products:

All products approved by Fertilizer Control Order, Government of India.

(1) 31.5% P_2O_5 Crushed Rock phosphate Chips (-12mm size)

(SSP Manufacturing Units)

(2) 31.54% P_2O_5 Beneficiated Rock phosphate Concentrate (200 mesh sizes)

(SSP & DCP Manufacturing Units, PROM etc.)

(3) 18.20% P_2O_5 Low Grade Rock phosphate Powder (RAJPHOS)

(Direct application Fertilizer in acidic soils)

(4) +31.5% P_2O_5 Crushed Rock phosphate Chips (Non SSP Grade)

Suitable for manufacture of Fertilizer –Di Ammonium Phosphate (DAP)

(2) SBU & PC – LIGNITE

- At present, RSMML is operating three lignite mines under SBU & PC Lignite. The first lignite mine to commence was Giral Mine (1994) in district Barmer, followed by second lignite mine (2003) in district Nagaur as Kasnau-Matasukh Mine, which was developed for meeting demand of fuel of the Industries. Subsequently the third lignite mine i.e. Sonari, near to existing Giral mine at Barmer has also been developed (2011). The lignite mines at Barmer were primarily developed for running 2X125 MW lignite based Power Plant setup at Giral by RVUNL as per MoU signed between RSMML & RVUNL. After

meeting the demand of lignite power plant, Company is undertaking e-auctions of lignite through M/s MSTC to maximize price realizations based on the demand of consuming industries. Both lignite mines at Barmer have been developed with production capacity of 10 Lac MT per annum.

- The mining activities at Kasnau-Matasukh were commenced in year 2003. However, due to presence of confined aquifer below lignite seam and keeping in control the in-rush of water in the pits, only Matasukh pit is being operated in cyclic manner. For this, while undertaking mining, depressurization of aquifer is also being done by operating required number of tube wells in the mining pit. The other pit i.e. Kasnau is abandoned and is being utilized to store the saline water pumped from Matasukh pit alongwith the surface ponds. The production capacity at Matasukh is restricted on account of cyclic mining and based on demand of consuming industries.
- In addition to above, two other Lignite mines viz Kapurdi & Jalipa in district Barmer have also been developed under joint venture by Barmer Lignite Mining Company Ltd (BLMCL). This company is responsible for development and operation of these lignite blocks at Barmer for supply of fuel to 1080 MW Lignite based power plant being set up by M/s Raj West Power Ltd (RWPL) at Bhadresh near the mines. BLMCL has been formed as a JV Company between RSMML & RWPL as 51% & 49% partners respectively, in pursuance to the Implementation Agreement signed by GoR with RWPL to set up power project. Both mining leases have been transferred in the name of BLMCL. Around 70 Lac MT lignite is being produced every year from these mines, which is being consumed for power generation by 8 units of 135 MW each of the power plant setup by RWPL.

(3) SBU & PC- GYPSUM

- Gypsum occurs as surface deposit in western district of Rajasthan. The mining leases are in Bikaner, Sriganganagar, Barmer, Nagaur, Jalore and Hanumangarh districts.
- Operating 20 Gypsum mines and 3 Selenite mines.
- Central Grinding Unit for Gypsum powder (70 TPH) has been set up at Rawla to ensure uniform quality standards.
- Supplies of Gypsum powder for land reclamation have been made to Haryana, UP & Rajasthan.
- The commercial production of Gypsum powder from Centralised Gypsum Grinding Units at Rawla was also started during the year 2003.
Gypsum & Selenite located in Bikaner, Sriganganagar, Barmer, Hanumangarh, Nagaur & Jalore.

(4) SBU & PC- LIMESTONE

SMS grade Limestone with very low Silica content, one of its kinds in the world. Mines and Crushing - Sizing Plant at Sanu (Jaisalmer), Mines at Gotan.

Used in Steel Industry & customers include SAIL, TISCO, Birla White etc.

ACTIVITIES IN BRIEF

- Low Silica Steel Grade Limestone, Sanu.
- Low Silica Steel Grade Limestone, Gotan.
- High Grade Limestone for White Cement Gotan
- High Grade Limestone for Chemical Industry, Gotan
- 30-40% Grade Flourspar Gitti.
- 50-60% Grade Flourspar
- 70-75% Grade Flourspar

Sanu Low Silica Steel Grade Limestone Project, Jaisalmer

- Mining (open cast) started in the year 1994.
- The limestone from the mines is regarded as the best and most suitable for steel making process. More than 200 million tones of proved reserves are available.
- Commissioned crushing and screening plants with installed feed capacity of 350 MT per hour in September 1996.

- Total capital investments around Rs. 250 million.
- The Company supplies standard size Limestone in all steel plants of the giant public sector steel maker Steel Authority of India Ltd (SAIL).
- Low Silica Limestone is also supplied to Tata Iron & Steel Co. (TISCO), Jamshedpur.

GREEN ENERGY PROJECTS

With a view of diversification activities and to protect environment degradation, RSMML has entered into wind power generation business in 2001. RSMML has commissioned 14x350Kw wind energy turbines on 70 mtr. high lattice towers at Badabagh area of Jaisalmer. The wind farm at Badagarh was expanded with additional 14x350Kw WET's in May 2002. In 2004, RSMML has commissioned 4x1250Kw WETs in Pohra Village of Jaisalmer. 6x1250 KW (7.5 MW) was added in March 2006. Afterwards in 2006-07, 25x600 KW (15 MW) wind farm is installed at Bharmasar- Pohra at Jaisalmer. In year 2007-08 RSMML has installed 22.5MW (18 x 1250 KW) wind farm at Hansuwa Satta Gorera at Jaisalmer. Then 15 MW (12x1250KW) and 31.5MW (15x 2100KW) wind farm were installed in 2008-09 &2009-10 respectively. Now the total wind farm capacity of RSMML is 106.30 MW.RSMM had also installed 5000 KW Solar Power Project at Gajner in distt. Bikaner in the year 2015 and roof top solar panels at corporate office Udaipur. Annual Generation of grid quality power is now about 1300 lacs KWH from eco friendly wind power.

Registration of Company's Project with Executive Board of Clean Development Mechanism under UNFCCC

Presently seven wind projects of RSMML, are registered under CDM category with UNFCCC, looking to the significant contribution of the projects towards sustainable development in India. These wind projects are contributing to reduction of carbon-dioxide emissions to the extent of about 1.25 lacs. tones per year.

RSMML, has received 20615 CERs in 2012-13 from UNFCCC, for wind power projects towards its contribution in sustainable development and to protect global warming through green energy generation. RSMML has entered into long term agreement for sale of CER for two CDM projects with m/s Swedish Energy Agency, Sweden.

RSMML ACTIVITIES

- Rajasthan State Mines & Minerals Limited - one of the largest and most successful mining companies in India is proud to support four key areas in the economic development of country namely; Agriculture, Steel, Construction and Power.
- Only producer of high grade Rock phosphate in the country – catering to 68% of the indigenous Rock demand for SSP fertilizer in India. Total production of Phosphate ore has touched 1.6 million tons. Rock handling has crossed 15 million tons per annum.
- The Integrated Beneficiation Plant located at Jhamarkotra, Udaipur produces high grade Rock phosphate concentrate, utilizing a unique set of technologies for the first time in the world.
- Rajphos, a direct application phosphate fertilizer, has become the most effective solution of the acidic soils of Southern and North Eastern states.
- RSMML is the largest producer of natural Gypsum, the most critical input for high grade cement, supplying 2.99 million tones of Gypsum to the cement industries of Western India.
- Helping farmers of Rajasthan, Haryana and Uttar Pradesh in reclaiming millions of hectare of land, by supplying Gypsum powder under state and World Bank assisted programmes.
- Steel Authority of India and TISCO source low silica SMS grade Limestone from RSMML.
- RSMML processes almost 2.5 million tones of Limestone every year and supplies to Steel Plants at Bokaro, Durgapur, Rourkela, Burnpur, Bhilai and Jamshedpur.
- Lignite is the future of power sector in Rajasthan and RSMML is the only Company producing Lignite in Rajasthan. From 2006, RSMML will supply 1 million ton of Lignite for power generation.
- This premier mining Company of Rajasthan also supplies high grade Limestone and fluorite to cement and chemical industries.

SBU-PC	Production in lac MT		Operational turnover (Rs. in crores)		Profit before tax (Rs. in crores)

RESEARCH & DEVELOPMENT

Producing fused Calcium Magnesium Rock Phosphate from Jhamarkotra

- Converting tailing rejects of IBP to Direct Application Fertilizer for Magnesium deficient soils.
- Plantation of Jatropha on waste land and back fill areas for creating Bio-fuel groves.
- Beneficiation of low grade Gypsum for producing high grade 80% + material for cement industry.
- Making the fine size Limestone gitti produced at Jaisalmer suitable for glass and allied industries.
- Beneficiation of secondary Rock Phosphate (Mineral reject),
- Development of Phosphate Rich Organic Manure (PROM) .
- Development of Apatite as semi precious mineral.

ENVIRONMENT

- As a responsible corporate citizen, RSMML believes in “*reduce, reuse and recycle.*”
- RSMML has constructed a huge dam of 200 mcft. fresh water storage capacity on Jhamri river, which has helped in recharging the regional water table.
- Extensive afforestation / plantation work is being done in and around all mines.
- The Industrial Beneficiation Plant is a ‘*Zero discharge plant*’. The waste water is treated at acid water treatment plant, resulting in a saving of about 1.5 million Cu M of fresh water.
- Regular monitoring of different environmental parameters i.e. air, water, dust, noise etc.
- Automatic water sprinklers on the Main Haulage Road of Jhamarkotra Mines, water injection system at drill units.
- Scientific use of explosives.
- Installation of dust extraction system at crushing and screening plant and at Central Gypsum Grinding Unit.
- The mined out area is being back filled simultaneously to reclaim the land.

SOCIAL COMMITMENT – AN OVERVIEW

- As a responsible corporate entity committed to discharge its social obligations, RSMML has been contributing generously towards the development of the areas located near its mining sites and other areas of operation.
- These contributions have been in the areas of
 - Medical & Health care
 - Education
 - Drinking Water
 - Environment
 - Development of village infrastructure
- The Company has been providing medical, educational and other facilities to the villages situated around its mines.
- A contribution of Rs. 29.84 crores has been made in last 7 Years to the Chief Minister’s Relief Fund for development of Medical and Health infrastructure facilities in .Medical Colleges / District Hospitals at Udaipur, Bikaner, Jodhpur, Barmer, Sri Ganganagar, Jaisalmer, Pali, Hanumangarh and Nagaur.

- Memorandums of Understanding have also been entered with Government of Rajasthan for utilization of these funds.
- Medical Camps are being regularly organized in the villages around the mine location and project areas of the Company where free check-up and medicines are provided.
- RSMML has provided prime land for the project for setting up a 100 bedded multi-super specialty hospital and Udaipur under a IV arrangement with M/s. American International Health Management Limited, Udaipur. The capital investment on the hospital envisage Rs. 200 millions.
- Other works for development of village infrastructure include:
 - Contribution to Panchayats for schools
 - Improvement in village Goshalas
- According high priority to fulfill its social responsibilities, the Company regularly takes up works related to socio-economic development along with environment restoration and management in the areas where the Company has major mining operations and other business activities.

SUPPLY OF POTABLE WATER

Water supply to Udaipur City

- Supplying 7 million liters per day of potable water from Jhamarkotra Mines to city of Udaipur since 1994-95.
- Company has commenced supply of 6 million liters per day of potable water from Kanpur mines in addition to the present supply of 7 million liters per day since 2004, with this, RSMML caters to the potable water needs of more than 2 lac people of the water starved Udaipur city.

Water supply to Villages

- Supplying of potable water from Jhamarkotra Mines to 7 nearby villages on a permanent basis since last 10 years.
- Adequate potable water supply is ensured through a permanent pipeline

VOCATIONAL TRAINING CENTRES

- Different Mines of the Company are having elaborate setup of Vocational Training Centers.
- Objectives:
 - Induction and in-service training of both departmental & contractor's work force.
 - Monitoring safety policy of RSMML.
 - Up-keep of safety records.
 - Annual celebration of Environment & safety weeks.

Chapter-II

The powers and duties of its officers and employees:

RSMML is a company registered under Company's Act 1956, governed by the Board of Directors. The present constitution of the Board is as under:

1.	Shri Devendra Bhushan Gupta , IAS - Chairman Chief Secretary to the Government of Rajasthan Secretariat, Jaipur
2.	Shri Niranjana Kumar Arya, IAS - Director Additional Chief Secretary to Government of Rajasthan, Finance, Excise & Taxation Department, Secretariat Jaipur
3.	Smt. Sreya Guha, IAS, Director Principal Secretary to the Government of Rajasthan, Tourism, Art & Culture Department, Secretariat, Jaipur.
4.	Shri Kunji Lal Meena, IAS – Director Principal Secretary to Government of Rajasthan, Mines and Petroleum Department, Secretariat, Jaipur.
5.	Shri Gaurav Goyal, IAS – Director Director, Department of Mines and Geology, Government of Rajasthan, Udaipur
6.	Shri P. P. Pareek – Independent Director "Gokul" E-157, Ramesh Marg, C Scheme, Jaipur
7.	Shri Akhilesh Joshi – Independent Director, Resident of Flat no. 203, Vitthal Apartment, Near Saheliyo Ki Bari, New Fatehpura, Udaipur - 313002 (Raj)
8.	Shri Somnath Mishra, IAS – Managing Director Rajasthan State Mines & Minerals Limited, 4, Meera Marg, Udaipur (Rajasthan).

The powers are delegated by the Board to the Managing Director who has further sub delegated the powers to Group General Managers and other officers for discharging their functions and duties.

Chapter-III

The procedure followed in the decision making process, including channels of supervision and accountability;

RSMML is registered under Company Law.

The Board of Director is the apex body of the company. Most of the major decisions are taken during Board Meetings. The Board Meeting is called time to time to take decisions. The Managing Director is further delegated powers by the Board for carrying out the day to day Administrative Work. There is delegation of power by Managing Director to different Officers for carrying out day to day work

Chapter-IV

The norms set by RSMML for the discharge of its functions;

SBU wise and for organization as a whole, physical & financial targets with reference to production revenue & expenditure being set and executed through annual Budget.

Broad Budget Estimates for the financial year 2018-19 are as follows:
(Rs in Lakh)

PARTICULARS	Revenue 2019-20	Expenditure 2019-20	Profit 2019-20
SBU & PC Phosphate	56415.40	44123.32	12292.08
SBU & PC Gypsum	5028.00	4741.18	286.82
SBU & PC Lime Stone	22799.80	19194.76	3605.04
SBU & PC Lignite	28800.68	19708.72	9091.96
Power Generation (Wind Farms, Solar Plant)	4850.00	2404.75	2445.25
Other Minerals	-	3.78	-3.78
Corporate Business Revenue	4000.00	3084.60	915.40
TOTAL	121893.88	93261.11	28632.77

We are a Commercial Organization so the Company is audited by CAG. The Company is examined by PUC. We are preparing balance sheet every year which is examined by statutory audit and CAG.

A part from financial norms the productivity of operation are guided by the technical standard and norms. The Contractual operation is based on specific norms defined in every Contract. Every financial year a Budget is made and submitted to the Board for its approval.

Chapter-V

The rules, regulations, instructions, manuals and records, held by RSMML or used by its employees for discharging its functions;

RSMML is a Government of Rajasthan Enterprise so guided by BPE guideline. A part from BPE guideline instructions are issued by Finance Department and Mines Department of Government of Rajasthan.

The Company is following all the Rules & Regulations as enacted by the Central and the state Government for carrying out mining and other activities as and when enforced.

Instruments which form the basis and enable its employees to discharge their duties and functions are as follows:

- a) Service rules for executives
- b) Standing order for workmen
- c) Promotion rules for employees etc.

Chapter-VI

A statement of the categories of documents that are held by the company or under its control ;

The major categories of documents are as under:

- a) Production: Financial statement, Performance, Reports, and production statistics.
- b) Personnel & Administration: Personal files and Service books of the officers/workmen, ACR Records of the officers/ workmen, sanction of various types of advances, files relating to purchases, files relating to selection/filling up of posts/vacancies, files dealing with legal matters, files relating to vigilance matters etc. files relating welfare activities etc. Rules & Regulations
- c) Finance & Accounts : Budget, Budgetary allocations, audit files details of CPF, advances, their recoveries, details of capital and revenue income and expenditures etc., and physical details
- d) Purchase & Stores: Indents, SRVs, SIVs, Stock Registers, RCs and various Challans and vouchers.
- e) Marketing: Commercial papers comprising of invoices delivery challans, orders, account statements and respective files of various customers and related agencies.

Chapter-VII

The particulars of any arrangement that exists for consultation with, or representation by, the members of the public in relation to the formulation of its policy or implementation thereof;

Being a commercial company there is limited scopes for consultation with or representation by, the members of the public in relation to the formulation of its policy of implementation thereof.

Chapter-VIII

A statement of the boards, councils, committees and other bodies consisting of two or more persons constituted as its part or for the purpose of its advice, and as to whether meetings of those boards, councils, committees and other bodies are open to the public, or the minutes of such meetings are accessible for public;

The Board of directors are mentioned at Para 2 of this report. Board of Directors is the governing body of the organization and Managing Director is the Chief Executives of the Company. Various committees operate based on the statutory and other requirement.

Chapter-IX

A directory of its officers and employees;

A directory of Officers is placed at Annexure-I

Chapter-X

The monthly remuneration received by each of its officers and employees, including the system of compensation as provided in its regulations;

The pay scales of the employees are as under:-

Pay scales of Executives:

Grade	Revised Corresponding Level In Pay Matrix in 7 th Pay
E - 7	L-22
E - 6	L-21
E - 5	L-20
E - 4	L-19
E - 3	L-17
E - 2	L-16
E - 1	L-14

Pay Scales of Workmen:

Category	Revised Corresponding Level In Pay Matrix in 7 th Pay
W-IX-S	L-13
W-IX	L-13
W-VIII	L-12
W-VII	L-11
W-VI	L-09
W-V	L-08
W-IV	L-06
W-III	L-04
W-II	L-03
W-I	L-02

In addition to above DA, HRA and other perks are also applicable as per the prevailing norms of the company.

Chapter-XI

The budget allocated to each of its agency, indicating the particulars of all plans, proposed expenditures and reports on disbursements made;

The broad details regarding the allocation of the budget is mentioned at Para 4 of this report. Further details are for internal use only.

Chapter-XII

The manner of execution of subsidy programmes, including the amounts allocated and the details of beneficiaries of such programmes;

Credit policy in place of subsidy as per general commercial practice.

Chapter-XIII

Particulars of recipients of concessions, permits or authorizations granted by it;

Not applicable.

Chapter-XIV

Details in respect of the information, available to or held by it, reduced in an electronic form;

Information about various aspects and functions of RSMML is available on the web site www.rsmm.com.

Chapter-XV

The particulars of facilities available to citizens for obtaining information, including the working hours of a library or reading room, if maintained for public use;

Not applicable.

Chapter-XVI

The names, designations and other particulars of the State Public Information Officers (SPIO) & Assistant Public Information Officers (APIO):

For Corporate Office

Name of SPIO	Designation & Office Address	Contact No.	Name of APIO	Designation & Office Address
Dr.T.R Agrawal	Financial Advisor, Corporate Office, 4, Meera Marg, Udaipur (Raj.)	Ph.0294-2428791	Shri D.K.Agarwal	G.M. (Project) RSMM Ltd., Corporate Office,4, Meera Marg, Udaipur

For SBU & PC – Rock phosphate

Name of SPIO	Designation & Office Address	Contact No.	Name of APIO	Designation & Office Address
Shri Mukesh Chaturvedi	Group General Manager, SBU & PC-Rock phosphate, Jhamarkotra Mines, Udaipur	Phone: 0294-2342441-443 Fax: 0294-2342444	Shri Dinesh Bhupesh	DGM (P&A), SBU & PC-Rock phosphate, Jhamarkotra Mines, Udaipur
